"Should we plant? Are you planting yet? Is it going to rain? What should we do?" A group of farmers watching the weather, waiting, wondering - - met outside the coffee shop - - questions, questions, what to do, when to start - - Paul stood amongst them, listening, taking in all the information cuz he knew no matter what anyone said the final decision was up to him.

That evening, sitting at the computer, checking prices, futures, weather, fairly exhausted from calving, wind and now trying to make decisions, he just sighed and wondered was this all worth it. Wife, Sami came in gave him a back rub and suggested he come watch TV with her and the children. "In a minute," he answered.

One more thing he had to check before the final shut down - "Okay," turned off computer, stood looking out the window just before night fall. Sunset was radiant, Paul watched as the last colors of daylight slowly faded behind the hills. "Now what - what are we to do?" were questions that also faded away as he sat down with his family.

Sitting with family, laughing at the story, gave his mind a short rest. Smallest one climbed up on Paul's lap, cuddled in and said, "Daddy I love you," brought a tiny tear to Paul - - after the movie they all said their goodnight - -

Then Paul went back to his computer switching from prices, down to weather report - - no rain in sight - possibly tomorrow - -. Disappointed he climbed the stairs to the bedroom - - could hear the children still laughing as lights were turned off - - how he longed for those days again.

Wind blew, thru the night, bringing dust storms and a banging screen door - -. "Need to go to town and get a few groceries," hollered Sami as she readied the children for school.

Okay, I'll be here," could be heard over the laughter of the children as they climbed into the car. Paul waved goodbye and reached into his **pocket** for the screw driver, he had picked up, to fix the screen door - it wasn't there - - instead he pulled out a tiny pea. Wonder how this got here? Paul thought.

Then he smiled as memories began flooding his heart - - he laughed - - smiled - - and many answers floated before him as he remembered - - being a little boy - - peas were planted in the garden to eat. His taste buds could almost remember - even eating the shells. Then pictures floated across his memory of how much work it took to plant the peas, water them, clean out the weeds and eventually picking. They worked hard, laughed, sprinkled water on each other, fought with each other, only for enough peas for a few meals. He visualized his mom always telling him and his brothers - only the Grace of God can keep you boys from hurting each other, and she would leave as they continued their water fights.

Paul smiled. Mom depended on Someone Greater than her to take care of us boys. Guess I can too!

Happy Retirement

Commercial Bank of Mott would like to announce the retirement of John Fiedler as our President and CEO. John has navigated through several unprecedented challenges including financial market stress, drought, and most recently, the current Covid-19 Pandemic. John's banking knowledge and experience, from a career spanning over 30 years, was instrumental in the growth and success of the Bank. After much deliberation, John decided that on March 31, 2021 he would begin his new chapter in life. He felt this was a good time for him to move on and he is leaving the bank in very competent hands.

Taking over as President is Charlotte Aldinger. Charlotte has nine years of banking experience as the Executive Vice President and Chief Financial Officer for Commercial Bank of Mott. Charlotte is a graduate of the ND School of Banking, a participant in the ICBND Emerging Leaders and a director for ICBND.

Dean Wehri is assuming the role of Executive Vice President and Chief Financial Officer. Dean has 28 years of experience in finance and has a strong knowledge of agriculture lending.

Jeri Haberstroh has been promoted to Senior Vice President. Jeri also has 28 years of experience with Commercial Bank of Mott. She continues to be instrumental in all areas of the bank, including the loan department.

We congratulate John on his retirement, and wish him all the best as he spends time at the lake and with the grand-kids. Please feel free to extend your heartfelt wishes directly to John.

April is Child Abuse Prevention (CAP) Month

A time to plant the seeds of a better tomorrow for all children and families. You will see Pinwheel pages (colored by elementary students at Mott/Regent School) displayed in many business windows and doors throughout Mott and Regent. In 2008, Prevent Child Abuse America introduced the Pinwheels for Prevention campaign. According to <https://preventchildabuse.org/>, research showed, and experiences since have reinforced, is that people respond positively to pinwheels which represent childlike whimsy and lightheartedness and our vision for a world where all children grow up happy, healthy, and prepared to succeed in supportive families and communities. Thank you to the many businesses who were so excited and willing to show their support! Join us in "Growing a better tomorrow for all children, together!"

For more information, check out <https://preventchildabuse.org/> and to get involved in future endeavors with CAP Month, please contact Kari Mayer, School Counselor, at 824-2795.

**Reflections on the
Words of Life**

by Pastor Paul Ferrie, Grace
Reformed Church of the Lord
Jesus, New Leipzig

Today, my friends, I'd like for
us to think together about what
it means to have a purposeful
life. You might expect a pastor
to say that the way to have a
purposeful, meaningful life is
by becoming a missionary or
engaging in some other form of
what is called "full-time Chris-
tian work." But for all of you who
are believers in the Lord Jesus
Christ, I want to encourage you
by pointing out that the Bible
teaches that you can have a
meaningful life doing whatever
God has called you to do, by do-
ing it unto Him. Notice what the
apostle Paul told the Colossian
Christians in Colossians 3:17:
"And whatever you do in word
or deed, do all in the name of
the Lord Jesus, giving thanks to
God the Father through Him." In
a similar manner, note what the
same apostle told the Corinthian
Christians in 1 Corinthians
10:31: "Therefore, whether you
eat or drink, or whatever you do,
do all to the glory of God."

What is so encouraging
about these passages is that
they teach us that it is possible
to turn ANYTHING and EVERY-
THING a believer does into
something that brings glory to
God. Even things as simple as
eating our meals can be done
to the glory of God. And if the
Christian goes about his or her
daily work with the deliberate
purpose of serving the Lord in
the way he or she does it, then
that work is a means of glorify-
ing the Lord.

Am I saying that Christians
should not pursue full-time
Christian work? Of course not!
There is an urgent need for be-
lievers to go to the many parts
of the world where people have
never heard the gospel of Je-
sus Christ and to tell them how
they can be saved by trusting
in the sacrifice of our Lord to
make them right with God. But
becoming a full-time missionary
involves a special calling from
God, and most believers are not
called in that way. So we make
a great mistake if we think that
missionaries are the ONLY ones
who are serving the Lord with
their lives.

