DONATION REQUEST

A key part of our fundraising efforts is our silent auction, featuring a variety of desirable items and experiences. These baskets are always a popular draw, and we believe your business would be a fantastic addition to our auction offerings.

We are writing to request a donation from your establishment to help us create an exciting and valuable silent auction basket. A gift certificate, a selection of your products, or a themed gift basket showcasing your specialties would be greatly appreciated. Any contribution, large or small, will make a significant difference.
