## “Keep Believing”

Julie questioned Grandma - - “Grandma will I ever be beautiful like you, have a husband and - -?” Grandma smiled and hugged Little Julie who was now at the age of 5 going on 6. “Little girls like you always grow up to be little princess’ and a handsome prince will someday come along and sweep you off your feet - right now you are my little princess. Just keep believing in miracles.” Julie hugged Grandma and ran off to play.

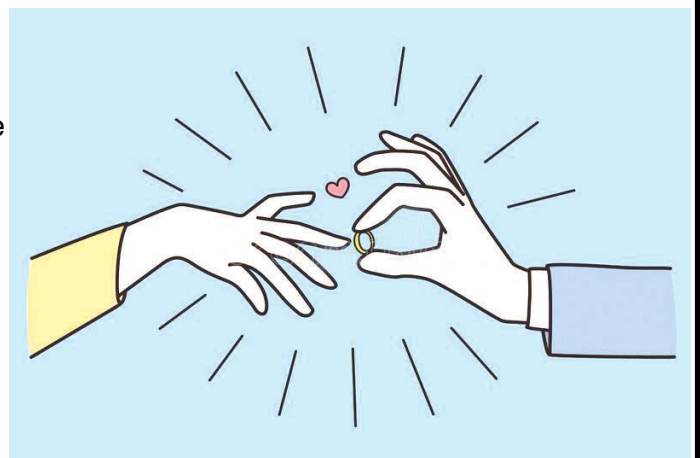

Julie grew in wisdom and - - something was missing. All her friends were getting married, but not her. “Why not?” she questioned Grandma. “Just wait,” Grandma would say, “The time is not right, it will come soon enough.”

Julie waited and one day - - he came into her life. Excited, as time went on she accepted his ring. Wedding date set - summer of next year. She received her ring, specially made from his and her Grandmothers rings. Both were deceased and the ring was to bring extra happiness. “It’s beautiful,” cried Julie as Dan placed it on her finger.

Wedding preparations were completed, all arrangements made, attendants, everything in place. “Time for a little fun,” said Dan one hot summer day - - swimming off the summer heat was just what they both needed. Laying on the bank, watching the clouds floating above - Dan said, “Julie what do you think our Grandmothers would think of us two?” “Julie smiled - about to answer - she screamed - - “My ring, my ring.” In the cool waters the ring had slipped from her finger - - gone.

Julie screamed, cried, Dan held her - - “It’ll be alright Julie - it’ll be alright.” “No, No, it won’t be, we’ve got to find it!”

Scuba divers were hired. Friends swam and searched but to no avail. Julie just cried. No one could console her. A new ring was placed on her finger but a part of her was missing. Seemed like the smile and energy she use to have had somehow disappeared. The magic

Grandma had talked about was no longer present. She no longer felt like a princess. Some how she blamed herself for loosing the most precious possession she ever owned.

Wedding plans continued - eventually winter past and next summer was soon upon Dan and Julie. Wedding date fastly approached. Everything in order, last minute preparations made. One last project to be completed - one she had promised her Grandmother she would never open until her wedding day. She was given a box by her Grandmother before she died. Her grandmother told her it was full of miracles that would help her thru her married life - - but she made Julie promise not to open it until her wedding day.

Taking out the box, excitement filled her body as tiny goose bumps formed - - she brushed off the years of dust, sat on her bed and opened the treasure - - a tiny note from Grandma, a pen and tiny note book for thank yous, a recipe - - each little thing was precious and special - then she wept as she saw what was on the very bottom - her ring - - and the words of Grandma etched in the bottom of the box - - just keep believing in miracles.

Your **choice** - - it’s just a story or miracles happen every day - we don’t know how, have no answers, but we believe in them.

## Regent Cemetery To Get Sign

The Regent Cemetery has  
been in place for many years  
but has never had a sign on it.

One is now being made for  
it and should be installed this  
summer. Many of our loved  
ones rest in this large flat area  
on the prairie about one mile  
east of Regent.

Most Catholics are on the  
east side and all other denomi-  
nations are on the west side.  
However, funding for material  
and labor is needed to get the  
project completed. If you have  
a family member in the ceme-  
tery, please consider sending a  
donation of any amount to City  
of Regent, Box 86, Regent, ND  
58650.

