CAPABILITY STATEMENT

UEI: CSZERZJYHA43 | CAGE: 9AVU5

NAICS: 541620 | 541690 | 541611 | 541519

Reliable Systems. Optimized Assets. Resilient Utilities.

SDZ Enterprise supports water and wastewater utilities in achieving regulatory compliance, optimizing asset performance, and strengthening operational resilience through integrated solutions that move from strategy through execution.

Past Performance

NASA Headquarters

SDWA §1433 Risk & Resilience Support

Supported environmental and infrastructure program execution including NEPA, EMS, and sustainability initiatives. (Subcontractor)

Municipal Water District of Orange County.

SDWA §1433 Risk & Resilience Support

Supported compliance across **27 member agencies** through risk and resilience planning and emergency preparedness. (Subcontractor)

City of Westminster Colorado

SDWA §1433 Compliance & Emergency Preparedness

Supported drinking water utility compliance through resilience planning, incident response, and continuity planning. (Subcontractor).

Herndon Solutions Group

Infrastructure & Environmental Program Strategy

Provided strategic consulting supporting environmental management programs and infrastructure modernization.

Why Utilities Choose SDZ

Regulatory Confidence

Achieve and sustain SDWA, AWIA, and EPA compliance.

Optimize Asset Performance

Improve reliability through lifecycle and maintenance strategies.

Stronger System Resilience

Enhance preparedness with risk and emergency planning.

Integrated Utility Strategy

Align compliance, operations, and asset management.

Capabilities

Compliance & Regulatory Support

- SDWA §1433 (AWIA) compliance support
- Environmental compliance for water & wastewater systems
- Regulatory audits and corrective action planning
- EPA and state regulatory advisory and EMS support
- Water conservation & sustainability program development

Asset Performance & Lifecycle Management

- Asset management program development
- CMMS/EAM selection, configuration, and implementation
- Asset inventory development and data governance frameworks
- Life-cycle management and capital planning
- Reliability and maintenance optimization
- Data-driven performance optimization
- Maintenance and work management optimization

Risk & Resilience

- Risk & resilience assessments
- Emergency response and incident response planning
- Training, exercises, and preparedness support

Implementation & Operational Delivery

- Continuity of Operations Planning (COOP)
- Continuity and recovery planning
- Operational resilience strategies
- Resource typing

REGULATORY EXPERTISE

SDWA | AWIA | CWA | CAA | LCR | RCRA

- 541620 Environmental Consulting
- 541690 Scientific & Technical Consulting
- 541611 Management Consulting
- 541519 Other Computer Related Services

GSA MAS Contract Holder: 47QRAA26D001H

Delivering Practical Solutions for Utility Performance, Reliability, and Compliance

Core Competencies

Compliance & Regulatory Support

Compliance program management & implementation
 Regulatory reporting, audits, and corrective actions
 Sustainability and conservation program development

Asset Performance & Lifecycle Management

Asset inventory, data management, and governance
 CMMS/EAM implementation and optimization
 Lifecycle planning and reliability strategies

Risk & Resilience

Risk and resilience assessments
 Emergency response and incident planning
 Training, exercises, and preparedness support

Implementation & Operational Delivery

Continuity of Operations (COOP) and recovery planning
 Operational readiness & resource planning (Resource Typing)
 Program implementation and execution support

SDWA | AWIA | CWA | CAA | LCR | RCRA

Differentiators

Utility-Focused Expertise

Specializing in water, wastewater, and infrastructure systems.

Asset + Compliance + Resilience

Connects strategy across core utility functions.

Delivers Beyond Planning into Utility Operations

Proven execution beyond planning (CMMS, programs, operations).

Agile Small Business Partner

HUBZone, WOSB, EDWOSB; responsive and high-impact.

Value to Prime Contractors

Utility SMEs Across Compliance, Asset Performance & Resilience

Proposal Support & Compliance Alignment

Execution-Driven Delivery Across CMMS, Programs & Operations

Integrated Asset Performance, Risk & Resilience

Rapid Onboarding & Scalable Surge Support

Contracting Information

Company

SDZ Enterprise LLC

Certifications

HUBZone | WOSB | EDWOSB | DBE

Contract Vehicles

GSA Multiple Award Schedule (MAS)
 Contract No. 47QRAA26D001H

NAICS Codes

541620 | 541690 | 541611 | 541519

Rapid Teaming Engagement

SDZ strengthens prime contractor capture and delivery teams through:

Proposal-Ready Utility SMEs Aligned to Contract Requirements

Technical Proposal Support & Compliance Alignment

Implementation-Focused Delivery Across Utility Operations

Integrated Asset Performance, Compliance & Resilience

Rapid Onboarding & Scalable Surge Support

Fast to Engage. Proven to Deliver. Focused on Results.
