

Tactical Supply Network LLC ("TSN") is a U.S.-based, ITAR-registered and fully compliant transaction advisory and procurement firm. We are pleased to introduce a proven, next-generation security technology **that provides an added layer of protection for people, assets, and facilities without disrupting normal operations.** In partnership with **Safe Haven Defense**, TSN offers the implementation of **ADVANCED BALLISTIC LAMINATE SOLUTIONS** designed to enhance safety for customers, employees, merchandise, and property. We will work closely with your organization to evaluate, customize, and deploy this solution across your portfolio in a seamless, discreet, and effective manner.

PROTECTION WITHOUT WINDOW REPLACEMENT

Safe Haven's propriety retrofit laminates that stop bullets and delay entry without window replacement. Each solution is engineered for a specific threat profile, from stopping bullets to maintaining glass integrity during forced entry and unrest.

This incredible product is **Bullet Resistant / Riot Resistant / Forced Entry Resistant / & Smash Resistant.** Laboratory tested and certified, this laminate is installed on-site to your existing windows exclusively by Safe Haven's professionals to ensure real-world performance.

We look forward to continuing the discussion with you and your team regarding this advanced security technology and exploring how it can be effectively implemented across your portfolio of properties. We would also welcome the opportunity to host you at one of our scheduled live demonstrations in 2026. For additional information, including demonstration videos and direct access to Safe Haven Defense, please scan the QR code above.
