case managers

Case Management for those who qualify for the Health & Wellness Waiver (previously called Aged & Disabled Waiver). We are focused on individuals under the age of 60 years old with disabilities and children in the medically complex warriors program.

## Why Choose Us

### *Who We Are*

Integrity is a boutique case management company focused on person-centered care, while providing educated waiver professionals and caring service.

### *Industry Experience*

Integrity has over 75 years of industry experience on our leadership team alone. We are ready to support your journey by finding answers you need. We are eager to help you and your family.

### *Centered on You*

Our case managers seek to understand client's wishes and are committed to curating client-directed non-medical services and in-home care. We also provide referrals to community based services.

### *Our Core Values*

At Integrity Case Managers, we are guided by a set of core values that include integrity, compassion, respect and excellence. We believe that these values are essential to providing the best possible in-home care to our clients, and we strive to uphold them in everything we do.