Please write "Cemetery  
Sign" in the memo space. Any  
excess amount will be used for  
cemetery maintenance. Any do-  
nation will be much appreciated.

## Teddy Bear Clinic planned for kids

Jacobson Memorial Hospital Care Center's three clinics will host a Teddy Bear Clinic on Wednesday, July 20, to introduce children to the clinics and their staff.

Children ages 3 to 8 years old are invited to bring their teddy bears to the clinics in either Elgin, Glen Ullin or Richardton to explore the local clinic, as their teddy bear gets a checkup.

The activity is designed to help children overcome their fears of doctor visits or routine medical procedures, and to introduce them to the clinic and staff, said Holly Gaugler, clinic nurse supervisor.

The Teddy Bear Clinic will be held from noon to 2 p.m. MT at both the Elgin Community Clinic and Richardton Clinic, and from 1 to 3 p.m. CT at the Glen Ullin Family Medical Clinic.

It is free to attend, and each child will receive a treat.

"We are excited about meeting the children and their teddy bears, and we hope parents take advantage of this opportunity to introduce their younger children to their local clinic and staff in a fun way," Gaugler said.

## Who's to say?

By Kathy Craig-Harteis

Who's to say why some are spared while one right next door will be uprooted and fall to the ground or even on a car or home.

The storm here last night did just that. We were lucky to have just lost branches and limbs, and have patio furniture blown around.

A drive around town this morning reminded us how blessed we had been in the 70-80 mph wind, heavy rain, lightning, thunder and hail.

Some of the beautiful old trees that have graced our town for so many years are gone. It is so sad to see the loss at our

beautiful parks.

My heart hurts for the folks that endured so much damage.

We went out today and saw a massive clean up taking place all over town. It's like most things here. People help each other.

There were city crews and also private citizens with trucks, trailers and equipment pitching in everywhere.

We had a family BBQ here earlier last evening. It was great for swimming, and visiting outside. Little did we know what was coming. This morning there were tree limbs and debris in the pool and the hot tub.

Thankfully nothing hit our cars. Tom just got a new car last week.

This has been a challenging year here weather wise. Even so, life is good here in Beach, North Dakota.

**Thoughts for the week**  
*by June Schmidt*

The Roots of the American Fair are most likely from the Latin feria, which means "holy day." The earliest fairs were days marked for leisure and religious celebration. Thought to have begun in the Roman Empire, the feriae were a series of religious days that were acknowledged and funded by the government.

1966 marked the first year of the official North Dakota State Fair held in Minot. Today the North Dakota State Fair is the largest event in the state, drawing an average of 300,000 people. The family-friendly event continues to be a showplace of pride for North Dakota, instituted on agriculture and youth development.

Our Hettinger County Fair will be coming up this week and although our county is not as large as what it used to be, the Hettinger County Activities Association is continuing to put on a good show. Year after year, despite the decline in the population and the struggle to find events and acts to come to a small community like ours, volunteers give of their time and talents to set up the best fair that they can. The 4-H clubs spend many hours on projects to show at the fair and hope for a judge that can recognize their efforts and talents and maybe they will come in and see the coveted blue ribbon on it. Animals that were chosen specifically for their perfection are purchased or raised from little, trained, combed and curried to show at the fair by young ranchers, hoping for a ribbon and a great premium sale. Winners can go on to the State Fair if they make the grade, and what a great result that will be.

Local gardeners cultivate their produce to submit the

biggest and the best of what they have raised, and possibly to beat out a neighbor or two. Woodworkers, quilters and crafters spend the whole year finding just the right project to display their talents and hoping for the judge to find theirs the one that gets the blue ribbon. If there is a craft that produces a product, it can be displayed at a Fair. If you have a desire to see something that you may never have seen before, it probably can be seen at a fair.

Then there is fair food. We simply cannot get as much in choices in our little county, but there is always a great meal put on by the Hettinger County Activities Association, so if you are even a little bit hungry, don't worry that will be taken care of as well. And of course you do need something to wash all that food down with. Pull up a bench and grab a drink, shoot the breeze with your family and friends and just people watch.

