

Think It!

Say It!

You look alot
older than
when I last
saw you.

Your laugh is
really
annoying me.

You are
looking really
nice today.

I don't like
the way you
dress.

I'm not
enjoying
spending time
with you.

You've put on
a lot of
weight.

That's the
wrong
answer,
you're not
very smart.

Your fly is
undone.

You have
spinach in
your teeth.

Thank you for
hanging out,
I have to go
now.

You're really
funny.

Your t-shirt
is cool.

You're really
boring ...

Do you really
like
superheroes?
I hate them.

Your breath
smells.

I don't like
you.

You're making
me
uncomfortable
, can you
please leave?

Can you
please speak
more quietly.

Be Quiet!

The book your
reading is
really boring.

Why do you
watch that
show, it's for
babies?

Good
thinking!

Wow! You're
getting the
hang of this.

I can't
believe how
bad your are
at maths.

That's not the
right answer,
let me help
you.

Your house is
a mess.

Can I help
you?

You're a good
friend.

You're so
good at sport!

You smell
really gross.

I'm going to
dob on you to
the teacher.

You're being
a bully
