“Jim come here - listen - maybe we could go!” Jim about ready to step out into the cold winter day, stopped - “Not now, later as soon as I’m finished feeding cattle - I’ll be back” and out the door he went. Joan, went about cleaning breakfast dishes, to waiting patiently for the new baby to awaken. Excited, the baby had come early, but still a little apprehensive about being alone, way out in the country, roads blocked, she tried to take things in stride - -. Eventually the snow would be gone and she could move back into civilization - - for now - - she went back to the letter.

Dear Family, haven’t been together for - - about 4 years so decided in two years lets plan a big one -- if you start planning now -- it will be a big one - - family and city reunion - - date set - please respond.

Joan thought of all her cousins, aunts, and uncles, Since Mom and Dad passed away haven’t been connected to anyone. My how time flies, and her mind began playing tricks on her - - what if, maybe won’t work - - 2 years - - and the list progressed until the baby brought her back to reality.

Feeding, bathing, down for morning nap. Jim came in, covered with snow - - “Done for now - - what about better?”

“Two years - - we’ll plan on going - - that is if snow ever quits” and he laughed.

**Time** went by like speed of lightening - - week finally arrived - - packing - - think I have everything and buckling baby into car seat they were off.

What a celebration, jumpers, car show, cotton candy, dancing, 3 days of hugging, reminiscing, meeting new cousins, new babies - -. Exhausted and **time** to leave Joan reached out for their two year old - - gone - - “Jim” she screamed. “Jim - - where is baby - - but before she could finish her sentence you could tell - - baby was not with Jim - frantic they ran from one group to another. No one had seen baby - - “I only turned away for a second,” she cryingly told Jim - - “weren’t you

watching her?” - - “No, thought you were.”

Police were called - - announcement was passed, posters put up - no one had seen Baby - - they called her Baby because - - well nick names just seem to stick. Search group was organized, every corner, every inch of space was covered.

Food was prepared for searchers, teenagers took the night shift. Every garbage can every dumpster was checked. Every house was gone thru with a fine tooth comb - - every person, even those in wheel chairs searched. She had to be someplace. Not one car was allowed to leave, roadblocks were set up the moment of her disappearance.

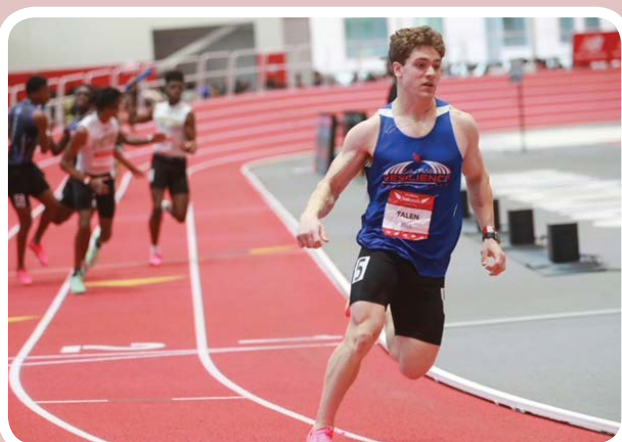

Nothing, no one could find her. City meeting called. Chief of Police spoke - - we are exhausted and if and when we find her, don’t you ever, ever, let go of her again. You hang on so tight that your fingers hurt - - make sure you never loose her again - a noise interrupted - - everyone looked and little baby walked into the crowd.

Cheering filled the streets - - no one found her - - she found them but before the story ends - Chief of Police questioned. “By the way - what is Baby’s real name - -. Joan answered as she hung on - - “Baby’s real name is

A Little Birdie Told Me

By: Vivian Hernandez

A Little Birdie Told Me: "When Life Gives You Lemons Make Lemonade."

Madison Kirschmann a student at New England Public School will earn her Associate of Arts Degree from Dakota College at Bottineau on May 12, 2023 and her High School diploma on May 21, 2023. Madison has taken several dual credit courses in English, Science, Math and Psychology over the past couple of years and has over 60 college credits to prove it. Madison took 2 classes in her Sophomore year and got much more serious about it during her Junior and Senior years.

Madison plans to pursue a doctorate in physical therapy; she will attend University of Jamestown for two years and complete her doctorate at the University of Jamestown, Fargo Campus. Madison became Interested in physical therapy when she tore her ACL.

Madison lives on a farm southeast of New England with her Parents Terry & Melissa, she has twin older brothers, a sister and one younger brother. Madison and her family plan to travel to Bottineau where she will receive her College Degree on May 12th.

A Little Birdie Told Me: "God Can Take Something Bad and Make Something Great!"

## Reflections on the Words of Life

by Pastor Paul Ferrie, Grace Reformed Church of the Lord Jesus, New Leipzig

We come today to Jonah 3:2, where God graciously gives Jonah a second chance to obey His command: "Arise, go to Nineveh, that great city, and preach to it the message that I tell you." God repeats the instructions given to His prophet in Jonah 1:2, for God's plans are not thwarted by man's disobedience. The command is very specific here. Jonah is to preach exactly, and nothing else but what God tells him to preach. He is not to go and give personal views or assumptions. Ambassadors, which preachers are, do not bring a personal message but the message on behalf of their king or the country they represent. The preacher is to be a herald for the message of King Jesus, and this is just what ALL preachers are to do. Our message is to be the word of God and not man's wisdom. Note what Paul tells the Corinthians about his preaching to them in 1 Corinthians 2:1-5: "And I, brethren, when I came to you, did not come with excellence of speech or of wisdom declaring to you the testi-

mony of God. For I determined not to know anything among you except Jesus Christ and Him crucified. I was with you in weakness, in fear, and in much trembling. And my speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power, that your faith should not be in the wisdom of men but in the power of God."

Like Jonah, Christians have a message for the nations which has greater potential to help our troubled world than all the proposals of all the politicians put together. And Jonah's message must now come out of the context of his own recent experience. For he has just been forgiven of blatant, gross disobedience. Now he must tell the Ninevites that they, too, can be forgiven. In other words, Jonah cannot separate his message from his own testimony that God forgives and restores those who repent.

In the same way, believers in the Lord Jesus Christ must remember that we are but forgiven sinners, just beggars tell-

Yearling Gelbvieh bulls for sale by private treaty.

3-4,11,18,25

ing other beggars where to find bread. We must let people know that God's love and forgiveness are being freely offered through Jesus Christ because on the cross He fully paid the price for all the sins of all God's people.

Jonah has come out of his three days in the temporary tomb of the great fish to preach the message of repentance. And we know that this is a picture of the One whom we are to preach. After three days in the tomb, Jesus burst forth, proving Himself to be the Son of God with power, proving that His pay-

ment for sin was sufficient and complete. Now we can declare His work of providing forgiveness for those who like Jonah, and like all of us, fail and repent. As we read in Acts 4:12, "Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved." Oh, Friend, please be sure that your trust is in Christ alone for the salvation of your eternal soul. Nothing else can restore sinful man to a right relationship with the holy God.