To me, friends, it is very
exciting to think that the Chris-
tian truck driver or carpenter or
waitress or doctor or nurse or
farmer or rancher or homemak-
er or teacher or who seeks to
honor God in his or her calling
is glorifying God just as much
as the missionary. What mat-
ters is whether or not one's
work is done as unto the Lord.
Of course, a Christian can go to
work and NOT do it as unto the
Lord. If he thinks only of himself
and the money he is trying to
earn and the things he would
like to do with his money, then it
is unlikely that he will do his job
as unto the Lord.

You see, my friends, for the
Christian to do his or her work
as unto the Lord, he or she must
have a DUAL purpose. One of
those purposes must be to do
the job to the best of his ability,
seeking to honor the Lord in the
WAY he does his work. But the
Christian must also seek to be a
witness for Christ as he or she

goes about daily work. That is
because the Christian realizes
that there is far more to life than
earning a living. The Christian
realizes that the greatest need
of all people is a relationship
with the Lord. We are on this
earth for a very short time, and
an eternity is awaiting all of us.
People could make all the mon-
ey they would like to make and
have all the things they would
like to have, but if they do not
have Jesus Christ as their Lord
and Savior, they will go to an
eternity of punishment in hell.
And as Christians, we must al-
ways have in the back of our
minds that we are missionar-
ies. In fact, all believers actu-
ally ARE in full-time Christian
service. And we can all be used
to speak a word here or there
for the gospel and to let people
know how they can be saved
through faith in our Lord Jesus
Christ.

Peter tells all believers in
1 Peter 3:15, "But sanctify the
Lord God in your hearts, and
always be ready to give a de-
fense to everyone who asks you
a reason for the hope that is in
you, with meekness and fear."
Believers need to know the gos-
pel well enough to be able to tell
others why we believe the gos-

pel and how they can too.
As I conclude, I must point
out one more vital thing: You
simply CANNOT do your work
as unto the Lord unless you
first know the Lord. There are
many people confused on that
point. They think that they can
EARN God's favor by being
good or moral or hard-working
or church-going. But the Bi-
ble says that all human beings
are helpless to do anything to
save themselves. In order to
be saved, we must receive all
through the grace of God. God
has given His Son, the Lord
Jesus Christ, to come into this
world and die on the cross in
order to pay the debt of sin for
all who will ever rely upon Him
for salvation. Before you can
live for God, you must be saved.
You must admit your sin, turn
from that sin, and turn to God in
reliance upon the saving work
of Jesus Christ ALONE for your
salvation. Just ask God to for-
give you on the basis of Christ's
saving work on the cross. He
has never turned anyone away
who has come pleading for His
mercy and grace through the
Lord Jesus Christ. Then your life
will take on a whole new mean-
ing.

IN LOVING MEMORY OF ARDEN STAFFORD

*This is a message to express the immense gratitude we have
for your support after the death of our loved one, Arden Stafford.
Thank you for your sympathy during this difficult time. Although
it is challenging, we find comfort in the fact that our friends and
family are thinking of us. We sincerely appreciate your support.
Thank you to Trevor from Krebsbach & Kulseth Funeral Home.
From the night dad passed and that call was made; Trevor
assured us everything would be OK. Trevor and Angela took
good care of our beloved one and us.
To Pastor Mary Wiggins for meeting us at the funeral home, the
house visit and her beautiful service.
To those who sent plants and flowers to the funeral home; each
and every one of these touched our hearts and was so beautiful.
To Mike Teske for all his help with the cemetery.
To the church members who prepared the church for the funeral
service; setting up chairs and tables for after the service.
To the Women's Fellowship group for organizing, preparing and
serving all the delicious baked goods and bars, coffee,
and punch after the service.
To each and every one of you who stopped by the house
with food, etc., the visits, and sharing memories.
To all who gave cards and memorial money and
attended the funeral.
To all of those who donated from the Community
and provided us with a Next Door Pizza Gift Card.
We are truly blessed to live in a small community
where the love and support is endless at a very
difficult time in our lives. We are all very touched
by each and every one of you for all you've done
for us; our gratitude is endless.*

Have questions for Dr. Toshi
 Send them to Eido
 Box 247 - Mott, ND 58646
 and she will answer in the Dr. Toshi column

Dr. Toshi Is In!

Dear Dr. Toshi,

Recently, I heard of something called "Health Adjusted Life Expectancy (HALE)." What is that?

HALE stands for Health Adjusted Life Expectancy, which I'll call health expectancy. But before going into that topic, I'd like to ask you a question. Why do you go see your doctor? And why do you think doctors and providers ask you to be seen regularly even when you're feeling well?

Of course, when you get sick or don't feel well or get injured, you go to a doctor or other healthcare provider or to a hospital. You want to get the problem fixed. But what about going to the doctor when you're feeling well? Why do we have to get health screening tests like a colonoscopy, mammogram, cervical cancer screening (PAP smear) as we get older even though we may feel just fine? Why do we do that? Some people think it's because the doctors, other providers, and hospitals just want money, and it's actually just a waste of time and money. I can understand why someone might feel that way.

So, let's talk about "Healthy Expectancy" today, which has a lot to do with why you should see your doctor or other provider regularly even when everything is going well.

No one knows about his or her future, and no one knows when their life will end. Even well-trained doctors in fields like oncology (cancer medicine) aren't good at predicting this for individuals. There are many fac-

tors that determine your medical conditions and your health, including your activities (including exercise, smoking, alcohol, etc.), the environment you live in (which might be stressful, or have exposure to toxins, etc.), and your genes (so choose your parents wisely! :-). So, as you can see, you have control over many of these things. You and I would want the best possible likelihood to have a long, healthy life.

I'm sure you've heard of "life expectancy." Older people who look into Social Security certainly have seen this term for planning purposes. In fact, there is a Social Security website where you can get an estimated life expectancy calculated for yourself based on a lot of statistical data collected in research. (If you're interested, you can go a website called "Life Expectancy Calculator" at <https://www.ssa.gov/oact/population/longevity.html>. You don't have to be a certain age to use this calculator; you can even use it for newborn babies! Now, this is just a general, statistical life expectancy - how many years you may expect to live based on general population data. It doesn't take into consideration your genetics, your environment, or other important factors like smoking, exercise, your weight, or medical conditions you may have.

