Re: Clark Kennedy

To Whom It May Concern:

I had the pleasure of working with Clark Kennedy on the Sea Coral 1 Motor Yacht, Arcadia 85, in April of 2018, during our 15-day charter through the Grenadines and Martinica.

It was the first charter for Clark like a chef on a Yacht. Clark had to cook for 6 guests and 4 crews on a small kitchen. In Grenadines, there is not much possibility for shopping. But despite of all these difficulties, Clark has never missed fresh products because he was well organized for supplies.

Guests of "Sea Coral 1" were really impressed with Clark culinary skills. He knew how to adapt his kitchen for French guests.

Clark's communication and relationship with the rest of the Sea Coral crew were seamless.

I would most definitely consider Clark Kennedy for future employment and wish him the best of luck in her future endeavors.