## Prayer

### Prayer to the Blessed Virgin (Never Known to Fail)

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me you are my Mother.

Oh Holy Mary, Mother of God, Queen of Heaven and Earth. I humbly beseech you from the bottom of my heart to succor me in my necessity (make request).

There are none that can withstand your power. O Mary, conceived without sin pray for us who have recourse to thee (three times).

Holy Mary, I place this prayer in your hands (three times).

Say this prayer for three consecutive days and then you must publish and it will be granted to you.

Grateful thanks.

Charles F. Whitney, D.C.

ENOUGH already! This snow thing is really becoming a hard pill to swallow. Besides my dog disappearing into a snow drift, every law enforcement officer knows that when a long, cold winter finally ends, like werewolves on a full-moon night (also true by the way), all heck breaks loose when the snow finally melts and people have had enough of their cabin fever. My wife says that my stories about this, over the last 35 years in law enforcement, are "funny" but, I don't really understand the humor of one person finally popping their cork and taking it out on someone else. So, let's all keep our fingers crossed that winter is finally over, take the time to be courteous to each other and, get ready for school to be out, the pool open and warm weather again!

One of the great things about this area is that you're close to recreation including swimming, bowling and trips to the park for the kids. And, this evil blowing snow will (as it always does) end sometime here pretty soon.

Have a great Lenten season through April 6th and, enjoy the resurrection of our Lord on Easter (April 9th this year) with your family! It's good to live in southwest North Dakota.

A Negative MIND Will Never GIVE YOU A positive LIFE

You ever know . . .

By Kathy Craig-Harteis

I watched two Oscar notable movies this week.

We had more snow so I had time to snuggle in for a while.

The movie "Elvis" moved my heart. I've been a life long fan of Elvis and it makes me sad to know his struggles.

Watching the film I realized if the film was true, I had been in the show room at the International Hotel when deals were being made that would be the beginning of the end for him.

We were among the fans watching this multi talented singer, feeling blessed to hear him and not knowing how he was struggling.

You never know what's happening to the people around you.

"The Whale" with Branden Fraser was the other movie I viewed. Dark, but excellent. I could see why it earned for him the best actor award.

My Bible study this week has focused on that we are fearfully and wonderfully made.

In "The Whale" the character struggles with extreme obesity and emotional turmoil. He hides from the world only allowing a few people to see him. Yet he manages to live with purpose for others.

I have battled my weight most of my life. Even when I

was thinner I still saw that fat girl in the mirror. She's always there.

But my lesson this week reminded me to remember that God's work in my life is marvelous. I am fearfully and wonderfully made and have a purpose. I'm going to focus on that.

Life is good today.

## NDSU Extension Hettinger County offering Garden Forums

Do you want to grow a beautiful yard and garden?

NDSU Extension Hettinger County offered the first series of the Spring Fever Garden Forums on Monday, March 20th. There are three more forums to be held on March 27th, April 3rd, and April 10th. The forums are held in the evenings, from 5:30 to 7:30 p.m. MST on the 2nd floor of the courthouse in Mott, and are open to all interested gardeners.

Garden Forum 1 was Vegetables & Soil. Topics discussed were "How to Grow Mouthwatering Melons" by Don Kinzler, "Nitrogen in Your Garden" by Carrie Knutson, and "The Dirt on Soil: Why Soil Structure is Important for Happy Plants" by Emily How.

Those that missed the first forum and would like to listen to the recording or get a copy of the materials covered, please contact the NDSU Extension Hettinger County office.

Topics for the remaining forums will be:

Garden Forum 2: Flowers & Fruits. "Making a Monarch Conservation Garden", "Hardy Pears at the CREC", and "Growing Apples in North Dakota."

Garden Forum 3: Biology & Technology. "Monarch in My Garden", "Technological Advances in Plant ID", and Sprayable and Biodegradable Mulches."

Garden Forum 4: Small Spaces & Trees. "Container Gardening", "A Tight Fit: Adding

Edible and Other Space-Saving Landscape Plants", and "Environmental Stresses on Trees."

"This is a great opportunity for gardeners to learn about the latest research from NDSU," says Tom Kalb, NDSU Extension horticulturist. "They can watch live presentations and ask their questions to the researchers and Extension specialists."

Free seeds will be distributed at the live sessions. Approximately 800 gardeners participate every year. The forums are free.

For more information please contact the NDSU Extension Hettinger County office at 824-2095.

If you are not willing to risk the unusual, you will have to settle for the ordinary.

## BOWMAN COUNTY, NORTH DAKOTA LAND FOR SALE

The following described real estate is being offered for sale by Brad M. Ridl and Amanda E. Ridl by sealed written bids:

BOWMAN COUNTY, NORTH DAKOTA  
TOWNSHIP 131 NORTH, RANGE 102 WEST of the 5<sup>th</sup> P.M.  
Section 14: A tract of land located in the NW1/4NW1/4 described as follows: Beginning at the Northwest corner of said Northwest quarter; thence N89°54'55"E, along the North side of said quarter, a distance of 478.57 feet; thence S00°05'05"E, perpendicular to said North side, a distance of 40.00 feet to the Northeast corner of a tract described in document 146107, this being the point of beginning; thence N89°54'55"E, parallel to said North side, a distance of 370.00 feet to the Northwest corner of a 3.00 acre tract; thence S00°05'05"E, perpendicular to said North side, a distance of 300.00 feet; thence S89°54'55"W, parallel to said North side, a distance of 425.73 feet to the East side of the tract described in document 146107; thence N10°26'21"E, along the East side of said a tract described in document 146107, a distance of 305.13 feet to the point of the beginning. Contains 2.74 acres m/1.

This property lies South of Frontier Travel Center, West of Dickinson Ready Mix, and East of North Winds Lodge

Conditions for sale are as follows:

- Seller reserves the right to accept or reject any and all bids and the right to modify all sale terms.
- For questions or additional information, and to obtain information packets, contact Steve Wild at (701).523.3112.
- Written sealed bids shall be submitted to WILD & WEISS LAW OFFICE, P.C., PO Box 260, Bowman, ND 58623. Said bids will be accepted until 4:00 P.M., MST, Friday, March 31<sup>st</sup>, 2023.
- Seller hereby EXCEPTS and RESERVES 100% of all oil, gas, coal, and all other minerals now owned by Seller together with the right of ingress and egress at all times for the purpose of mining, drilling, exploring, operating and developing said lands for oil, gas, coal, and all other minerals and storing, handling, transporting and marketing the same therefrom.
- The sealed envelope shall be marked "Bid - Ridl Property," and shall include the telephone number of the Bidder.
- Bidders shall be notified of the high written bid and all bidders shall be given the opportunity to orally raise their bid at a later date to be determined by Seller.

