

Balanced Environmental LLC is an agile, CHMM-led consulting firm specializing in environmental compliance, permitting, and field services. We deliver expert and cost-effective solutions for complex regulatory and site-specific challenges with clarity, speed, and precision.

Representative Experience

Balanced Environmental's founder previously led environmental, health, & safety programs at a multi-million dollar US Army GOCO facility, ensuring compliance with CAA, CWA, CERCLA, EPCRA, ESA, FIFRA, NEPA, OSHA, RCRA, SDWA, & TSCA.

Key Experience Areas:

- Permitting & Compliance for Hazardous Waste, Solid Waste, Wastewater, Air, and Drinking Water
- Underground Storage Tank Removal & Remediation
- Soil & Groundwater Contaminant Investigation, Sampling, and Reporting
- Environmental Program Design and Problem Solving
