About Us

Established in 2004, Gama Ship Repair has been at the forefront of the maritime industry, delivering exceptional services in drydock and afloat ship repairs throughout the UAE.

GAMA GUARANTEE

"5% lower prices & 10% faster completion than any competitor".

GAMA

SHIP REPAIR

**PIONEERS OF SHIP
CONVERSIONS IN THE UAE**

**CALL US
+971 52 622 4563**

Our Services

- **Conversions** - We convert oil tanker to bitumen tanker, and ro-ro tanker/landing craft to container carrier.
- **Dry Docking** - We undertake dry docking of oil tankers, dredgers, cargo ships, supply boats, and barges in Dubai Maritime City.
- **Afloat Repair** - We carry out complete afloat repairs in all ports and anchorages in the UAE.

Expertise

Gama Ship Repair is certified with ISO 9001-2015 (certified by Bureau Veritas), ISO 14001 (Environment), and ISO 45001 (Health and Safety). Gama has successfully completed 11 conversions, and 12 dry docking jobs in the last 12 months. Gama has a highly motivated team of managers, supervisors. All our welders are certified in both ABS and RINA classes.