## PLAINS Ag LLC

FOR THOSE WHO DEMAND MORE

### Service Technician —Bowman, ND

### Sign on Bonus - (Up to \$20K)

Give us a 1/2 hour of your time, it may change your life!

Plains Ag LLC/West Plains Inc., a certified Case IH dealer in Bowman, ND, is looking for a top notch individual to perform quality maintenance and repairs on all types of agricultural equipment. This position will be part of our team of people responsible for maintenance, repair, and reconditioning of farm equipment by the use of electronic diagnostic tools, electronic parts catalogs, service manuals and other sources of information and materials.

Candidates should possess good people skills, good communication skills, time management and organizational skills. Qualified applicants will also need a positive attitude, be quality and customer service oriented and have their own tools. Candidates must have physical mobility including being able to lift up to 60 pounds unaided, have the ability to stand for long periods of time, and be able to manage different environmental smells, as these are all required for the position. Position offers guaranteed hourly wage and full benefit package; wage based on experience.

Plains AG is a Value's led company. We offer competitive wages, 401k retirement plan, health insurance, dental insurance, vision insurance, short-term and long-term disability insurance, life insurance, tool allowance, paid vacation, personal leave days, eight paid holidays and job training. We also have education reimbursement (ask for details, certain restrictions apply).

Applicants must be able to meet and maintain insurable driving status and pass pre-employment drug testing.

If you are ready to work in a great environment with great people,  
email your resume to [hr@plainsag.com](mailto:hr@plainsag.com)

### Thank You

*The family of Terry "Chops"  
Keller would like to thank  
those that sent flowers,  
cards, phone calls, hugs and  
memorials. Thank you to West  
River Healthcare and staff, Dr.  
Adams and staff at Southwest  
Healthcare, and a special  
thank you to Trevor Kulseth  
for your caring ways. A special  
thank you to Mike Monson  
for the spiritual guidance you  
shared with Terry. And last, but  
not least, a heartfelt thank you  
to Terry's friends, for the visits  
and shared stories. Terry's  
unique personality will be  
missed...*

## Western Frontier Insurance Sponsors The Edge Project

Bowman, ND, March 16, 2023. This past year the Bowman Parks and Recreation Board has secured a building, a bond, and renovated the previous Shopko/Alco building located at 320 Highway 12 East. This project is called The Edge - Bowman County Activity Complex and it opened its doors to the public in January 2023. The board launched a sponsorship

campaign and Western Frontier Insurance has generously donated \$10,000 for the Edge Project as a GOLD Sponsor. GOLD sponsors have naming rights to the room(s) they sponsor, they will receive their name on a Donation Plaque. "Western Frontier Insurance came up with a clever way to sponsor the project by placing a skin on the restroom doors. This makes a huge difference in the appearance of the doors and it is also a great way for their business name to be seen," stated Director Chanell Walby.

Bowman Parks and Rec-

reation serves the wellness and recreational needs of our tri-state area by providing community facilities and progressive programs across the generations. By using an existing building in our community we are helping to reduce construction costs, inhabit vacant structures, bring people to town to both work and play, and we are reaching our mission. We thank the community for your support of this project, which will contain an adventure park (trampolines, indoor two-story playground, ninja course, climbing wall, obstacle course, dodgeball court, and dunk hoop), multipurpose court, dance/exercise room, racquetball court, cardio/weight room, party/meeting room and lounge, and a walking track.

Please contact Chanell Walby, Director of Bowman Parks and Recreation if you have any questions or are interested in sponsoring the Edge Project or any other projects. 701-523-3896.

Small acts of kindness will make a difference in your community.

## Spring Help Wanted Competitive Pay Full & Part Time Positions Available

**Scranton Equity Agronomy** is looking for qualified help to span our busy spring season. Full and Part Time Positions available. The spring field work season varies from the middle of March and continues through the middle of June. Of particular interest will be candidates who hold a current CDL license. Positions to fill will vary including operating application equipment, tendering product to the farms or fields, unloading or loading fertilizer and chemicals, general yard work to facilitate operations and providing service to customers throughout. Due to the seasonal time frame, pay will be competitive and based on the candidate's experience and qualifications.

Scranton  
Equity

Interested candidates should contact  
Central Office at 701-275-8221  
Phil Sulzman Office: 701-275-8124  
Cell: 682-351-9626

## Grant County Water Resource District is seeking quotes for the caretaker position at Sheep Creek Dam.

This is a contracted position for the camping season,  
May 1, 2023 through September 9, 2023.

Duties include grounds and building maintenance.

For a detailed list of duties, please contact Julie Levorsen, secretary treasurer, at 701-584-2354 or email: [jltax@westriv.com](mailto:jltax@westriv.com).  
Deadline for quotes is April 15, 2023.

#### Bowman Parks And Rec Recognizes Edge Sponsors

Bowman, ND, March 15, 2023. This past year and a half the Bowman Parks and Recreation Board secured a building, a bond, a renovation of the Shopko/Alco building located at 320 Highway 12 East, and opened to the public in January of 2023. The project is called The Edge - Bowman County Activity Complex. The board launched a sponsorship campaign and Nodak Insurance Company and Mendoza Plumbing have given donations toward the project. "Without our local businesses, this project would not have been able to be completed. We are so grateful to Mendoza Plumbing for the restroom floor tiling and Nodak Insurance for their very generous donations," stated Director Chanell Walby.

Bowman Parks and Recreation serves the wellness and recreational needs of our tri-state area by providing community facilities and progressive programs across the generations. By using an existing building in our community we reduced construction costs, inhabited a vacant structure. This venue is already bringing visitors to town, providing an excellent facility for our residents to be healthy, and we are reaching our mission. We thank the community for your support of this project, which includes an adventure park (trampolines, indoor two-story playground, ninja course, climbing wall, obstacle course, dodgeball court, and dunk hoop), multipurpose court, dance/exercise room, racquetball court, cardio/weight room, party/meeting room, E-Sports Lounge, and a walking track.

Please contact Chanell Walby, Director of Bowman Parks and Recreation if you have any questions or are interested in sponsoring the Edge Project or any other projects. 701-523-3896.

#### Maths Teaching Made Easier

As ex-teachers Will and Guy get the feeling that education is increasingly becoming dumbed down and the teachers are working harder than the pupils. Take this history of maths down the years.

##### Teaching Maths in 1962:

A logger sells a truckload of lumber for 100 pesos. His cost of production is 4/5 of the price. What is his profit?

##### Teaching Maths in 1972:

A logger sells a truckload of lumber for 100 pesos. His cost of production is 4/5 of the price, or 80 pesos. What is his profit?

