CAPABILITY STATEMENT

UEI: CSZERZJYHA43 | CAGE: 9AVU5
 NAICS: 541620 | 541690 | 541611

Ensuring Compliance. Reducing Risk. Delivering Mission Outcomes.

HUBZone | WOSB | EDWOSB | ISO 9001 | ISO 14001 | ISO 27001

SDZ Enterprise delivers environmental compliance and sustainability consulting to federal agencies, utilities, and government contractors. We navigate complex regulatory requirements and strengthen environmental management systems aligned with EPA, NEPA, CERCLA, and ISO 14001 frameworks.

Past Performance

NASA Headquarters

Environmental Program Support

Supported environmental program execution for NASA HQ including NEPA, EMS support, and sustainability initiatives aligned with federal environmental policy. (Subcontractor)

Municipal Water District of Orange County.

SDWA §1433 Compliance Support

Supported compliance across 27 member agencies to meet Safe Drinking Water Act requirements through multi-jurisdictional risk and resilience planning and emergency preparedness. (Subcontractor)

City of Westminster Colorado

SDWA §1433 Compliance Support

Supported drinking water utility compliance with Safe Drinking Water Act through risk and resilience planning, incident response development, and tabletop exercises. (Subcontractor).

Herndon Solutions Group

Environmental Program Strategy

Provided strategic consulting supporting environmental management programs, technology modernization, and operational planning.

Why Clients Choose SDZ

Accelerated Compliance

Streamline regulatory requirements and reduce compliance risk.

Reduce Environmental Risk

Identify and mitigate risks to protect mission, operations, and strengthen program performance.

Integrated Compliance Approach

Align air, water, waste, and sustainability into one integrated compliance approach.

Execution-Focused Delivery

Practical solutions that move from planning to implementation.

Capabilities