A demolition derby is part of our fair, and this year there are mower races scheduled. Free programs fill out the day, so even if you don't have a large pocketbook of money, bring the kids and enjoy the day. Check out the schedule and you may find a lot of things to do that may surprise you. Just because we are a little County Fair doesn't mean we are short on events, and if you don't check it out, it will be gone for another year and you will have missed out. Few events involve as many people as our fair does and its surprising how much really can be accomplished in such a short time. Thanks to everyone that does take the time to work on the Fair each year and I am sure we all hope they continue to do so. There is only one way to end this thought – See You All at the Fair!

### A Little Birdie Told Me

By: Vivian Hernandez

A Little Birdie Told Me: “Earl’s Bison Museum in Bison SD is Not Your Ordinary Museum.” As I promised last week my travels took me farther east on Highway 20 to Prairie City, Bison and Lodgepole, SD. I visited these towns because they are in our circulation area and often while we are stuffing papers someone will say, “Have you ever been to such and such a town?” I can honestly say, “Yes I have been to Bison, Prairie City and Lodgepole!”

The former residents of Strool, SD founded Prairie City in 1946: Strool is ghost town founded by Homesteader Benjamin Strool. Strool was best known for its thriving culture, baseball team, Jewish community and the practice of renting land rather than selling it. If you’re passing through be sure to look north to see the collection of railroad memorabilia.

Just a few short miles down the road is Bison SD. Bison has a proud sporting history displayed on three large billboards. As I drove through town I noticed a sign for a museum, what luck! Earl’s Bison Museum makes its home at the back of the Bison Public Library. Kallie Kronberg is the librarian and museum caretaker. The library has an active summer program and several local youth were taking advantage. Kallie opened the museum and I stepped into a

taxidermy zoo. Earl Engerbres-ton was the local taxidermist and started the museum on his ranch near Chance, SD. Earl’s career started at the age of 12 when he took a correspondence course. He opened the museum in 1954: in 1995 a year before he died he donated the collection to the town of Bison. The variety of animals is just incredible! All types of prairie wildlife including several raptors, large rattlesnakes and even a sloth!

Across the street on its original site is the Perkin’s County Historical Society Sod House: First House in Bison SD dated 1907: Built by Anna Carr. In an effort to preserve the sod house a steel building was constructed over it. Sadly this has had the opposite affect, the sod requires humidity to remain stable: Part of the foundation has started to deteriorate. The interior is well preserved with the Anna Carr’s family photos displayed.

Bison, SD has another claim to fame, it’s home to the last hanging in South Dakota on Dec. 3, 1913. A replica of the jail and gallows are on display at the courthouse along with photos of the: victims, sheriff, deputy and the murderer.

If you’re thirsty or hungry at the end of the trail the K Bar T is the place to stop. Located on Highway 20 it features a C-Store, Restaurant & Bar.

A Little Birdie Told Me: “You Never Know What’s Around the Corner Unless You Take the Time to Look.”

Lola Hedstrom Rites

Lola Hedstrom, age 70 of Bison, SD; passed away on Sunday evening, August 22, 2021 at the Sunset Care Home in Mandan, ND.

A get-together in Lola's memory will be held at the Bentley Building in Bison, SD, on July 30, 2022, at 1:30 pm.

When the Gertie and Hefty's second girl was born on May 31, 1951, she shared a birthday with one of Gertie's sisters, Lola, thus, her parents named the baby girl Lola in her honor.

Lola attended Fredlund School all eight grades, then graduated from Hettinger High School in 1969.

After high school, Lola started college at the University of North Dakota-Elendale Branch. Unfortunately, two of the main

campus buildings burned down in January 1970, and the branch closed in 1971.

Lola then attended Northern State University for a brief time working toward a degree in elementary education. She eventually moved back to Hettinger and worked at the Community Memorial Hospital. Her work was very confidential and one of the main events of her life occurred during that time, but her family did not know about it until a few years ago.

A gentleman posted a picture of himself on FB with the explanation that he was born in Hettinger and given up for adoption. He was looking for his birth mother. One of Lola's sisters saw the post and thought that the dates coincided with the time that Lola had worked at the hospital, so she tagged Lola.