"Health Adjusted Life Expectancy (HALE)" (health expectancy) is a little different. It's the "average number of years that a person can expect to live in full health." Just be aware that it's the "average number of years"

4-17,24

The Mott Gallery of History and Art is looking for volunteers to help.

Due to the loss of many of our members passing away or moving, we are left with the need to enlist helpers to keep this special part of our community alive and working.

The plans are to be open for this coming season and volunteers are needed to help with the various events we hold. If you can help for one or two hours per month and are interested in the history of our community... **WE NEED YOU!**

Contact Mary Messer at 701-824-2672 or Shirley Halvorson at 824-2132 for further information

for a population, but it's different for each individual depending on the personal factors I mentioned above.

As you might have guessed, a person's health expectancy is shorter than their "life expectancy." In the US in 2020, life expectancy at birth is 75.2 years old for men and 80.5 years old for women. (By the way, it went down a little in 2020 from 2019. Population researchers think it's due to COVID-19 as well as a surge in drug overdoses from opioids.)

In 2019, health expectancy at birth in the US was 65.2 years old for men and 67.0 years old for women. That means that for an average person who is just born can expect to have full health for that many years and continue to live with health

problems for 10-13 more years after that. There is another health adjusted life expectancy called, "Health Life Expectancy at age 60." That's the average of number of years of full health left at age 60 for someone who is healthy when they're 60, and that is 15.6 years for men and 17.1 years for women. In other words, if you made it to 60 years old in good health, you can expect to continue to be in full health for that many more years on average.

So, all this is about the likelihood of having a long, healthy life. And when you talk about a longer, healthier life, preventive medicine becomes extremely important. Your primary care physicians and providers can help you stay healthy.

Dr. Toshiko ("Toshi") Luckow, MD, is a Family Physician at the West River Health Services Hospital and Clinics.

IMPORTANT ANNOUNCEMENT

The Bowman-Slope SCD can now be reached by phone at 701-523-TREE
 Get hold us for any Conservation District related questions, concerns or comments you may have.
 (701-523-8733)

Want to help with the current drought effort? If so, please take photos or videos of what you are seeing and experiencing and submit them to your local extension agents. The information will be submitted to the national drought monitor which determines the drought level we are categorized in. As the drought severity ranking increases the opportunity for assistance to alleviate problems associated with the prolonged dry conditions also may increase.

Keep in mind when turning out on pastures over the coming months if there are any concerns on the quality of livestock drinking water the SCD as well as your local extension agents can perform a quick test to give a rough idea of the quality of water and whether it is safe for livestock or should be sent in for further testing.

Vaccines encouraged by JMHCC

Jacobson Memorial Hospital Care Center (JMHCC) continues to remind residents to schedule a COVID-19 vaccination with a local clinic. Either the Moderna or the Pfizer vaccine will be available to anyone 18 years and older.

Those wishing to receive the COVID-19 vaccine are reminded to call one of JMHCC's local clinics to be vaccinated. The vaccine is followed with a booster shot 21 to 28 days later.

Clinics include the Elgin Community Clinic at 584-3338, the Glen Ullin Family Medical Clinic at 348-9175 or the Richardson Clinic at 974-3372.

Dr. Elizabeth Sundberg is just one provider recommending the vaccine to her patients.

"One of the most amazing things is most vaccines are considered to be great successes if they are 50 to 70 percent effective. Both the Moderna and the Pfizer, based on the studies we have so far, are running 90-plus. That's unheard of," Sundberg said when the vaccine became available in January.

The country is not past the COVID-19 pandemic, and vaccination is one of the best methods of protecting yourself and your family.

"Increased compliance with public health mitigation strategies, such as vaccination, physical distancing, masks, hand hygiene and isolation, is essential to limit spread of the virus and protect public health. Vaccines,

free and available to the public, remain the best intervention for ending the pandemic," said JMHCC Director of Nursing Jill Feser.

"Multiple variants of the virus that causes COVID-19 are circulating globally and within the United States. These variants seem to spread more easily and rapidly than other variants, particularly in children and young adults. An increase in the number of cases will put more strain on health care resources, lead to more hospitalizations, and potentially more deaths. While research suggests that COVID-19 vaccines have lower efficacy against these variants, the vaccines still appear to provide protection against severe COVID-19," Feser said.

The N.D. Department of Health has immunization guidance on its website, <https://www.health.nd.gov/covid-19-vaccine-information>, answering common questions about the COVID-19 vaccinations, with fact sheets on the three common vaccines.

Several misconceptions regarding the vaccine may be keeping the public from getting immunized. Many of those misconceptions are addressed within the N.D. Department of Health question-and-answer format, so the public is encouraged to read that information.

If you have other questions or would like to speak to a provider or nurse prior to vaccination, contact your local health care provider at the clinic numbers.

Rain
By Kathy Craig-Harteis

Rain or the lack of it is on our minds these days. As much as we've enjoyed our beautiful weather lately, we know to survive we need the precious rains. All creatures, big and small need water. Pray for rain.

I see we had a bit last night, but we'll need a lot more.

It's been a busy week for me. I'm grateful for it though. The past year of isolation about did me in.

I had my yearly physical this week as well. Like so many others I suspect part of this years questions for me were about coping and depression. Honestly I've always been prone to a little depression or anxiety. I'm also prone to be a fighter so I've usually been able to hold it back.

I know there are others out there tho who aren't as lucky. Depression or anxiety are terrible things. They don't show outward physical wounds, but the hurt is deep.

I'm praying for everyone that struggled this past year and who continue to struggle. There is help out there if you need it. It is nothing to be ashamed of, and asking for help is your first best step.

So my phone is on it's last leg. It doesn't hold a charge and it has the ever-present "do-ink" going on every few seconds. Unfortunately the phone isn't in stock so I'm waiting a week to get one. It seems a lot of things at a lot of stores these days are on back order. Believe it or not I've been waiting two months for an order of seasoned sea salt to arrive!

But, like most of us I'm connected to my phone and I need a new one. Do I?

The blessings for the week was getting to watch the grand-kids play sports. Lea plays volleyball and Kohen plays basketball. Although it made for a few trips out of town, it was well worth it. I love seeing the kids get out there and try.

Life is good today.