##### Teaching Maths in 1982:

A logger sells a truckload of lumber for 100 pesos. His cost of production is 80 pesos. Did he make a profit?

##### Teaching Maths in 1992:

A logger sells a truckload of lumber for 100 pesos. His cost of production is 80 pesos and his profit is 20 pesos. Your assignment: Underline the number 20.

##### Teaching Maths in 2002:

A logger cuts down a beautiful forest because he is selfish and inconsiderate and cares nothing for the habitat of animals or the preservation of our woodlands. He does this so he can make a profit of 20 pesos. What do you think of this way of making a living? Topic for class participation after answering the question: How did the birds and squirrels feel as the logger cut down their homes? (There are no wrong answers.)

# Think of what you can do with what there is.

## WORDSMITH

I don't want to bore you to tedium. Surely the word is an oxymorism because it comes from the Latin word TADIOSUS (long) We would say 'long winded' but it isn't you, the listener who is long winded. It's the talker. You know about the person who talks all day but never says anything? That's when tedium sets in.

My father could stand out in a gale force wind with the combine and the tractor running and carry on a conversation with three men without missing a word. But when he came in the house and my mother reminded him that his back account was over-drawn, he couldn't hear a word she said. That's called 'selective hearing.' When it becomes nagging, it's called 'tedious'; tiresome, wearisome or monotonous. I used to know a

man who never missed going to church...and snored through the whole service. He and his Mrs. had several children. When he was counseled by a well-meaning elder, his wife defended him saying there was so much noise at home that he could only get caught up on his sleep at church where the preachers monotone soothed his nerves.

To children, all parents are tedious. I mean, how many times can you tell a child to wash his hands before it becomes tedious to his dirty ears? He goes on mute. Maybe it would work better if he was told that his food would be withheld until he washed his hands. He would probably mope in mute.

In a court of law, the accused may 'stand mute'; that is, refuse to plead guilty or not guilty. There are always circumstances that cannot be answered

'yes' or 'no', but the judge and the lawyer will not accept any other answer but 'guilty' or 'not guilty, so the accused chooses to 'stand mute'. His refusal to answer is not like the person who can't answer because he is a 'deaf mute'. He has made a point (Latin: miticus) that speaks louder than words. In a round about way, this silence is and X-cuse.

To me, housework is tedious. I can think of so many things that are more interesting than house work which reminds me of the word 'house wife'. Now that's a misnomer if I ever heard one. You are filling out some legal form and it asks for your occupation. Housewife. When you got married, you became 'his wife'. You didn't marry the house, did you? One definition under 'house' is 'house knee'. It is an inflammation of the kneecap caused from excessive bending.

(Incidentally, the majority of tools sold to alleviate 'house knee' are invented by men.)

I have a niece who writes romances. We call them 'the bored housewife's syndrome'.

She told me that her publisher sends her an outline for the story they want her to write. The story can only have six characters. (What if all the people in your life amounted to six.) Tedium." None of the characters can have names that are similar or start with the same letter. (All my children have names that start with J.) That would not be tedious, it would be what most parents do. My neighbor and her sisters all have 'D' names.

Chapters can only take up three pages. The book can only have 192 pages. You are not allowed to use compound sentences. All stories begin when two people meet who are about as compatible as snake and a mouse. All stories end with 'happy ever after' and life's not like

that. Yet, only cookbooks outsell romances. Some people are addicted to tedium.

Being a good listener was something that I learned as a child in a country school where kids from age 6 to 12 all studied together in the same room. In later life, it became an asset. Then I took shorthand (which is another language). I listened and I was always on the honor roll. You don't know the meaning of tedious until you sit in a class where a bored professor speaks in a monotone for an hour and doesn't tell you a thing that has any value.

This is an opinion...When

a person talks about the same subject until it becomes tedium to him, he begins to leave out that which he knows so well that he thinks his listeners will learn it by osmosis. The best teachers are also the best learner. Jesus said, 'The student is not greater than his teacher.' The greatest compliment I ever had as an instructor was when a student said to me, 'I learned more from you in 30 minutes than I have learned for a year in my other classes.' A different student said to me, "When I get old, I want to be just like you. You are never boring or tedious.'

## Active Parenting: 5-12 Years

ENJOYING AND ENHANCING YOUR CHILD'S SCHOOL-AGE YEARS

Helping parents of kids ages 5-12 raise responsible, cooperative children who are able to resist negative peer pressure and thrive.

- Be **ACTIVE** rather than **REACTIVE** with challenging behaviors.
- Reduce blocks to communication and enhance family respect.
- Diffuse power struggles. Get more cooperation with fewer orders.
- Motivate positive behaviors. Increase responsible actions.
- Use effective consequences related to the choice a child makes.
- Encourage and equip children to be the best they can be!
- **Childcare available.**

Thursdays, April 13, 20, 27, May 4  
Session: 6:00-7:30p.m.

# Family is not an important thing. It's everything.

## Kent Gordon Kromarek Rites To Be Held

Kent Gordon Kromarek passed away peacefully on Sunday, March 12, 2023.

Born to Frank and Inez (nee Simonson) Kromarek on April

24, 1944. Kent was raised on a cattle farm in Scranton, ND, with his five siblings:

Daniel (Dwynne), Janice (Butch) Patterson, Larry (Sharon), Wayne, Bonnie (Daniel) Dacar, David and Karen. After graduating as high school class president in 1962, Kent graduated from the South Dakota School of Mines and from the University of Wisconsin-Milwaukee for graduate school, where he met his beautiful wife of 52 years, Mary (Steiner). Kent and Mary moved to Whitefish Bay in 1974, where they were blessed with three dearly-loved, smarty-pants children: Kassia Fultz, Andrew (Lauren) and Carey (Joel) Courtney; five genius, beloved grandchildren: Jacob,

her siblings and working on the family ranch.

Marian was baptized and confirmed in the Lutheran Church. She attended Norbeck Country School for 1st-8th grade, was a 1954 graduate of Buffalo High School, and attended Rapid City Business School. Marian then worked for Donn Bennett after graduation, she also worked at the Bowman Livestock Sale Yard for Bob Penfield.

Marian was united in marriage with Francie (Fred) Giannonatti on December 25, 1955 at the Emanuel Lutheran Church. Marian and Francie lived in England for the remainder of Fred's Service tour. They then came back and lived at the Vern Hungerford place until they moved to their current ranch (the former Andrew Giannonatti place). They would welcome daughter Deb in 1959 and son Lane in 1961.

