

# *Fatigue*

I am so tired.  
Twenty years.  
Two kids.  
Three dogs.  
Assorted reptiles.  
Several birds.  
Graying Hair.

Starting over.  
By myself.  
Two kids,  
Busy days  
Non stop  
Lonely nights  
More gray hair.

Can I do this?  
No choice.  
For the kids.  
Make it happen.  
For myself.  
With His help.  
Forget the gray.
