

Gene's Greenhouses Rose Selection 2023

Variety	Flower Color	Description ~ Write-up	Fragrant	Type	Height
Alfred Sisley	Orange, Pink, Cream, & Yellow	Blooms striped with orange, pink, cream and yellow are borne throughout the season in clusters set off by the dark, glossy foliage	Moderate	Shrub	3-4' compact
America	Pink	This unusually vigorous and free-flowering plant produces large coral pink blooms, full overlapping petals, that have an intense spicy scent. Borne singly and in small cluster on old and new wood	Intense Spice	Large-Flowered Climber	8-10'
Angel Face	Purple	A highly popular rose for more than 40 years, this divine deep mauve-lavender, ruby flushed bloom is prettily ruffled with a powerful perfume.	Intense Lemon	Floribunda	3'; Low, bushy
Apricot Drift	Apricot	Small apricot cluster-flowered cupped bloom form. Prolific continuous bloom throughout the season	None	Shrub	Short Bushy
Black Magic	Dark Red	Can be used for cut flower production or garden use. The bloom is very dark red, and has a high-centered form.	Mild to Sweet	Hybrid Tea	7'x4'
Blaze	Red	Blaze is an extremely popular climber in America, due to it being happy in most anywhere it is planted. Its short ovoid buds open to extravagant blooms that are neatly cupped and cheerfully shaded brilliant fiery red. Blooms in large cluster on old and new wood.	Light	Climber	8-10'
Blue Girl	Lavender	A proven favorite with rosarians, this exhibition-form silvery lilac-lavender rose is one of the best performing lavenders available. Very disease resistant	Moderate Fruity	Hybrid Tea	3-5'
Broadway	Yellow-Pink-Red	Broadway's blooms are a theatrical blend of golden yellow petals and heavily flushed reddish pink margins; but in the spotlight of the sun, the color will deepen. The exhibition-form flowers have high centers, making them good for cutting.	Strong Spice & Damask	Hybrid Tea	Medium-tall; Upright, vigorous
Chicago Peace	Pink-Yellow	Similar to its parent, Peace, but more colorful. The exhibition-form flowers, borne mostly singly, have phlox-pink petals with a canary yellow to copper base.	Light	Hybrid Tea	Tall; Upright
Coral Drift	Coral-Orange	Bright Coral-orange blooms cover this small mounding shrub from mid-spring to mid-fall. Coral Drift has vibrant flowers that catch your eye from anywhere. Fully winter hardy and disease resistant	None	Shrub	1.5-2.5'
Dancing in the Dark	Red	A beautiful modern shrub rose which looks sure to be a hit with rose lovers. Stunning blooms of intense deep red developing to almost black. Blooms in flushes throughout the summer. Healthy matte green foliage and bushy upright growth	Mild	Floribunda	3-4'
Dolly Parton	Orange-Red	Vibrant and voluptuous, Dolly Parton's extra large blossoms are luminous orange-red and long lasting. They're also endowed with an attractive fragrance	Intense clove & rose	Hybrid Tea	3-5'