Lola saw the post and realized that she was the person who held the baby when he was taken to the adoption agency in Bismarck. The gentleman eventually reconnected with his birth mother. Although he and Lola were never able to meet in person, he wrote a wonderful tribute to her after she passed away.

Lola eventually returned to college at Dickinson State University in Dickinson, ND, and graduated with a degree in elementary education. She started teaching as the kindergarten teacher in Bison, SD, taught second grade and first grade

(sometimes two grades in the same room) for 37 years.

Lola was a multi-faceted faculty member, serving as the cheerleading advisor for many years and was able to watch her group perform in Texas at the national convention. She was one of the IT coordinators for the school and spent many hours ensuring that the school's technology was up to date. She was the head negotiator for the Bison Education Association as the school went through both good and tough times financially.

Most important, Lola was a generous, loving, good-humored person. In one of the entries on her obituary page, a mother wrote, in part, "She was the first-grade teacher for five of our kids and we had many good laughs together over the years. She also graciously allowed me to bring kids to her house after school and on weekends so she could pull loose teeth which grossed me out to have to do."

She and her long-time friend sold tickets for basketball games, and she was able to visit with adults during that time. Lola loved to make scrapbooks and she and one of her sisters had a long-standing joke of who had the most paper, stickers, and materials with which to create the books.

Her high school class celebrated its 50th reunion in 2019. The husband of one of her classmates drove to Bison and brought her to Hettinger for the banquet. She stayed until the very end and then he took her home. She had a wonderful time.

She cherished her family and friends, and we all miss her.

Death Notice of Kenneth August Braun

Kenneth August Braun (74) of Bowman, ND passed away on

June 6, 2022 in Cowlitz County, Washington. Ken was born on April 14, 1948 in Bowman to Jack and Kathrine Braun. Ken married Kathy on September 28, 1976. They brought their families together with their children Terri, Mike and Kevin. Kortney joined their family on December 14, 1978. Ken's final child came much later with his dog Tyson. I think that all of his kids would agree that Tyson was his most spoiled.

Ken graduated from Bowman High School and enlisted in the US Army. During his years of service, he was deployed to Korea. Once he completed his service, Ken landed in Washington and worked for Fleetwood building manufactured homes. Then on to Indiana for a brief time for another manufactured home builder. They moved to Bowman, where he worked in the oilfields. They headed west to Kalama, Washington working as a mechanic and then back to Fleetwood until the business closed. Ken made his final move back to Bowman after Kathy passed away. He hauled mail as a contract mail carrier for the Amidon area. He retired as a contract carrier and his retirement job was at the Travel Center as the maintenance man. His last few years of "work" was spent doing projects he enjoyed as he worked alongside friends and family.

Ken was a proud Veteran continuing to serve and honor veterans through the American Legion. Ken was often the first to volunteer his time for ceremonies on Veteran's Day, Memorial Day and funerals. Ken's service to his community was displayed through many ways, but you would see him often behind the scenes with the Bowman Lion's Club. Whether it was a pancake benefit or the park needing some upkeep, Ken was there and ready to work. Ken shared his gift and love of woodworking. He volunteered to share this gift with friends, family, and their friends and basically anyone who asked for help. One of his last projects was a face-lift on the bathroom on hole 5 at the Sweetwater golf course. And yes, the bathroom looks pretty sweet. Speaking of golf, Ken and his brother Tom would often be seen early in the morning (but not too early) playing a round. Ken often in his golf cart while his brother Tom was walking alongside.

Ken's family was his pride and joy. He loved going to the Frontier with his grandkids for milkshakes. He spent a lot of time telling stories and enjoying drives to anywhere. The most important thing was time with family and simply being together. There were many memories during the annual event of driving to Medora and going to the musical. Ken enjoyed his time outdoors hunting, fishing, side-by-side journeys, golfing and watching his grandkids ride horses. For the deer hunters, Ken may not have always shot the biggest deer, but he was never late for the sausage making party. He was on the end of the stuffer as he would jump each time it poofed out a little air.

Ken leaves behind his children Terrilyn (Troy) Tivey, Michael (Jodi) Tivey, Kevin (Li) Braun, Kortney (Shane) Burpee and numerous grandchildren and great grandchildren. His sister Violet Jochim and brothers Jim Schaff and Tom Braun. Preceding him in death are his parents, his wife, Kathy of 31 years, daughter Kimberly, sister Mary Lou Buzalsky, brothers Gene Braun and Vic Schaff.

