YOU EXPRESSLY AGREE THAT YOUR USE OF THIS WEBSITE OR THE FEATURES IS AT YOUR SOLE RISK.

The contents of this website/email are for informational purposes only and are not intended to be a substitute for professional medical advice, diagnosis, or treatment. This website does not provide medical advice, diagnosis, or treatment or prescribe for any medical or psychological condition, nor to prevent, treat, mitigate, or cure such diseases. The information is also not intended to replace the relationships between you and any physician or other qualified health-care professional, nor substitute for the role such professionals serve in helping you diagnose and treat any condition you may have. You are encouraged to make your health care decisions based on, among other things, your judgment, your research in partnership with a qualified health-care professional, and your unique circumstances. If you have any concerns or questions about your health, you should consult with a physician or other qualified health-care professional. Do not disregard, avoid, or postpone obtaining health-related advice or medical treatment from your qualified health-care professional because of videos, products, materials, and other content that you may have seen on or obtained through this website.

All content found on the Website/Facebook Group or other LOY groups/Email, including text, images, audio, or other formats, were created for informational purposes only. The Content is not intended to be a substitute for professional medical advice, diagnosis, or treatment. Always seek the advice of your physician or another qualified health provider with any questions you may have regarding a medical condition.

If you think you may have a medical emergency, call your doctor, go to the emergency department, or call 911 immediately. Our website, Facebook group, or other LOY groups and email does not recommend or endorse any specific tests, physicians, products, procedures, opinions, or additional information that may be mentioned on our channels. Reliance on any information provided by our website, employees, contracted writers or medical professionals presenting content for publication to our website is solely at your own risk.

The Site may contain health- or medical-related materials or discussions regarding sexually explicit disease states or sexuality. If you find these materials offensive, you may not want to use our Site. The Site and its Content are provided on an "as is" basis. Links to educational content not created by our team are taken at your own risk. Our team is not responsible for the claims of external websites and education companies.

All content of this website is presented for educational and general information purposes only. Unless otherwise stated, the information is based on the research and experience of LOY ("we" or "us") and the individuals featured on this website and in its content.

The use of any information provided through this website is solely at your own risk. We do not endorse, recommend, or make any representation about – and assumes no responsibility for – the accuracy, appropriateness, efficacy, or suitability of any specific products, services, foods, practices, procedures, tests, opinions, health-care professionals or other information that may be contained on or available through this website. You are encouraged to confirm any information obtained from or through this website with other sources and review all information regarding any medical condition or treatment with your physician or other qualified health-care professional.

## **General Disclaimer**

Students must inform the teacher about their health condition and gently approach the indicated techniques without pushing their body limits. The teacher is not responsible for the students' practices outside the live class and or based on video/audio recordings, nor when an uncompliant student gets hurt in course due to lack of attention and precaution or due to reckless behavior.