Gene's Greenhouses Rose Selection 2023

Don Juan	Red	This handsome and ambitious climber's copious ruffled and romantic dark red blossoms and seductive fragrance would have impressed anyone.	Intense	Climber	6-10'
Double Delight	Red-Yellow	This immensely popular rose has unique creamy white blooms blush strawberry red with an intense spicy fragrance.	Strong Spicy	Hybrid Tea	Medium; Upright, bushy, spreading
Double Knock Out	Red	The double cherry red blooms have a more traditional form than the blooms of the original Knock Out. The bush has the same excellent black spot resistance as the original but is slightly more winter hardy.	None	Shrub	3-4'
Europeana	Red	A prolific bloomer, Europeana produces huge cluster of up to 30 velvety cardinal red rosettes.	Light Tea	Floribunda	Medium; Rounded, vigorous
Forever Yours	Red	Classic Hybrid Tea rose displays very impressive ample bright red blooms followed by an equally impressive secondary bloom. Perfect for superb flower arrangements. Compact and well-branched growth habit a wonderful decorative appearance in pots.	Moderate	Hybrid Tea	5-7'
Fragrant Plum	Purple	Abundant, large, double flowers named for their enchanting shades of plum-purple with darker, smoky purple-edged petals and a delightful, fruity fragrance. These aromatic beauties are backed by deep green foliage on long stems well-suited for use in cut flower arrangements. Vigorous and disease resistant	Strong, Fruity	Grandiflora	4-5'; Upright
Gold Medal	Yellow	The plump pointed buds on this bush opens into blooms of deep golden yellow with flushed orange-red tips. Performs well in the heat and disease resistant.	Light Fruity	Grandiflora	Very tall; Upright, bushy, vigorous
Golden Showers	Yellow	This cheerful climber boasts elegant long buds; loose ruffled daffodil-yellow blooms with maroon stamens; and a sweet honey fragrance. Blooms on old and new wood	Moderate sweet	Large-Flowered Climber	6-10'
Heirloom	Lilac-Purple	This hybrid tea has inherited an endearing charm that never goes out of style. The magenta buds develop into deep lilac-purple blooms that have a wonderful perfume reminiscent of sweet raspberries and wine	Intense Sweet	Hybrid Tea	3-4'
Iceberg	White	An International best seller and one of the world's most beloved roses, Iceberg is extremely disease resistant and prolific. It has long pointed buds and shapely pure white blooms borne in clusters of up to 15 per spray.	Mild Honey	Floribunda	Medium-tall; Bushy, rounded, vigorous
Iceberg Climber	White	A climber with all the virtues of Iceberg, including pure white blooms, sweet fragrance, and excellent disease resistance. It is never without blooms in season, though it flowers more on established plants and only blooms on old wood.	Mild Sweet	Climber	8-10'

Gene's Greenhouses Rose Selection 2023

John F. Kennedy	White	Borne on strong, vigorous stems, the elegant blooms are large and of the purist white, with a slight green tint in the early bud stage. Very fragrant for a white rose.	Strong Fruity	Hybrid Tea	Medium; Vigorous
Joseph's Coat	Yellow-Orange	Striking kaleidoscopic clusters of multi-colored blooms that open yellow-orange then vary between orange, pink, and red. Blooms on old and new wood.	Light Tea	Large-Flowered Climber	8-10'
Julie Andrews	Hot Pink	This exquisite rose bears masses of intense pink-fuchsia blooms with a bright yellow heart and an extraordinary perfume which is a mixture of anise, tarragon and rose. Selected as the 'Most Beautiful Rose of the Century'. This stunning and sturdy hybrid tea is sure to become as legendary as its namesake.	Strong	Hybrid Tea	2-4'
La Petit Prince	Purple	Hues of purple have always been associated with royalty so clear silvery lavender could be considered princely but the plant is anything but petite. Vigorous, prolific and bushy with loads of shapely subtle blossoms.	Intense Citrus	Floribunda	4-5'
Livin' Easy	Orange	Its frilly orange-apricot blooms will have you enjoying the view, but its black spot resistance will have you livin' easy. Excellent for the landscape and mass plantings. Does well in all climates.	Moderate sweet & citrus	Floribunda	Medium; Rounded
Medallion	Apricot	Big long pointed buds of golden apricot open into large blossoms of full sweet fragrance. Extremely vigorous plant has long, almost thornless stems with dark leathery leaves.	Moderate Fruity	Hybrid Tea	4-5'
Miracle on the Hudson	Red	A large double-petaled astounding red color and phenomenal black spot resistance and incredible powdery mildew resistance. Just plant it, and water it and watch it grow. Named after the survivors of the 2009 Hudson River emergency landing on the Hudson.	Mild	Shrub	3-4' round compact and bushy
Mister Lincoln	Red	Recognized as one of the all-time best reds, Mister Lincoln stands as tall and proud as the man himself. Its long pointed buds, borne one to a stem, open to large velvety red blooms that have a pleasing damask fragrance.	Intense damask rose	Hybrid Tea	Tall; upright, vigorous
Oklahoma	Dark Red	The dark black-red color and heavy fragrance of Oklahoma have made it a perennial favorite and have won its place as the state flower of Oklahoma.	Intense Rose	Hybrid Tea	Medium; Bushy vigorous
Peace	Yellow Flush Pink	This iconic rose has mellow creamy yellow blooms that flush pink and elegant long stems.	Light Fruity	Hybrid Tea	Medium; Bushy, very vigorous
Peach Drift	Peach	One of the more floriferous dwarf shrubs available with soft peach blooms that cover the plant from mid-spring to the first freeze. Peach Drift works well in perennial gardens and has very strong disease resistance	None	Shrub	Low Groundcover