## Fun Run & Walk Had 132 Participants! Burkhalter's & Weinert's Are Speediest Families!

By Ted Uecker,  
WRHS Foundation

You read that headline correctly – 132 youth and adults joined our West River Health Services Foundation for our 34th Annual "Fun Run & Walk" around scenic Mirror Lake. And did the Burkhalter's and Weinert's ever come to run! Early the morning of July 4th, everyone gathered for the cool morning registration and visit, a prayer and our national Anthem, followed by a brisk 7:30am run or walk.

It all began with the Youth 1K Fun Run, where sixteen, 2-11 year olds gave it their all on the modified short course. Chase Geaumont sprinted to victory in 3:51, claiming the overall fastest youth runner award and winning the 9-11 year old boy's division! Justin Burkhalter was not far behind in 2nd overall at 3:58! Charlee Weinert crossed the finish line, winning the 9-11 year old girl's division in 4:42. Samuel Burkhalter won the boy's 6-8 year old group with a time of 5:05 and Maggie Weinert won first among the girl's 6-8 year olds, while having the overall fastest youth girl's time and overall 3rd fastest time of 4:11! And Burke Magnus (6:39) and Genevieve Burkhalter (5:07, not a misprint folks!) broke the tape first for the 0-5 year olds! Rozalyn Lindquist was our youngest overall 1K runner at two years of age! Of course, all of our youth are winners for participating and they all received really Fun Run & Walk t-shirts, plus way cool gray headbands with neon green "WRHS Fun Run" across the front. These headbands and t-shirts were designed by our hometown Graphic Attic!

The 3K Fun Run around Mirror Lake had thirty-one runners! Local Hettinger and Bison runners Peyton Tuhy and Esther Burkhalter were the Overall Fastest male and female runners! Peyton cruised around Mirror Lake with the overall title in 10 minutes, 2 seconds! Esther made the loop in 13 minutes, 7 seconds! Esther and her brother William Burkhalter (10:28) won the 12-16 year old divisions, as William had the overall 2nd fastest time; Ruth Burkhalter (16:35) crossed the tape first among the 17-29

year old females; Sean Weinert (13:25) and Ronda Schauer (15:20) ran the course to victory among the 30-49 year olds; and Todd Kiser, our Most Senior Male Runner, paced the 50+ year olds (13:53). Unfortunately, there were no female 50+ runners this year. Gear up for next 4th of July all of you 50+ ladies! Craig Tuhy, local ND Highway Patrolman and Peyton's father, won the Clydesdale award for the fastest 200+ pound runner (although as trim as he's getting, we might have to bring out a scale next year!) He circled the lake in 15:37. Other noteworthy times: Local runner Trevor Dailey was the 3rd fastest runner overall at 10:37; Kortney Schauer had the 2nd fastest female time of 13:19; followed by her sisters Kayla and Kelly, the overall 3rd & 4th fastest females at 13:27.

The eighty or so walkers took off shortly after the runners and enjoyed their scenic walk around beautiful and thank goodness, "more full than normal," Mirror Lake. Reed Jacobson was our Youngest Walker; Debbie Graves was our most Experienced Walker.

The Family with the most pre-registered participants were the Burkhalter's and Marion's. Plus, as part of our 1980's theme this year, Andrea and Lydian Kendall won our new Best Dressed 1980's Costume Award. They were both spectacular in their black "I Love the 80's" shirts, neon pink, orange, yellow, green and turquoise tutu's and gloves, with beads and hair accessories to match! Outstanding!

A Special Thank You to Dr. Josh Ranum for emceeding our event this year. As if he doesn't have enough to do! Plus kudos to Patty Ness, Bethany Erickson, Tammy Roso and Cindy Ham for their all-around terrific work at the event. And thanks to Bart Damjanovich for supplying the terrific 1980's music for the morning. And gratitude to Lutheran Church Pastor Selva Perainnan for sharing a prayer and Tammy Roso for her singing of our national anthem.