Every positive thought or words spoken about our communities helps the flower gardens blossom

Monday Night Prayer For Rain

It's been a dry spring in these parts. In fact, it's been historically dry. Farmers are beginning to worry, and fires have been popping up more than usual with so much dry grass and stubble in the fields. Even the wind has been troubling as it doesn't take much to blow the soil around as soon as it is disturbed.

These dry conditions have been concerning for many of us, and most of us realize how they will impact everyone in the region, not just ranchers, farmers, and firefighters. And while there's nothing we can do to make it rain, we can pray.

On Monday, April 12, a group of people from multiple churches in Mott gathered together to pray for rain. The prayer service lasted for about 45 minutes, but people stayed to talk and encourage one another for another 45 minutes as well. According to Kerry Swindler, "I thought it was well thought out and provided a good time for people to gather and fellowship in addition to praying together."

One of the focuses of the evening was on James 5:16b-18, "The prayer of a righteous person has great power as it is working. Elijah was a man with a nature like ours, and he prayed fervently that it might not rain, and for three years and six months it did not rain on the

**Legislative News
for District 31**

by Representative Karen Rohr

As of the writing of this update, all the senate bills have been introduced in the Human Services and Government and Affairs Committees. Human Services has SB 2124 left to act on in committee. This bill relates to permitting virtual session of the legislative assembly during an emergency or disaster and to the state health officer's and governor's authority during a declared emergency or disaster. Government and Veterans Affairs has SB 2046 left to act on which relates to employee and employer contributions to Public Employees Retirement system. Below is a summary of interesting bills and action taken in each of the committees.

Human Services Committee

SB 2145 Relating to access to long term care facilities. The bill allows a resident of a long-term care (LTC) facility to designate one or more individuals as the resident's essential caregiver during a declaration of disaster or emergency. The essential caregiver must meet the necessary qualifications to enter the LTC facility to provide in-person physical, spiritual, or emotional support to the resident. The bill was amended to address liability and that the facility may require the essential caregiver to provide personal protective equipment and undergo any related training or assume the cost of the PPE and training. This bill will probably end up in conference committee for further discussion and amendments. Six other states are currently looking at similar legislation. Committee voted 13-1 Do Pass as Amended

SB 2212 To provide for a legislative management study of prescription drug pricing, importation, and reference pricing. The study must include input from the public employee's retirement system, workforce safety and insurance, the insurance commissioner, state board of pharmacy, prescription drug wholesalers in Canada and the public. Committee voted 13-1 Do Pass

Government and Veterans Affairs

SB 2271 An act to provide a statement of legislative intent regarding presidential elections and to provide a directive. Section 1 and section 2 of this bill were amended. Section 1 states that it is the intent of the 67th legislative assembly to oppose the national popular vote interstate compact, which will circumvent the electoral process set forth in the US constitution. The 67th legislative assembly urges congress not to consent to the interstate compact and to oppose any efforts to seek a national popular election of the president other than an amendment to the constitution. Section

2 directs the secretary of state to forward a copy of the enrolled version of the bill to president of the US Senate, speaker of the US Representatives and each member of the ND delegation. Committee voted 12-1-1 Do Pass as Amended.

SCR 2282 Relating to membership of the board of university and school lands. This bill would have added the ND Agriculture Commissioner to the board. This board has existed for over 100 years and its purpose is to generate funding to support the public education system. Board membership includes the governor, secretary of state, attorney general, state treasurer, and superintendent of public instruction. Adding the ag commissioner to this board would increase the membership to six and committee was informed that includes three of the three members of the Industrial Commission. The committee heard no strong testimony

in support of this bill. The bill was amended directing legislative management to study the membership of the board of university and school lands and Industrial Commission. The study is to include consideration of potential conflicts of interest relating to memberships, possible changes to the composition of the memberships and possible changes to Article IX of the ND Constitution. Committee voted 13-0-1 Do Pass as Amended

This is a summary of interesting bills heard in each of the committees. Conference committees are meeting to reconcile differing versions of bills passed in both chambers. More on that in the next update. Continue to connect with me regarding any comments or thoughts you have on bills at 1-888-635-3447 or by email, kmrohr@nd.gov. I sincerely appreciate hearing from you. Happy Easter!

Respectfully submitted

The family of Carol Vail thanks everyone for the prayers, cards, food, flowers and your expressions of sympathy before and after her passing. We also want to thank Pastor Kvaale for his comforting message during the funeral service. And thank you to Karen and Mike Siefert for coordinating the sound and music. A special thank you to Trevor and Angela for their superb kindness and service conducting the funeral. Thanks also to the church ladies for the family meal and lunch after the interment at the Bowman Cemetery. A special thank you to medical staff and all the hospital caregivers at Southwest Healthcare Services, you are the best. Through this entire time we felt very loved and appreciated by this community, thank you.
The Family of Carol Vail

"May I present my Aunt Leah?"

by Donovan Taskila

Mom used to tell me that it took a long, prolonged time for her younger sister/my Aunt Leah to accept the notion that as a teacher, she was a leader; that as a faculty head, assigned her by the rural county school superintendent, she managed the staff of three north remote country schools consisting of two other teachers and herself. She didn't have a formal leadership title; she didn't have any kind of a principal certificate or degree-granting her the role and responsibilities thereof. Her extended teacher authority came about because, in the beginning, her north county country school was the first, the only one to exist before the other two were built five years later after a county commissioner change. In a sense, Aunt Leah's leadership position was created the result of a so-called 'Grandfather Clause' or in other words, the rural school board's "exemption".

But as I got older, I realized that Aunt Leah was very much a leader for her students, the people she worked with, as well as the positive community she served. Her leadership had much more to do with how she

To Everyone Making a Difference

thought about what she was doing constructively and way-more than formal titles and degrees. Also, I realized that many of us are leaders in our walks of life whether we are aware of it or not.

"Where you are now", think of yourself as a leader. Does suggesting to yourself that you are a leader cause strong feelings of enthusiasm, or nervousness in you? What might become possible if you started thinking of yourself as a leader?

Continuing, I would like to put forward for consideration that in order to change the appearance and character of our run-of-the-mill; ordinary community into a positive community, we will need a large number, many more effective leaders to make a certain situation or outcome possible. We'll need citi-

zens; town's people who haven't yet thought of themselves as leaders. We'll need community-minded people who can get past the fear of something being unpleasant to accomplish and go forward with themselves to accept the roles and responsibilities of leadership.