Marian was the true definition of a ranch wife. She milked cows by hand, lambed, calved, farrowed, mowed, swathed, raked and bucked hay. She was also a wonderful cook, and many meals with numerous people were shared at her table. She was very active in helping plan meals for numerous community events. It was often said she could make a sandwich taste like a gourmet meal. Marian made thousands of cookies over the years with the number one favorite being her special chocolate chip cookies. While being a wonderful ranch wife, mom, and grandma, Marian also made time for a very large garden which always got lots of compliments from visitors. Her green thumb was never ending with her rows and pots of beautiful flowers which she thoroughly enjoyed.

She was also an excellent bookkeeper and organizer. She instilled great bookkeeping skills in her grandkids. Three days before her passing, she informed her kids "you know my March Social Security check needs to go back!" She was always on top of bookwork and kept business running smoothly. Marian was a very optimistic person and while in the hospital she said (as Deb and Lane were freezing) "You know one good thing since I have been in the hospital is that I haven't

been cold!" She saw the good in everyone and her motto was if you don't have something good to say-say nothing at all! Marian lived life to the fullest and had a plaque in her house that she followed until the very end "Let Your Life Speak!"

Marian is survived by son Lane (Ludlow) and daughter Deb and son in law Dale Turbiville (Buffalo), 3 grand kids: Spring (Kelly) Padden, Chance (Ryanna) Turbiville, and Trent (Sydney) Turbiville, 9 great-grandkids: Kaylen Padden, Sylvia Turbiville, Sofia Turbiville, Kaydy Padden, Denton Turbiville, Dempsey Turbiville, Ridley Turbiville, Giavana Turbiville, and Graylee Turbiville, 1 sister June Smith, 3 sisters-in-law: Dixie Smith, Myrna Wagner and Fern Giannonatti, 2 brothers-in-law: Dale Robinson and Dean Wagner, Nieces: Kathy Schaack, Bev Bouldin, Kelli Robinson, Brenda Frieze, Net Slaba, Nephews: Mike Smith, Kevin Robinson, Kirk Robinson, Tim Smith, Ray Smith, Allen Smith, and Brian Sarsland, and numerous other cousins and friends.

She was preceded in death by her husband Francie, great grandson Janson Turbiville, parents Ray and Elsie Smith, brothers Rayford, Donnie (Midge), Jerald, Darrell, Dell, sisters: Margaret Robinson, Barb (Bill) Sarsland, her in-laws Fred and Ann Giannonatti, brother-in-law: Ronnie Giannonatti, sister-in-law: Mabel Giannonatti, nephew: Scot Giannonatti, niece: Tammy Smith.

Suggested memorial donations to the Ludlow Hall, Ludlow Volunteer Fire Department or charity of your choice.

## Goldie F. Schaaf Rites Held

Goldie F. Schaaf, 93, of Bowman, ND, passed away on March 13, 2023, at the South-

west Healthcare Nursing Home in Bowman.

Funeral Service for Goldie were held on Friday, March 17, 2023, at 1:00 p.m. at the Bowman Lutheran Church in Bowman. Pastor Charles Johnson officiated with a burial that followed in the Bowman Cemetery. Visitation was on Thursday, March 16, 2023, from 12-9 at the Krebsbach and Kulseth Funeral Home Chapel.

Goldie Florence Susag was born on October 20, 1929, in Rhame, ND, the daughter of John and Olida (Reiersgaard) Susag. Goldie was raised on the family farm south of Rhame and she attended grades 1-8 at Nebo Grade School and then graduating from Bowman High School in 1948. Goldie was

united in marriage to Myron Schaaf on June 22, 1949. After their marriage they made their home on the Schaaf family ranch where they continued to live until retiring. They then moved into Bowman. Goldie was active in the Bethany Lutheran Church for years. There was always a cup of coffee and a homemade cookie or bar when anyone came over. Goldie worked side by side with Myron on the farm. After retiring, Goldie and Myron enjoyed traveling and wintering in Texas. They also enjoyed a good trip to Deadwood occasionally. Goldie was always reading a book, magazine or paper. She never stopped reading all the way til the end. Most of all she loved her family, especially her grand and great grandchildren.

Goldie is survived by her son, Wade (Janet) Schaaf of Bowman and their daughters; Heather (Royce) Salzsieder of Bowman and their children; Brodey and Adyson and Casey (Chance) Lermen of Reva, SD, and their children; Kaylee, Collin and Crosby. Daughter, Melody (Dean) Pearson of Bowman and their sons; Michael Pearson of Bowman, Todd Pearson of Bismarck and Jeffery Pearson of Bowman, brother-in-law, Harold Schuh and sister-in-law, Peg Boyce and numerous nieces and nephews.

Goldie was preceded in death by her husband Myron, parents, John and Olida Susag, brothers, Eddie and Millin Susag, and sisters, Jeanette Arlt, Fran Shila and Delores Schuh.

## Believe in the Magic of Faith

### David Allan Schwartz

#### Rites To Be Held

David Allan Schwartz, 60, Flint, MI, (formerly of Mott, ND) died December 15, 2022 in Holly, MI at Mission Point of Holly Nursing Center.

ly, MI at Mission Point of Holly Nursing Center.

Mass of Christian Burial will be held at 10:30 am MT, Saturday April 1st, 2023 at St. Vincent's Catholic Church in Mott, ND with burial at Sunnyslope Cemetery in Mott when weather permits.

Visitation with family will be one hour before service. Fr. Chris Kadrmas will officiate.

David Allan Schwartz was born on March 22, 1962 at Sanford Hospital in Farmington, MN to James and Patricia (Maercklein) Schwartz of Lakeville, MN. He was the unexpected bonus baby weighing 3lbs. 14 oz., 17 1/4" and about half the size as his older by two minutes twin brother Kenneth Dean, who weighed 7 lbs. 9oz., 19 1/2".

In September 1968, the family moved to Mott, ND, childhood home of parents Jim and Pat. David attended Mott Public Grade School grades 1-4, St. Vincent's Catholic Grade

School grades 5-8, and graduated from Mott Lincoln High School in 1980. He and twin Dean, though identical, had different interests but always shared the twin telepathy connection both in mind and body.

David joined the ND National Guard in 1981 and went to Ft. McClellan, AL for Basic and AIT training, was the Honor Graduate 1982 for the US Army Chemical Operations Special Class #15 and received a letter of commendation. He entered the regular Army in November 1982, from 1983-1986 was at a Pershing II Nuclear Missile Battery near Heilbronn, Germany where he worked as a Nuclear, Biological and Chemical specialist (NBC) and was there when a Pershing II Missile caught fire during training in January 1985. David then went to Ft. Gordon, GA, studied communication, then on to FT. Hood, TX from 1986-1987 at the DOIC Directorate of Informational Services. He went back to Germany and was stationed with the 261st Sig. Co. from 1987-1997. After Army discharge in 1989, David continued working for the Army as a civilian and stayed in Germany until 1997, working as the head of Automation Department for the Hanau community and surrounding areas.

