

MECABE - PEOPLE - CROSS

1 Q Did Detective Brown ever tell you the nature of
2 that conversation?

3 A He probably did. I just don't recall it.

4 Q When you said that -- you said that Mr. Popal was
5 arrested at his place of business and then he was placed into
6 a marked radio car?

7 A Yes sir.

8 Q Was anybody else taken into custody at that same
9 time?

10 A No, sir.

11 Q Are you sure?

12 A The only one I remember being placed in the car was
13 Mr. Popal.

14 Q And you were there. You saw what was going on.

15 A Well, I seen him being placed in the car, yes.

16 Q You didn't see his father being taken out in
17 handcuffs from that place?

18 A No, sir. I don't recall that at all.

19 Q You are on the plane now, sir, with Mr. Popal, and
20 you indicated that Mr. Popal was talking to you. Did you
21 initiate any of those conversations?

22 A No, sir.

23 Q None?

24 Can you tell me who was first one who
25 initiated the conversation with a polygraph or lie detector
