New Business:

•Thank you to our DNR for washing and staining the benches & picnic tables. They look great!

Kathy reminded us that the Billy the kid trail is not on the map. Sarah did attempt to add it recently however due to its small size around camp, it is difficult to make it show up on our current maps. Sarah will continue to play with settings to make it show up.

Kathy asked if it would be possible to update our larger maps using vinyl. Like our banner we have at camp. The group confirmed that would be possible and a great, less expensive idea. Kathy motioned to accept having larger maps made out of vinyl to have at camp/day use.

Carla 2nd the motion.

All voted and approved.

Carla asked if we could get the graphics on the new trailer updated with the YSTRA logo. The topic was discussed. We just have to find someone to cut the vinyl and before it is done, the outside of the trailer needs to have the old logo removed or power washed off. This trailer is currently at the Buehler's. Sarah/Travis will attempt to power wash the old logo off before we move forward with replacing it.

Ruth requested that YSTRA send John Soper a get well soon card and flowers. This was approved by the group. Sarah will get it sent.

Ken requested a Fall clean up of the roads. Kathy said that "The Gals" will do it. Thank you, Kathy, and crew!

Trail Report:

·Ruth reported obstructions or issues on both the 6 and the 4 mile trails.

Huge Thank You to the DNR for their hard work on the 9 mile. It is cleared from the tornado damage that was done earlier this year. This took several months and a lot of hard work for many people.

Additional reminder that the 9 mile is CLOSED due to hunting from Oct. 1st- Jan. 1st.

Kathy made a motion to adjourn the meeting. Carla supported and 2nd the motion.

All approved.

This meeting ended at 3:14pm.

Regards,

Sarah Buehler YSTRA Secretary