David loved Europe and traveled to many countries including Switzerland, England, France, Austria, Denmark, Israel and Egypt.

After returning to the States, David was home for five months, then went to Clarkston, MI, as a computer technical specialist assisting customers. He remained in Michigan for the remainder of his life, living in Flint for the past several

years with occasional visits back home to Mott. David was active in AA and celebrated 11 years of sobriety.

He loved computers, cats, music, his pet tarantula Annie, cooking and eating. It was said that he had champagne taste in food, inherited the gift of gab, and could tell a really good story.

David died at age 60 from COPD in Holly, MI on December 15, 2022, under the care of Mission Point of Holly Nursing Center and Absolute Hospice in Grand Blanc, MI. He was fortunate to have many Guardian Angels in his life away from home who helped and guided him through tough times.

Special thanks to Jerry Shimon and Andrea Carlson for your ongoing support.

David is survived by his mother, Patricia Schwartz, Mott, ND; brothers Douglas (Denys) Schwartz, Bismarck, ND; twin brother Kenneth Dean (Patti) Schwartz, Hinckley, MN; sisters Carla (Cassie) (John) Sparkman, Republic, MO; and Kristi (Mike) Devine, West Fargo, ND; former brother-in-law Robert Topp, Horace, ND; nieces and nephews Michael Sparkman, Josie (Ben) Wolfenbarger, Shanna (Jacob) Buffa; Rebecca Schwartz, Spencer Schwartz, Danielle (Don) Williams, Isaac (Ashley) Schwartz, Emily (Jacob) Marineau, and Justin Topp; great niece and nephew Jenna and Jack Wolfenbarger; step-great nieces, Nova and Luna Williams.

David was preceded in death by his father Jim; grandparents Spencer and Grace Maercklein and Spencer and Eleanor Schwartz, uncles Wayne Schwartz and James Foss.

### Miriam Inga (Crawford) Kirschten Rites

Our mother, Miriam Inga (Crawford) Kirschten, left this world to be with Jesus on March 8, 2023 at the age of 86. She will be missed dearly and will always hold a special place in our hearts.

She was born August 13, 1936, the ninth child of Gus and Bertha (Helland) Crawford. She grew up on the family ranch northeast of Baker and attended O'Donnell School until the 8th grade and then attended Baker High School, graduating in 1955.

Miriam married James (Jim) D. Kirschten June 11th, 1955. To this union, six children were born, Michael, Shane, Mark, Merri, Bertha and David. She had 15 grandchildren, 9 great grandchildren with another great grandchild set to arrive in the next couple of months.

Miriam was an avid gardener and raised a huge garden for many years to feed the family. Her strawberry patch was one of her favorite endeavors. More than one child got into trouble for not attending to the strawberries correctly. She canned many great crops over the years and knew how to wield a knife when it was time to butcher chickens. Miriam loved her yard with

shrubs, trees and flowers and various assortments of lawn ornaments. She was a test grower for Jackson-Perkins roses for a number of years and tended up to 40 rose bushes. She spent many hours planting, pruning, and trimming new plants. It was her place to go to have some quiet time. She called it her therapy.

She was also known in the neighborhood for her wonderful caramel rolls, her special strawberry rolls, pies, and baked goods. Neighbors, friends, and local businesses enjoyed her home baked caramel rolls and goodies.

Miriam was a consummate home-maker. However, she did work away from home for a few years, being employed at Nellie's Bakery, Green Acres Supper Club, and Ben Franklin. She was especially proud of working side by side with her kids, Mark and Merri, at a couple of these jobs.

Miriam was also an amazing seamstress, sewing clothes for the family and occasionally sewing doll clothes and dolls for her daughters and granddaughters. Not to neglect the men in her life, Miriam had a wonderful time sewing western shirts for her sons and husband, as well as some of the bachelor men who were like family. One year, she sewed over 50 western shirts, many of them also intricately hand embroidered. All of her children knew better than to use her "good scissors". Many of her family and friends have blankets that she either hand sewed, quilted, embroidered, or crocheted. All the grandchildren and great children have many blankets that she made for them in one form or another and are treasured pieces. Her grandchildren and great grandchildren were the apple of her eye. She said she did not spoil them, rather she "over loved" them a bit.

Miriam loved to travel to see her kids and grandkids, attending many special events and marking occasions over the years. Her grandkids were very special to her and she attended as many events as she could to share that time with them.

Her travels took her to various parts of Europe, to Canada, and all over the US. She traveled the Mississippi River, traveled with grandkids and to see grandkids, her kids as well as friends and other members of the family. Her kids and extended family never knew when to expect Miriam's arrival, nor often quick, early morning departures.

Miriam enjoyed many years of companionship with her be-

loved dogs Cocoa and Charlie as she traveled out and about on her adventures and visits. They gave her wonderful company over the years.

Miriam also spent time giving back to her community. She was the first woman elected to serve on the Baker School Board. She was the first woman to run (unsuccessfully) for County Commission. She was a Charter Member of the Baker Cow Belles. Miriam was also a member of the Catholic Daughters of America, Court of St. Monica from 1969 - 2003. Always a person of strong convictions, Miriam eventually returned to the Lutheran Faith of her childhood some years after Jim's death. She enjoyed a number of years reconnected to her Lutheran Faith and friendships.

People have expressed the sentiment that, "You always knew exactly where you stood with Miriam". As her kids, we understand; we know what you mean. The community knows she was a lover of hats, especially red hats in her later years. More than once, when someone didn't know who Miriam was, if she was described as "the red hat lady", the person knew immediately who Miriam was.

Miriam was preceded in death by her husband, James D. Kirschten, and daughter-in-law, Debi (Mike) Kirschten, her parents, Gus and Bertha Crawford, an infant sister, Bernetta

Ruth; two sisters, Marguerite Varner and Ida Mae Sleeth; and brothers, Jim, Cliff, Roy, Clyde & Jesse.

Survivors include her children: Mike Kirschten of Baker, MT; Shane (Connie) Kirschten of Alton, IA; Mark (Dena) Kirschten of Baker, MT; Merri Stratman of Rapid City, SD; Bertha Kirschten of Baker, MT; and David (Nicole) Kirschten of Baker, MT. One year, the six kids lived in six different states, but most of them have "come home to roost", as mom said it.

Also, her grandchildren and great grandchildren: Jeremy Suttie; Kyle (Kelsey) Kirschten - Chloe and Meika; Kerry (Scott) Jacobsen - Carter, Brooklyn, and Bridget; Lesley (Boone) Liane - Emmalynn and Eloise; Jessica (Jon) Sheehy - Connor and Carson; Jordan Stratman, Cassidy (Reece) Wientjes; Karen Kirschten, James Ford, Katie Ford, and Kevin Lewis; Garrett, McKenna, Sydney, and Aubrey Kirschten.