Gene's Greenhouses Rose Selection 2023

Perfume Delight	Rose Pink	The large rose-pink blooms have a rich sweet fragrance, and the stems are long and strong, which makes this rose delightful in a garden or in a vase.	Intense	Hybrid Tea	Medium-tall; Upright, bushy, vigorous
Pink Peace	Pink	A half-century after its introduction, the rose remains popular. Magnificent deep pink blooms, the intense rose fragrance, and the elegant long stems are perfectly matched together with this rose.	Intense Rose	Hybrid Tea	Tall; Bushy, vigorous
Plum Perfect Sunbelt	Purple	Numerous intensely plum-colored very double flowers are the characteristic of this rose. The foliage is a healthy, shiny medium green. Performs well in heat and humidity.	Light	Floribunda	2-3' compact
Popcorn Drift	Yellow-White	Blooms in flushes throughout the season. Small ovoid buds. Great ground cover.	None	Shrub	Bushy rounded
Proud Land	Red	The pleasing sweet fragrance, the satisfying deep red color, and the stately long stems make this rose a truly striking and highly gratifying addition to the garden.	Moderate	Hybrid Tea	Medium; Upright, vigorous
Red Drift	Red	The most petite flower in the drift collection with strong flower power and excellent disease resistance.	None	Shrub	1-2' compact
Shirley's Bouquet	White	This fragrant Hybrid Tea reflects the best qualities of a white rose. Pure white blossoms shine above an abundance of clean deep-green leaves. Makes an elegant statement in any vase.	Intense Sweet Rose	Hybrid Tea	3-4'
Sundowner	Orange	Like a magnificent summer sunset, Sundowner flaunts colors of warm gold and apricot-orange with touches of salmon. The large exhibition-form blooms are borne singly and in large clusters.	Intense Fruity	Grandiflora	4-5'; Upright
Sunny Sky Eleganza	Yellow	A very hardy, large-flowered yellow hybrid tea with exceptional disease resistance. The bush has dark green, thick healthy foliage. This is a lightly fragrant rose.	Moderate	Hybrid Tea	4.5-3'
Sunsprite	Yellow	This extremely disease resistant and prolific beauty is one of the world's top garden roses. The bush abounds in deep yellow blooms that are super fragrant, long lasting, and reluctant to fade. Makes a cheery cut arrangement or a colorful low hedge.	Intense	Floribunda	3-4' Upright
The Knock Out	Red-Hot Pink	A continuously blooming compact and easy to grow bush with bright cherry-red to hot-pink blooms. Disease resistant, drought tolerant, and self-cleaning.	None	Shrub	3-4'
The Pink Double Knock Out	Pink-Bubblegum	A bright bubblegum-pink version of Double Knock Out. The bush blooms continuously from early spring to the first frost, and it is disease resistant and drought and heat tolerant.	None	Shrub	3-4'
Tropicana	Coral-Orange	Tropicana adds sizzle to the garden or a bouquet with fiery coral-orange blooms and a luscious fruity fragrance. Disease resistant.	Intense Fruity	Hybrid Tea	Medium; Upright, vigorous

Patio Trees

Raspberry Kiss	Pink	Some roses make you smile, but this nifty and novel variety will make you happy all over. This rose is a dark eye of its specie with great re-bloom, fantastic foliage, superb vigor, and a level of disease resistance that sets a new bar in the rose world.	Intense	Shrub	Medium; good canopy
Angel Face	Purple	A highly popular rose for more than 40 years, this divine deep mauve-lavender, ruby flushed bloom is prettily ruffled with a powerful perfume.	Intense Lemon	Floribunda	3-4'
Double Knock Out	Red	The double cherry red blooms have a more traditional form than the blooms of the original Knock Out. The bush has the same excellent black spot resistance as the original but is slightly more winter hardy.	None	Shrub	3-4'
Iceberg	White	An International best seller and one of the world's most beloved roses, Iceberg is extremely disease resistant and prolific. It has long pointed buds and shapely pure white blooms borne in clusters of up to 15 per spray.	Mild Honey	Floribunda	3-4'
Julia Child	Yellow	Julia Child serves up yummy butter-gold blooms that emit a sweet-smelling licorice aroma. Free flowering, hardy, and disease resistant.	Strong Licorice & Spice	Floribunda	Medium; Bushy, very rounded