Our Fun Run & Walk also had a \$5 raffle ticket available via seven amazing sponsors gifting eleven prizes valued at \$2,650! The following names were drawn at the conclusion of the Fun Run & Walk event:

**Reflections on the Words of Life**  
*By Pastor Paul Ferrie, Grace Reformed Church of the Lord Jesus, New Leipzig*

We come today to one of the best-known chapters in the Bible, containing the account of Daniel in the lions' den. As chapter 6 opens, we see how the predictions made earlier are being fulfilled. We can recall Nebuchadnezzar's dream about the four-part image, representing four successive kingdoms. In chapter 6, we see the fulfillment of the transition from the first part of the image, the golden head of the Babylonian kingdom, now being succeeded by the chest and arms of silver which represents the Medo-Persian Empire.

But there is an added dimension here that we should not miss. For while the Babylonian kingdom has come and gone, Daniel remains on the scene, even with the coming of the new empire. Though Daniel is but a man, he is representative of the Kingdom of God. He illustrates for us here the truth that while the kingdoms of men and nations come and go, the Kingdom of God continues. While Daniel had lived under a Jewish king as a young boy, then under at least two Babylonians kings, and now a Medo-Persian king, he never stopped serving the King of Kings.

It must be incredibly difficult to take over a world empire. But that is the situation Darius found himself in. One mark of good leadership is the ability to recognize the need to surround himself with good helpers. We read in Daniel 6:1-2, "It pleased Darius to set over the kingdom one hundred and twenty satraps, to be over the whole kingdom; and over these, three governors, of whom Daniel was one, that the satraps might give account to them, so that the king would suffer no loss." The satraps are comparable to state governors, to rule the various provinces of the empire.

Darius appears to have been a judge of human character, realizing the potential for the 120 governors to use their positions for their own gain. Apparently, conditions in the Medo-Persian Empire were not very different from those that frequently exist in our own country today. Darius knew that in addition to needing help with ruling such a massive empire, he also needed a few good men who would be looking out for the best interests of the kingdom.

It is remarkable that Daniel should be chosen as one of the three overseers. He had been a high official of the Babylonian Empire. It was often the practice of new rulers to imprison, exile, or even kill certain key officials of old administrations, to make it clear that the new administration demanded complete loyalty. Verse 3 tells us why Daniel was chosen: "Then this Daniel distinguished himself above the governors and satraps, because an excellent spirit was in him; and the king gave thought to setting him over the whole realm." Daniel had "an excellent spirit." He was a man of impeccable character. He could not be bribed or bought. Daniel's character and practice provide us with a good model of the kind of men we ought to be looking for to hold public office. Furthermore, he represents the kind of person every believer in the Lord Jesus Christ should seek to be.

I want to make it clear, though, that it is not impeccable character which makes a person a Christian. The Christian is one who has trusted only in the Lord Jesus Christ to make him or her right with God. God's Word tells us that when one places his trust in Jesus Christ, he is given the perfect righteousness of Christ as a free gift. 2 Corinthians 5:21 tells us, "For He made Him who knew no sin to be sin for us, that we might become the righteousness of God in Him." The sins of every believer were placed on the Lord Jesus Christ, and He bore the penalty for them on the cross. In exchange, every believer receives the perfect righteousness of Christ. Living a righteous life as Daniel did is not the MEANS of becoming a Christian, but the RESULT of becoming a Christian, as one grows in grace and in the knowledge of Christ. It is very important not to get the cart

**Cloud Seeding Operations Summary For July 4 - 10, 2022**  
BISMARCK, N.D. - Several rounds of thunderstorms last week brought two to three inches of rainfall to southwestern North Dakota. A total of eight operational flights for either hail suppression, reconnaissance, or repositioning were flown on July 4, 7, and 10 in the Bowman and Slope County project area. Due to wet conditions, rain enhancement operations were suspended in the project area last week and will continue under suspension for this week. Drier conditions and above normal high temperatures in the 90s are forecasted for most of this week in southwestern North Dakota as an upper-level ridge builds into the western U.S. Radar facilities in Bowman operate around the clock during the NDCMP. Radar images can be viewed on the Atmospheric Resource Board's web site at <http://www.swc.nd.gov/arb>. The NDCMP will continue through the end of August.