IF) each one of us would become more personally aware of our core values, beliefs, the personal inherent qualities of our mind's preferences, and its character we could better help mold our community into a positive community to share for the benefit of others. It is Time to 'Break Up' with Your Chair and 'Stand Up' for Your Community; move forward.

"Only Aunt Leah could give hugs like my mother, keep secrets like my sister, and share love like a friend."

IF YOU STAND UP AND BE COUNTED, FROM TIME TO TIME YOU MAY GET YOURSELF KNOCKED DOWN. BUT REMEMBER THIS: A MAN FLATTENED BY AN OPPONENT CAN GET UP AGAIN. A MAN FLATTENED BY CONFORMITY STAYS DOWN FOR GOOD.

- THOMAS WATSON, JR. -

LIBQUOTES.COM

The greatest mistake you can make in life is to continually fearing you will make one.

Over thinking is the biggest cause of our unhappiness. Keep yourself occupied. Keep your mind off things that don't help you.
THINK POSITIVELY!

Advance Care Planning

Answering questions today, in case you can't tomorrow

WHAT IS IT

Advance care planning is a way to understand your healthcare options, and decide what kind of care you want to receive if your health condition prevents you from making sound decisions. Those decisions are documented in an advance directive.

HOW TO PLAN

Advance care planning can begin with a conversation with your medical provider, family, friends, loved ones, and sometimes clergy or other advisors. From there you can map out a plan and contact others you wish to include in the decision making process.

KNOW & DECIDE

Once you've gathered information, you can make an informed decision on future care for yourself. Southwest Healthcare Services and our providers would be happy to help you and your family along with this process.

SOUTHWEST HEALTHCARE SERVICES

Easter Sunrise at Neuburg Church north of Mott, ND

Neuburg UCC Church hosted its 4th Annual Easter Sunrise Service (We skipped 2020 due to Covid) on Sunday April 4th at 7:00 am.

Pastor Dave Skjoldal gave the message while Tiss Johnson did the readings. Deb Maher of Bowman, who has ties to the church was the pianist. Karagan Friedt sang the Easter version of Hallelujah. Christi Kuhlka of Glen Ullin played several versions of Hallelujah on her violin.

Recognition was given to Bernell and Morell Hirning who donated the Handicapped ramp in Memory of their mother, Bertha Hirning. Also to Ida Kufeldt who donated the new sign in memory of her husband Karl Kufeldt.

Following the service, refreshments were served and it was very well attended.

2021 Bowman Area Chamber of Commerce Choice Award Winners

Chamber Choice Awards Recognizes Business and Volunteer of the Year

Bowman Area Chamber of Commerce is excited to recognize the 2021 Chamber Choice Awards. Congratulations to the 2021 Business of the Year, Bowman Regional Public Library and 2021 Volunteer of the Year, Josh Buchmann! These honorees have been key players in Bowman County in 2020 and beyond.

2021 Business of the Year

Bowman Regional Public Library has shown strong leadership in our community and provides a shining example for other community businesses. With generous hearts and the true well-being of our community as their top priority, it is only fitting to honor them as the Business of the Year.

At first glance, you may miss the abundance of programs and opportunities Bowman Regional Public Library provides and it goes way beyond books. Especially in 2020, the Library adapted their services to continue to provide their same great resources to the community. They provide books in enough

genres to cover everyone's interest and services such as the red library cart stocked with books and activities for all ages, take-n-make crafts, book bundles, the "sale room", the StoryWalk, 1,000 books before Kindergarten, story time, adult reading challenges, computers, printers, WiFi, and easy curbside pick-up and drop-off of books.

Bowman Regional Public Library brings together all demographics in one place while providing outstanding service, fresh ideas, and joy into the region. Join us in thanking them for going above and beyond business as usual. Looking for your next opportunity to support the Library? "Drive By For Pie" is on April 22, 2021 starting at 11:30 am. All proceeds go toward summer reading programs for children, teens, and adults.

Follow Bowman Regional Public Library on Facebook to take advantage of all the services and events being offered or visit their website.

2021 Volunteer of the Year

Josh Buchmann leads the way, serving the community by volunteering his time, talents, and resources to not

2021 Business of the Year
BOWMAN REGIONAL PUBLIC LIBRARY

2021 Volunteer of the Year
JOSH BUCHMANN

only make Chamber sponsored events possible, but to assist with a variety of other organizations and causes. He excels in the betterment of the community, exhibits a great working relationship with peers and other volun-

teers, and goes above and beyond to help the community succeed. It is an honor to recognize him as the Volunteer of the Year.

Josh has been a long-standing member of the community and may be most easily recognized as the Manager at Northwest Tire. Beyond his role there, he is also a business owner and Bowman County Commissioner. Josh has a heart that gives back and volunteers his time to various events and projects in the community including Rock the Block, Main Street Garden, High School Rodeo, Demolition Derby, North Dakota State Firemen's Convention, and the ice skating rink at Bowman City Park just to name a few. He is also an active member of the Bowman County Fair Board, Bowman Fire Department, and Bowman Ambulance Squad.

Join us in thanking Josh for going above and beyond in his volunteer efforts. If you see him around make sure to recognize him for all of his hard work.

Each winner received a personalized recognition gift to thank them for their hard work. Exceptional nominations were received for both Business of the Year and Volunteer of the Year. Bowman Area Chamber of Commerce looks forward to continuing to recognize and support the businesses and volunteers in our communities.

Adams County Development Corporation

The Adams County Development Corporation is seeking a community-minded, long-term operator/owner for the Hettinger bowling alley, Lakeview Lanes. All applications must include a cover letter, resume, and business plan for the bowling alley. The opening for proposals is 8:00am MT Wednesday, April 7th to Friday, May 14th at 12:00pm MT. Proposals should be delivered in person or mailed in a sealed envelope to:

PO Box 1323
 Attention Jasmin Fosheim
 Hettinger, ND 58639

All applicants **must** contact Jasmin Fosheim prior to submission at 701-567-2531 or director@adamscdc.org to make arrangements to tour the facility, discuss business plans, and receive proposal guidelines.

