Message from Barb Krug, SAM

"And give thanks for everything to God the Father in the name of our Lord Jesus Christ." Ephesians 5:20

It's the little things in life that matter.

After another BIG rain recently, (and a lot this spring and summer), going into the basement at Our Saviour's and seeing a dry floor might seem like a little thing to some but for our congregation, it was huge. It's been many years since we've had no seepage into the basement. Visiting with members that I don't always get to see while they were waiting for their family photos to be taken and visiting with those that worked hard to make the directory photo sessions possible might also seem like a little thing to some, but to me it was a wonderful way to spend an afternoon and evening. Leaving the church after all the sessions were over, and seeing the beautiful sunset through the trees of the church cemetery might again seem like a little thing to some, but to me it was a magnificent way to end the evening. I stopped and took pictures because it was so beautiful. Usually, I'm in such a hurry, I don't notice those things, but I'm learning, slowly! And yes, I did give thanks to God our Father for all those little things. Many times, I feel God might hear from me too much, but then one more little thing happens, and I just have to say Thank You. If we listen to 1 Thessalonians 5:18, *"Be thankful in all circumstances, for this is God's will for you who belong to Christ Jesus,"* we know, as His child that He is waiting for our thanks. Never stop praising and thanking God, for the big things as well as the little things – they do matter! I pray you have many little things to be thankful for this August.

God's blessings,
Barb Krug - SAM

ST. PAUL'S LUTHERAN CHURCH

A Message from St. Paul's Council President—Heidi Haynes

I want to thank everyone who participated in getting your pictures taken so that we can update our church directory. And a big thank you to all those that helped make it happen. It was no small feat to contact everyone and get appointments made, schedules coordinated, and people signed in on the day of their appointments. It will be fun to look at how much everyone's families have changed in the past 10 years.

It can also be a time to personally reflect on all the changes in your life in the past 10 years. Think about how much you have grown, how far you have come and how much your life has changed, the family and friends that are no longer with us, but also for all we have gained. Consider the new members of our church, and additions to our families. For me, it means including my son in this directory as I was about 8 months pregnant in the last one, but this one is without some loved ones.

Life goes so fast. For so much of it we are just plain busy with trying to balance family, work and life. Sometimes we seem to be on autopilot just trying to get through the day and week. We are not fully embracing every day for the gift it is. When we think about all the changes, either good or bad, in the past 10 years, it can be overwhelming. One thing that has never changed is God's love for us. In every twist and turn of life, God's guiding hand was there.

Isaiah 40:31 "But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint."

Romans 12:2 "Do not conform to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will."

Needles for Needs Community Quilt Group

Our group has been working hard - and as of the second week of July, we have completed 171 quilts for Lutheran World Relief! It looks like we will fulfill our goal of over 200 quilts again this year. We have just a little over 2 months to go before it's time for our quilt blessing and shipping off to the LWR warehouse in Minneapolis. From the warehouse, they will be distributed around the world, and as of a few months ago, now in the US where needed!

We are still looking for cotton and cotton/poly blend flat sheets for the backing of our quilts - please keep an eye out for them at garage sales, estate sales, and thrift shops. As always, donations of poly blankets, batting and embroidery floss are also welcome, as we use them for quilts, too.

If you'd like to come join us, we still meet from 9-2 every Tuesday at St. Paul's Welcome Hall. All are welcome - you don't have to be a member, and teens through great-grandparent age are welcome! Come for an hour or the whole day! Don't have time to meet during the day, but still want to help? You can take home supplies to work on at your leisure — we have bundles of quilt squares, as well as boxes of scrap fabrics that don't fit the 11" square size, but are still very useable for quilts.

If you have any questions, please call Tonya at 715-560-0295.
God's Work, Our Hands!

"What is WELCA?"

WELCA stands for Women of the Evangelical Lutheran Church. Some churches might still call it Ladies Aide. That is how I remember it. It has been quite awhile since St Paul's has had a group. St Paul's is also part of the WELCA Chequamegon Conference. A small group of us gathered in July to discuss starting up a group. We had a member of Our Savior's WELCA come to explain what all they do, etc. There were many ideas that were discussed on what we can do, etc. To make this work, we need YOU Ladies! I am very excited to make this work and what we can do for others.

The next meeting will be Monday, August 11, at 6:00 p.m. at St Paul's.

We hope to see you there! ~Dawn Kasper-Harder