As well as a host of nephews, nieces, and great nieces and nephews.

Mom wanted her friends and family to remember her as she was. And, she didn't want her grandkids to travel winter roads to attend a service. Following moms' instructions, there will be no service at this time. A Celebration of Life, and reunions of sorts, for both the Crawford and Kirschten families, is planned for August 12 in Baker.

## Prayer

### St. Jude's Novena

May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us: St. Jude, worker of Miracles, pray for us. St. Jude, helper of hopeless, pray for us. Say this prayer for nine times a day - by the eighth day, the prayer will be answered. It has never been known to fail. Publication must be promised..

# Remember - this day will never come again - cherish every moment

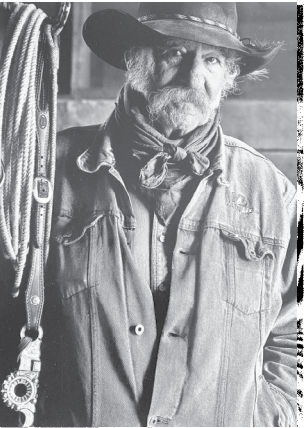

# Attitude is not just the way you think - it's the way you live

## Dr. Ray P. Ansotegui Rites

Dr. Raymond "Ray" P. Ansotegui's seven year battle with Alzheimer's ended peacefully in his home on Wednesday, March 2, while being lovingly attended by his family.

Born July 11th, 1947 to Ray

and Irene Ansotegui on the family ranch bordering Nevada and Oregon, Ray spent his early years on the family ranch in Paradise Valley, Nevada. He loved school and couldn't wait to be a cowboy. As early as ten years old he "went on the wagon" - his term for the week-long cattle drives where he learned a lot about being a cowboy and cursing.

He embraced the beauty of being horseback without civilization for miles.

His family moved to Fallon, NV when Ray was in high school. He continued to work on the ranch and excel in school; from kindergarten until he graduated,

Ray never missed a day of school. No stranger to hard work, he spent most of his free time working both the neighbor's dairy and at the family lumber yard, yet had time to soup up his truck for drag racing.

Ray was the first in his entire family to attend college. Education became his life's work and passion. He graduated from the University of Nevada Reno with a BS in Animal Science and a Master's degree in Range Nutrition. He earned his PhD from New Mexico State University in Ruminant Nutrition and Reproductive Physiology. Ray often referred to himself as just an "Over Educated Cowboy."

In 1972 Ray married his lifetime riding partner and wife, Linda Bilbao. Smitten by the "young beautiful independent woman who could sit a horse and work cows like no one he'd met before," Ray wooed Linda with a pair of hand-made silver spurs. They adventured for 51 years together.

Ray and Linda moved from Nevada to Livingston, MT in 1975. He worked briefly for American Breeder's Service before he accepted a one time, one year position at Montana State University (for a professor on sabbatical). One year at MSU stretched into thirty-two years as Ray won numerous teaching awards and led ground breaking research for the university. Ray completed two sabbaticals; one in New Mexico and one in Western Australia. He encouraged and watched his students use their education

when they returned to family ranches or started their own. He saw many of his students make a difference as they went on to keep Agriculture alive and well in Montana and throughout the West. Ray insisted his students drop the formality of Dr. Ansotegui and call him simply "Ray." He was never too busy to take their calls, talk them through their challenges and help with recommendations. Despite his notorious unique intelligence and a classic grumpy cowboy look, Ray was always approachable and humble.

Ray's secret sauce as a professor was his keen ability to see things in his students they couldn't see in themselves.

In 2006 Ray retired to be a full-time grandpa. He continued his genetic consulting and AI business with his wife Linda and helped out on his friends' ranches. Retirement years were full of fun adventures - freezing in AI camps while laughing with friends and numerous camping trips to Yellowstone. He and Linda traveled to spend time with their children and grandchildren around the world (Nevada, Arizona, New Hampshire, Italy and Switzerland). He looked the part of a cowboy no matter where he was in the world. He was kind to a fault, an engaging storyteller with a biting sense of humor and sarcasm that will always be unmatched.

Ray was preceded in death by his parents, Ray and Irene Ansotegui and brother Dennis. He is survived by his wife, Linda; brother, Alan Ansotegui;

children Denise Ansotegui-Bergeron and Raymond Ansotegui; their spouses Neil and Amber Jean (whom he loved like his own children); and his grandchildren, Hayden and Jillian Bergeron - the lights of his life. He is also survived by numerous brothers and sisters-in-law, nieces and nephews - all of whom have plenty of "Uncle Ray" stories...

Celebration of Life and Memorial services for Dr. Raymond Ansotegui will be held Friday, April 21st, 11am at the Livingston Christian Center. In lieu of flowers, and to honor Ray's work in education, the family set up a scholarship fund through Montana Stockgrowers Association.

Please send donations to Montana Stockgrowers Association, 420 North California Street, Helena, MT 59601 c/o Ansotegui OEC.

Condolences and scholarship donations may also be sent to Linda Ansotegui at 124 Paradise Drive, Livingston, MT 59047.

*Editors Note: For those who knew Ray, Ray came to Hettinger and was speaker for Knudson Feeds in Hettinger for their Feeder Meetings.*

**Send them to: Eldo Connect, PO Box 97, Bowman, ND 58623 by 4:00 p.m. Wednesday.**

## Dear God, Is It True...

A Sunday School teacher shares these notes her students wrote to God.

Dear God: Maybe Cain and Abel wouldn't have killed each other so much if the had their own rooms. That's what my Mom did for me and my brother.

Dear God: If you watch me in church on Sunday, I'll show you my new shoes.

Dear God: I bet it is very hard for you to love all of everybody in the whole world. There are only ve people in my family, and I'm having a hard time loving all of them.

Dear God: In school they told us what you do. Who does it when you're on vacation?

Dear God: Are you really invisible or is it just a trick?

Dear God: Is it true that my father won't get into Heaven if he uses his bowling words in the house?

Dear God: Thank you for the baby brother, but I prayed for a puppy.

Dear God: Please send me a pony. I've never asked for anything before, you can look it up.

Dear God: You don't have to worry about me. I always look both ways.

Dear God: Of all the people who work for you, I like Noah and David the best.

Dear God: My brother told me about how babies are made and how they're born. I doesn't sound right to me, was he kidding?

Dear God: I would like to live 900 years, just like the guy in the Bible.

Dear God: We read Thomas Edison made light. But in Sunday School, they said you did it. I bet he stole your ideas.

Dear God: Did you mean for the giraffe to look like that, or was it an accident?

Dear God: Who draws the lines around the countries?

Dear God: I went to a wedding, and they kissed right in church. Is that okay?

