FCD's  
**Money Station**  
System is Your  
**ideal solution !**

- ✓ For instantaneous Electronic Cash Payment / Cash-Access or Cash-Back Transactions
- ✓ Hybrid platform for a Cash Access / ATM like transaction
- ✓ Customer CAN'T Stop it
- ✓ You can charge a FEE for system usage
- ✓ Instant "Real time" transfer and credit of customer funds to your Bank account

A "Stand-Alone" or  
"Clerk-Activated"

## Dual Functioning Profit Center

**YOU** set the  
cash / transaction  
parameters

You eliminate your  
costs, risks and  
restrictions !!

**Your can't get burned !**

Customer can  
withdraw funds from  
his Credit, Checking  
or Debit Card, as  
long as he has his  
PIN #

**There's NO MONEY  
in the machine !**

- ✓ It **issues a Ticket** for the transaction
- ✓ It is the **receipt of the cash transfer** from his bank account to yours
- ✓ Clerk takes ticket as **payment for goods and services**...or to provide the customer with "**cash back**"

The System Pays YOU!
