Pricing

- “Booth Space” refers to one 12’ x 12’ outdoor space. One space rental is \$75.00.
- Multi-Booth Space: If one artist requests more than one 12’ x 12’ booth space, additional connecting 12’ x 12’ booths will be charged \$65.00.
- “Bring a Friend”: If an artist encourages a fellow artist to rent a booth there will be a rebate of \$10.00. The invited artist must acknowledge the link when submitting their application.

Set-up

- The Clubhouse grounds will be available Saturday morning at dawn. Artists may erect their tent on Friday if desired, but there will be no security on site until Saturday.
- Tents must be staked sufficiently to withstand 20 mph winds (common in the Kentucky Spring).
- Booths must display a working fire extinguisher.

Also:

- Food will be available! The Pewee Valley Woman’s Club will have a “sweets table” with homemade goodies available from 9 am to 3 pm. A limited lunch menu will also be open for business from 11 to 2.
- Our grounds are home to a mole family. Footing can be tricky. Please use caution.
- Since the Clubhouse is on a septic system, a port-o-let will be set up on site. Ladies and those with mobility issues are welcome to use the indoor facilities.
- In response to some comments from past shows, we request that any art featuring “adult” or obscene language be kept under wraps. If a customer asks for such an item, we ask that you use discretion.
