

Homeschool Record Sheet 2026-2027

Month Number	LP Due Date
1	9/18
2	10/9
3	10/30
4	11/20
5	12/18
6	1/29
7	2/19
8	3/19
9	4/23
10	5/14

Each month you will have a "Homeschool Cover Sheet".

1. Mark the appropriate month/learning period
2. Attach all samples of student work to the document
3. Complete the physical education section
4. Indicate method of assessment
5. Indicate all days of learning including flex learning and field learning days

Assignments: All assignments are completed during the designated time period according to the academy's yearly calendar. Keep 2 sample assignments for each subject listed below per month. The samples serve as evidence of instruction and mastery for the Learning Period as designated on the academic calendar.

___ Language Arts ___ Math ___ Science ___ Social Science

Independent Study Physical Education Record: My signature verifies that my child has met or exceeded the California minimum requirement of 100 minutes of physical activity per week.

Each page you keep on file needs to meet the following criteria:

*Many parents choose to create labels with the first three criteria, which can then be easily affixed to each page.

___ **Student's first and last name**

___ **Heading:** Academic area, chapter, and page number if it is not indicated on the worksheet

___ **Learning Period number** with the date

___ **Evaluation** by parent/educator (written feedback, %, number correct, etc.)

___ All lessons are the student's **original work**, not copied. No pages stapled, only one clip for each subject.

Weekly Assignment Verification

Methods of Evaluation

___ Completed Assignments	___ Interview	___ Demonstration/presentation
___ Report (written, oral)	___ Project	___ Individual Assignments
___ Test/Quiz (written, oral)	___ Experiment/lab	___ Other
