Event History

The timeline shows a sequence of events starting at 2025-12-30 UTC 06:42:12.79. It includes workflow tasks like 'Workflow Task Completed', 'Workflow Task Started', 'Workflow Task Scheduled', 'Activity Task Completed', 'Activity Task Started', 'Activity Task Scheduled', and 'Workflow Execution Signaled'. It also shows user messages and AI calls. The timeline is color-coded by event type: green for workflow tasks, purple for user messages, and blue for AI calls.