Thoughts for the Week

The State of North Dakota, Governor Burgum, has proclaimed March as Pride of Dakota month. It has been 38 years since they started helping ND develop and expand domestic and foreign markets for their producers and currently have more than 500 active and associate members that are competing in the global marketplace and making important contributions to North Dakota's economy.

North Dakota businesses that are members of Pride of Dakota can display that emblem proudly as they strive to compete in the global world in an area that has become increasingly larger every year. There are many businesses registered to participate in this program that helps the people of our state promote the things that they do and grow to the world. If you take the time to go online and see the listing, you will see many businesses that are listed there. If you have the time to go to a Pride of Dakota event, you can personally see and possibly taste some of the things that we produce in this state. You may be pleasantly surprised at what we actually do in such a small state. Some of the producers are more well known than others, but if you are in a store, take the time to look at the products that are displayed and if you see the Pride of Dakota label, maybe it would benefit you to choose that product over something that is manufactured overseas. And we aren't just talking food products. There are also wood crafters, candle makers and skin product producers such as lotions and soaps. There are sock and mitten creators, flour producers and distillers. You really need to take a list at all the people who are out there making a difference in ND doing their best at creating and

selling items to the world.

I have said before that it takes a special person to be a farmer, but it also takes someone special to start a business on a wing and a prayer. Money is a large factor when considering buying or starting a business. It's not as easy to just say you want to do it, you have to have connections to get the financing, you need to find people that support you and most of all you have to have the courage to actually do it. Not all are successful, so you have to be prepared to do what you need to do to get started and once you have the basics down, then you have to have the courage and strength to see you through the bad times, when not everything goes the way that you think it will. There will always be those that try something and fail and never get the courage to try again, but sometimes, your courage and a little luck leads you to a better future. But you really have to want to work at it, which often means long hours, little sleep, and money that goes out faster than it comes in. Then one day, if you are lucky, you find that you have passed the break even point and moved on to actual profit.

So no matter if you are a farmer or a small business person, hang in there, don't lose your faith and know that there are people out there that have been there before you and know how hard it is to do what you do. The proof that you are doing what is right for you is that when you get up in the morning and start your day, you are happy with what you are doing. You look around, take a deep breath and feel that satisfaction that you are where you want to be in this world. Hard to argue with that kind of feeling, so if that is what you feel, celebrate it and enjoy every day. So when you see a local business, whether it is a product or a service, consider doing business with them. They are doing their best to compete in this world and would appreciate your support, same as you would like theirs if you were in their position. You never know, just because it's not a big name doesn't mean you aren't getting the best and in a lot of cases, they are better than an imported product simply because you know where it comes from and may be just down the road from you. Something to consider. God Bless you All.

RECIPE OF THE DAY

CARMEL OATMEAL CHEWIES

1 3/4 C. Quaker Oats - Quick or Old Fashioned  
1 1/2 C. All Purpose Flour  
3/4 C. Brown Sugar - Packed  
1/2 Tsp. Baking Soda  
1/4 Tsp. Salt (Opt)  
3/4 C. Oleo - Melted  
49 (14 Oz.) Bag Vanilla Caramels  
1/4 C. Water  
1 C. Chopped Nuts  
1 C. (6-Oz. Pkg.) Semi-Sweet Choc. Chips

Heat over to 350°. Grease 9 x 13 pan. Combine oats, flour, brown sugar, baking soda and salt. Add oleo mixing until crumbly. Reserve 1 cup oats for topping. Press remaining mixture onto bottom of pan. Bake for 10 minutes, remove from oven. Meanwhile, combine caramels and water in saucepan. Melt over low heat, stirring until caramels are melted and mixture is smooth. Sprinkle nuts and chocolate chips over base. Drizzle caramel over these to within 1/4 inch of edges. Sprinkle with crumb mixture. Bake 15-18 minutes. Cool completely. Chill until chocolate is set. Very, very good!

# Farm Credit Services Sponsors The Edge Project

Bowman, ND, March 16, 2023. This past year the Bowman Parks and Recreation Board has secured a building, a bond, and renovated the previous Shopko/Alco building located at 320 Highway 12 East. This project is called The Edge - Bowman County Activity Complex and it opened its doors to the public in January 2023. The board launched a sponsorship campaign and Farm Credit Services has generously donated \$2,500 for the Edge Project. They will receive their name on a Donation Plaque. "The safety of our customers is our number one priority and Farm Credit Services

has given us funds to purchase an AED machine to place in the Edge in case of a heart issue. The difference this may make in the life of one of our customers is priceless," stated Director Chanell Walby. Bowman Parks and Recreation serves the wellness and recreational needs of our tri-state area by providing community facilities and progressive programs across the generations. By using an existing building in our community we are helping to reduce construction costs, inhabit vacant structures, bring people to town to both work and play, and we are reaching

our mission. We thank the community for your support of this project, which contains an adventure park (trampolines, indoor two-story playground, ninja course, climbing wall, obstacle course, dodgeball court, and dunk hoop), multipurpose court, dance/exercise room, racquetball court, cardio/weight room, party/meeting room and lounge, and a walking track. Please contact Chanell Walby, Director of Bowman Parks and Recreation if you have any questions or are interested in sponsoring the Edge Project or any other projects. 701-523-3896.

Pictured Left to Right are Bowman Parks and Recreation Board members Darwin Wilke, Ed Kvaale, Chris Johnson, Farm Credit Services Manager Scott Lardy, and board member Jason Bullis.

### "Agriculture For Art's Sake"

By Don Taskila  
nd.featurewriter@gmail.com

"Agriculture For Art's Sake" :) I think 'Agriculture' represents the landscape's beautiful expressions, faces, and hard work applications of 'America's Farmers and Ranchers' who bring their creative skills and imaginations to blend powerfully well with the science and business of producing crops and livestock for economic purposes. America's 'Agriculture', after all, isn't to be forgotten, because it duly impacts society as it provides food, "Home Sweet Home", and employment opportunities. America's 'Agriculture' supplies raw materials for the production of goods and services, and it certainly helps to develop World-Trade economies. 'Agriculture' is a form of Art brought by 'America's Farmers

and Ranchers' who have shown countless times through their year-after-year seasons of attraction, Love, and appreciation for the 'Beauty of the Land and Livestock' that they work with. Their sense of Art has come from archival science and work experiences; through adapting their creative skills, and imaginations that continue to lead them ever forward to cultivating the soil, growing crops, and raising livestock. This generational sense of Art has included the creation of better-produced plants and better sustainable livestock for themselves, and their neighbors, and for distribution to World markets. "Agriculture For Art's Sake" :)

As you can read -- Farmers aren't just farmers - they are life giving people - March - Farming Month - How about a big Thank You to our Farmers/Ranchers/Businessmen
