

# Our Junk Drawer

What-cha-ma-call-its and gizmos galore  
Tumble right out when I open that drawer.  
Today's the day we're going to go through  
The thing-a-ma-jigs and papers askew.

Do we need this? Well, of course we do.  
I'm certain I used it in two thousand two.  
This coupon has expired. Are you sure? Check the date  
Here's the Z for scrabble we thought the dog ate!

Now wait! That's important, don't throw that away  
I just might need that thing someday.  
Look here, Aunt Laura gave this to me!  
What is it? I don't know, but it is something you see.

I found the instructions for our new remote!  
Here's the receipt I needed for that red coat.  
Hose washers....I *knew* I bought a pack!  
Look at this, the missing train track!

Oh no! Here's the card we should have sent in  
For the wedding reception of Ashley and Ben.  
When were they married? Two years ago??  
I think you are right, where does the time go?

I guess we're done, let's put everything away  
Hey, we really accomplished something today!  
What??? You can't push the junk drawer in??  
Guess someday we'll have to go through it again.....