All applicants **must** meet with the Small Business Development Center regarding their business plan. Laura Weber is the local contact for the Small Business Development Center, and she can be reached by email at laura@bowmannnd.com or by phone at 1-701-523-5880. Laura travels to Hettinger to serve local clients on the third Tuesday of the month or by appointment.

Applicants may have access to electronic copies of property and equipment appraisals (2019), phase I environmental review (2019), and Bowling Alley Feasibility Study (2020) upon request. It is advised that applicants utilize these resources when developing their business plans.

Proposals will be reviewed on Wednesday, May 19th at the Adams County Development Corporation board meeting. A committee of board members will interview applicants in May, and the final decision will be made by the Adams County Development Corporation Board of Directors by Friday, May 28th, 2021.

GIVING PUBLIC NOTICE OF TEMPORARY POSITION VACANCY

The Hettinger County Farm Service Agency (FSA) Office at 319 Brown Ave, PO Box 69, Mott, ND 58646, is accepting applications for a **full-time temporary Program Technician** that will open Friday April 9, 2021 and will close on Wednesday, April 21, 2021.

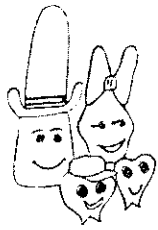

This position will be full-time. Office hours are from 8:00-4:30 Monday-Friday. Pay is \$13.45 to \$16.90 per hour, depending on experience.

A copy of the vacancy announcement and application may be obtained by contacting the FSA Office. In order to be accepted, applications must be postmarked or delivered in person no later than the closing date of the announcement. Program Technician positions require the ability to type and operate a computer. The position will also require basic office and customer service skills. The position requires working on routine applications and contracts with agricultural producers. For more information about the position, please contact Darcy Torpen, County Executive Director, at (701) 824-2691, extension 2.

NOTICE TO BIDDERS

Sealed bids will be received by the Mott Municipal Airport Authority c/o Derek Mayer, Airport Manager at Mott City Hall, 202 3rd Street NE, Mott, North Dakota, 58646, until 4:00 pm (local time) on the 7th day of May, 2021, and then be publicly opened and read aloud for furnishing all equipment, labor, and materials as set forth in the specifications and performing all work, incidental thereto for Threshold Lighting, Pavement Marking Improvements and SRE Acquisition, Mott Municipal Airport, Mott, North Dakota.

Base Bid Schedule A

Primary Work: This project shall include Runway Pavement Marking Removal and Replacement with Non-Precision Markings.

Base Bid Schedule B

Primary Work: This project shall include the installation of 4 each Medium Intensity Threshold Lights (MIRL), which includes 100 ft of underground cable, 80 ft trench and backfill, 90 ft 2" PVC Conduit in Trench, and 4 electrical pullbox (L-867 Cans).

Base Bid Schedule C

Primary Work: This project shall include the purchase of one articulated, 4-wheel drive loader.

Alternate Bid #1C

Primary Work: This project shall include the purchase of a 10' Power Angle Blade compatible with the Loader.

Alternate Bid #2C

Primary Work: This project shall include the purchase 10' Snow Pusher with Back Drag and Rubber Cutting Edge compatible with the Loader.

Alternate Bid #3C

Primary Work: This project shall include the purchase 8' Snow Blower compatible with the Loader.

Alternate Bid #4C

Primary Work: This project shall include the purchase of a 8' power broom compatible with the Loader.

Alternate Bid #4C

Primary Work: This project shall include the purchase of a 72" mower compatible with the Loader.

Trade-In (Base Bid Schedule C Deduct)

Primary Work: This project shall include the trade-in of the existing snow removal equipment as a deduct to Base Bid Schedule C. The trade-in is a 2003 New Holland Tractor, blade attachment, sweepster broom.

1. **Plans and Specifications:** Copies of the Plans and Specifications are available for inspection at:

Office of the Airport Manager of Mott, North Dakota, or at the Office of Helms and Associates, 416 Production Street N, Aberdeen, North Dakota.

Plans and Specifications may be obtained, at the Office of the latter, upon payment to Helms and Associates for shipping and handling in the amount of \$100 for an 11" x 17" size set of plans and specifications. Plans and Specifications may also be downloaded from the Helms and Associates web site upon a payment of \$20.00. The web site is located at <http://www.helmsengineering.com/biddocs.html>. All payments are non-refundable. **Additionally, upon request, in accordance with North Dakota Codified Law 5-18B-1, one copy of Plans and Specifications shall be furnished, without charge, to each Contractor resident in North Dakota who intends, in good faith, to bid upon the project.**

2. **Bid Guarantee:** Each bid must be accompanied by a certified check, cashier's check or draft in the amount of five percent (5%) of the total bid, and drawn on a solvent State or National Bank, or a ten percent (10%) Bid Bond issued by a surety authorized to do business in the State of North Dakota and payable to the Mott Municipal Airport Authority, North Dakota.

3. **Contract Bonds:** Separate Payment and Performance Bonds guaranteeing faithful performance of the Contract and payment of all labor, materials, rentals, etc., will be required for an amount equal to one hundred percent (100%) of the amount of the Contract. All bonds must be issued or co-signed by a licensed resident agent of North Dakota.
4. **Commencement and Completion:** The Engineer will set the beginning date in a written "Notice to Proceed with Construction". The Contractor shall begin the work within ten (10) days of the date set forth in the written "Notice to Proceed" and shall complete the work within the number of calendar days, working days, or completion date or dates as shown in the Specifications.
5. **Title VI:** The Mott Municipal Airport Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.
6. **Minimum Wage Rates:** The successful bidder will be required to comply with all applicable Federal Labor Laws, including the minimum wage rates decision of the United States Department of Labor.
7. **Affirmative Action:** A Contractor who may be awarded a contract of \$10,000 or more and subcontractors who may be awarded a subcontract of \$10,000 or more will be required to maintain an affirmative action program, the standards for which are contained in the advertised specifications.
8. **Award of Contract:** The right is reserved, as the interest of the Mott Municipal Airport Authority, North Dakota, may require, to reject any and all bids, to waive informality in bids received, and to accept or reject any items of any bid, unless such bid is qualified by specific limitation.
9. The contractor will certify that he and any of his subcontractors meet the requirements of 49 CFR, Part 29, regarding debarment, suspension, ineligibility and voluntary exclusion as further described in these specifications.
10. The contractor will certify that he and his subcontractors will comply with the 49 CFR, 30.17, regarding Foreign Trade Restrictions as further noted in project specifications.
11. The contractor will certify that he and his subcontractors will comply with "BUY AMERICAN CERTIFICATION (JAN. 1991)" as further noted in project specifications.
12. The contractor will comply with "BUY AMERICAN-STEEL AND MANUFACTURED PRODUCTS FOR CONSTRUCTION CONTRACTS (JAN. 1991)" as further described in project specifications.
13. If an applicant (corporation) has either unpaid Federal tax liability or has been convicted of a criminal violation under any Federal law within the preceding 24 months, the applicant is ineligible to receive an award unless the sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests.

