Dues

The recommended annual dues are \$45 per household. Our largest expense is mowing the median/esplanade which costs \$3,000 per year. At our Annual Meeting the majority voted to continue paying for the median upkeep. Our current balance is barely over \$3,000 so we need everyone to pay their dues so we can continue maintaining the median. If we run out of funds, we will have no other choice but to return it to the city and they only maintain it maybe twice a year.

Our goals are to address more landscaping needs, tree maintenance and sign maintenance.

You can pay dues on our website at holleyterrace.com via PayPal or print the form on the back of this newsletter and drop off/mail to the address noted. Thank you
