PAST PERFORMANCE
9AVU5 | CSZERZJYHA43

Performance.Precision.Partnership

2025 – APWA Nevada Chapter Administrator

Administrative and Management Support (541611)

Under the APWA Nevada Chapter Administrative Services contract, SDZ Enterprise provides full-service operational and administrative support to ensure efficient chapter management. Responsibilities include event coordination, membership communication, records management, financial tracking, and board support. SDZ streamlines daily operations and enhances member engagement, enabling the Chapter to focus on advancing public works initiatives across Nevada.

2024 - NASA Environmental & Medical Contract (NEMCON) PWS 6

Subcontractor for HSG LLC

Administrative and Management Support (541611), Environmental Consulting Services (541620)

Under NASA's NEMCON PWS 6, SDZ Enterprise supported the Environmental Management Division (EMD) at NASA Headquarters with strategic program management and administrative services. We delivered expertise across NEPA, EMS, sustainability, restoration, compliance, and resource management. SDZ also led workforce planning, SharePoint modernization, and process improvement (Kaizen) to enhance operational efficiency. SDZ provided documentation, project tracking, and SME support, contributing directly to EMD's mission execution and performance outcomes.

2024 - NASA Environmental & Medical Contract (NEMCON) PWS 7

Subcontractor for HSG LLC

Administrative and Management Support (541611), Environmental Consulting Services (541620)

Under NASA's NEMCON PWS 7, SDZ Enterprise supported the development of a SharePoint collaboration platform for the $25M Occupational Health initiatives at Goddard Space Flight Center (GSFC). The team led efforts to gather business requirements, define operational rules, and standardize project setup to ensure consistent implementation. SDZ designed the site architecture, enabled secure external-access folders, and performed firewall testing to ensure system reliability and compliance. This work enhanced internal and external coordination across NASA's multi-year health programs.

2024 - MWDOC Multi-jurisdictional HMP and AWIA Components

Subcontractor for HSG LLC

Administrative and Management Support (541611), Environmental Consulting Services (541620)

SDZ in partnership with Herndon Solutions Group, supported the Municipal Water District of Orange County (MWDOC) in updating its Multi-Jurisdictional Hazard Mitigation Plan and meeting AWIA 2018 requirements. The team conducted RRAs and developed ERPs for 30 water and wastewater agencies, leading efforts in data collection, risk mapping, stakeholder coordination, and public workshops. This project enhanced infrastructure resilience and ensured streamlined compliance with federal hazard mitigation and emergency preparedness standards.

2024 - City of Henderson AWIA Components (RRA and ERP)

Subcontractor for HSG LLC

Administrative and Management Support (541611), Environmental Consulting Services (541620)

SDZ, in partnership with Herndon Solutions Group, supported the City of Henderson in completing its Risk and Resilience Assessment (RRA) and Emergency Response Plan (ERP) under the America's Water Infrastructure Act (AWIA) of 2018. SDZ led data collection, risk mapping, and stakeholder engagement to enhance infrastructure preparedness and hazard mitigation. The project ensured federal compliance and improved the city's water system resilience.

2024 - City of Henderson IT Staffing Services

Subcontractor for eNcloud Services LLC

Administrative and Management Support (541611), Custom Computer Programming Service (541511), Other Computer Related Services (541519), Computer Systems Design Services (541512)

SDZ provides flexible, on-demand IT staffing to the City of Henderson, delivering qualified professionals for short- and long-term needs. Our hourly support model fills critical skill gaps, enables rapid workforce scaling, and ensures continuity for city IT operations. This approach offers responsive, cost-effective solutions aligned with evolving technology demands.