Ronald Duane VanSlooten Rites Held

April 25, 1948 - March 20, 2021
Raised to New Life!

Ronald D. VanSlooten, 72, of Federal Way, WA passed

away at St. Joseph Medical Center in Tacoma, WA, on Saturday evening, March 20, 2021 due to complications from several strokes and aneurysms.

Ron was born in Hettinger, ND on April 25, 1948 to Theodore (Ted) and Lila (Eggebo) VanSlooten. He grew up on his parent's sheep ranch near Lodgepole, SD and graduated from Hettinger High School in 1966. Ron continued his education in Auto Mechanics at the North Dakota State School of Science in Wahpeton, ND before enlisting in the US Air Force in June 1968. He served in active duty until June 1972 in the 350th Munitions Maintenance Squadron. Three of the four years Ron was in the Air Force were spent overseas in Germa-

ny at Hahn Air Force Base located 60 miles west of Wiesbaden. It was there that Ron met his sweetheart and future wife, Sue Burgemeister, in October 1970 during her senior year in high school.

Ron took advantage of his time overseas by exploring as many different countries in Europe as he could. When he returned to SD his uncle asked if Ron had trouble communicating since there were so many languages. Ron said he often found someone who spoke English. Then Ron's Grandpa Ole Eggebo from Norway spoke up and said "Ya, But dey don't speeka da goot English like vee do!" Grandpa still had quite a Norwegian accent!

After being honorably discharged from the Air Force, Ron returned to his home in SD. Sue followed from Germany a month later and they were married in Rapid City, SD on Aug. 18, 1972. Ron's aircraft and mechanical interests led them to Tulsa, OK where he attended Spartan School of Aeronautics from September 1972 to February 1974.

Once school was completed, Ron and Sue moved to Rapid City, SD where Ron worked as an aircraft mechanic at the Rapid City Regional Airport until December 1976. In the dead of winter, they moved further west to the boom town of Gillette, WY which was growing due to the many oil wells being drilled and open pit coal mines. Ron worked for a year as an oilfield derrick hand for Updike Brothers Well Servicing Company before re-

turning to his career in aviation. Ron worked as the Director of Maintenance for Executive Air Services in Gillette from 1978 to 1984, after which he opened his own aircraft maintenance facility of Aircraft Services, Inc. which was in operation until 1989.

Seeking more moderate temperatures and new adventures, Ron and Sue moved westward again in March 1989 to Federal Way, WA located 23 miles south of Seattle. Ron began working for the amphibious airplane company of Lake Aircraft at the Renton City Airport. The experience and knowledge Ron gained from his time with Lake were of great benefit when he joined with a partner and opened up a new business in April 1994 called Talon Aviation at the Pierce County Airport (Thun Field) in Puyallup, WA. In the fall of 2008, Ron's final career move as Director of Maintenance was to Avian Aeronautics at the Bremerton National Airport after which he retired in May 2013 to begin his life of leisure.

Ron was a very gifted man. He thrived on designing and creating everything from furniture, to landscaping, from van conversions to sun rooms, from interior design to yard art. If he didn't have a tool needed to do the job, he'd make one. His "Man Cave" was his garage. His ability to fix nearly everything was a blessing and a help to many.

Ron was also a planner and an explorer. He should have been a vacation tour guide. He loved showing friends and family the many beautiful parts of the country where he lived. Being outdoors in God's creation was one of his greatest joys. On Monday mornings the people he worked with would often ask him what great adventures he'd been on the past weekend. He always got out, even if it was just for a Sunday drive or to go sit down at the park by the water.

Ron was also in love with our Lord Jesus. Going beyond simply attending church, he served communion, was an usher, led a home group Bible study, and reached out to several men to have weekly breakfasts or lunches together. Whenever he gathered with a group of people, Ron had a joke or two to share. He was Norwegian himself, and had more Ole and Lena stories to tell than anyone we ever knew!

As Ron reflected on his life, he came to see how often the Lord's hand had guided his steps, and knew someday God would call him home. He is rejoicing with his Lord and is more alive now than ever before. Thank you Ron for the joy, love,

deep friendship, and blessings you gave to so many of us. We look forward to the day we will see you again.

Ron is survived by his wife Sue A. VanSlooten of Federal Way, WA; his sister Lois (James) Steiner of Belle Fourche, SD; and nephews Stoney Kilmer of Black Hawk, SD; and Chet (Kristen) Kilmer of Spearfish, SD; as well as his aunts Myna (VanSlooten) Tescher of Belle Fourche, SD; and Irene (Eggebo) Abelseth of Sturgis, SD; along with many grand nieces and cousins.

Ron was preceded in death by his father Ted, mother Lila, and brother Kevin.

A Celebration Reception for Ron will be held on Thursday, April 1, 2021 between 1:00 and 4:00 at 4811 Hyada Blvd. NE, Tacoma, WA 98422

Cremation has taken place and a graveside service will be held at Tahoma National Cemetery in Kent, WA, with full military honors at a later date.

Ralph D. Bliss Rites Held

Ralph D. Bliss, 86, of Bowman, ND, passed away on March 28, 2021 at the Southwest Healthcare Long Term Center in Bowman.

Funeral Services for Ralph were on Saturday, April 3, 2021 at 11:00 a.m. at the Bowman Lutheran Church. Pastor Charles Johnson officiated with burial to be held at a later date in the Scranton Cemetery. There was a Family and Friends Service for Ralph on Friday, April 2, 2021 at 7:00 p.m. at the Krebsbach and Kulseth Funeral Home Chapel. Visitation was on Friday from 9:00 a.m. to 9:00 p.m.

Ralph Delano Bliss was born at home on the family farm S.W. of Scranton, ND on Monday June 4th 1934 to Irvin and Katherine (Schoen) Bliss. As many stories of the 1930's begin, life was hard for Ralph and family. He grew up never knowing his mother, who died two weeks following his birth. In his mother's absence, Ralph's father enlisted the help of hired care givers, Ralph's older sister, brother and Step-mother Esther, ensuring he was raised well on the farm. He started country school at the age of 4 and would go on to graduate from Scranton High School in 1951, setting off into the world at 16.

Ralph worked in farming and ranching for several different farmers in the Scranton and Bowman area for nearly 10 years, though he always turned down their offers to buy the

farms. He was called to serve his country in the late 1950's. He would later entertain his family with slide shows of the many sights he'd seen in Europe while being stationed in Germany from 1957-1959. After his discharge, he returned to farming briefly before taking advantage of the G.I. bill and completing his technical training in mechanics at NDSCS in Wahpeton.

It was around this time that Ralph caught the closer attention of a young school teacher, Clara Potter, who took interest in his new career path. A reconnection was made, letter writing began and romance blossomed. Ralph and Clara were married by Rev. Meyer at Peace Lutheran in Scranton on August 19th, 1962. The young couple began their lives together in Eastern Dakota, living in Abercrombie, ND and Milbank, SD before returning to settle in Bowman in 1964. Their union was blessed with two children, Jeff and Lisa. Ralph and Clara celebrated 55 anniversaries together before her passing in 2018.

Ralph worked as a mechanic and service manager for Bill's Chevrolet, later Nordberg's, from 1964-2001. He began his workday at 7:30, pushing a broom and sweeping the shop floor before the doors opened and customer vehicles would arrive. Ten of those years, he worked side by side with his son; a time both cherished. Ralph semi-retired in the late 90's, working only five days a week instead of six.

In retirement, Ralph returned to farming, helping his brother David during spring's work and harvest. He was also the grounds keeper for the Pioneer Trails Museum. He

enjoyed many family fishing trips; sometimes landing a big Northern, and other times with the cowl off fixing the boat motor while others fished.

It was also in retirement that he cultivated his childhood love of model railroading, building an intricate layout that filled an entire room in his home. Many of the buildings were his own handmade replicas of grain elevators and churches in the area. He loved running the trains for his granddaughters and anyone who wanted to have a look.

Most of all, Ralph loved being a grandpa to Erika, Aleah, Erin and Brenna. He was a man who could fix things, built his own computers, took on any home improvement project that could be done in a weekend and was a selfless care giver to his wife in her final years.

Late in his life, Ralph found companionship with a special friend Rose Eschenko. Together they enjoyed long drives in the country, going for ice cream and dining together every day. Even when both entered long term care, they continued to visit, send cards and share Sunday phone calls.

Ralph's loving family includes his children Jeff (Melissa) Bliss, Minot and Lisa (Brad) Brennan, Dickinson; granddaughters Erin and Brenna Bliss both of Minot, Erika Brennan, Dickinson and Aleah Brennan, St. Paul, MN; brother David (Sharon) Bliss, Scranton; sisters Ruth Newcomer, Franklin Grove, IL and Leona (David) Ensign, Scranton; along with a number of nieces and nephews.

Ralph was preceded in death by his mother Katherine; parents Irvin and Esther Bliss; sister Dorothy Matthew and his wife, Clara.

The greatest asset in life is Faith

Be sure to read the obituaries - they are stories that inspire - although passed on they leave a legacy of inspiration. May we follow their examples.

Three things in human life are important. The first is to be kind. The second is to be kind. And the third is to be kind.

Bruce Lloyd Tiedemann Rites Held

A Celebration of Service was held at 3:30 PM on Tuesday, March 30, 2021, at The Church at the Barn, #2 McKenzie Rd. in Gillette, WY. Family and friends were welcome to a gathering with snacks and refreshments at the Ramada Plaza, 2009 S. Douglas Hwy. There will be a 2nd Celebration the Summer of 2021 in Walla Walla, WA where Bruce's ashes will be spread.

Bruce Lloyd Tiedemann, 42, born December 9, 1978 passed away Wednesday, March 24, 2021. Bruce was born in Bowman, ND to Brenda & Eric Tiedemann, he was the younger brother to Jay and older brother to Crystal, yes, the middle child he would be quick to tell you! He grew up in Baker, MT through 4th grade, then moved to Gillette in 5th grade where he enjoyed playing baseball, football, and an avid skateboarder as well. He was everybody's best friend and went above and beyond to include everybody always. His teachers would say, "Bruce was always kind & caring and concerned if somebody was having a bad day..." This continued clear throughout the day he passed, his friends saying, "Bruce was always smiling, gave the best hugs, he was very sweet, and would give the shirt off his back to anyone." He remained in Gillette through Jr. High & moved back to Baker for a couple years where he worked and helped on the ranch. He ventured up to Walla Walla, WA for some time with his dad and all the Tiedemann family which lead him to begin his career along with his big brother Jay building golf courses for Dye Designs and working on the Oil Rigs for Cyclone

Drilling in Montana & Wyoming, as well as Nabors Drilling in Alaska for a short stint. In the summer of 2000 at his cousin Tim Garwood's wedding, he and a friend from school, Robyn Schonberg were reunited, fell in love, traveled together to Renton, WA and Temecula, CA with his brother Jay, cousins Nicki, Ronnie, Uncle Jeraid and best friend Jeff Birgen. Within the next year, Bruce & Robyn welcomed their son, Logan James in 2001. They moved back to Gillette where Bruce worked in construction and back on the rigs. Robyn & Bruce remained close friends throughout his life raising Logan in Gillette where they enjoyed watching Logan play baseball & football. In 2005 Tammy Hunt and Bruce met up in Baker when he was up visiting family, they began dating and their love brought 4 more beautiful children into the world, Eternity in 2006, Olivia, 2008, Julian, 2012 and Brysen in 2017. These children will continue to share Bruce's big heart, huge emotion, and giving & caring nature with the world. For the last couple years Bruce became very close to the Lord and his walk with Jesus was incredible to be a part of, just thriving to hear and see signs from above as much as he could. He did maintenance for Meigaard Construction which he enjoyed tremendously while growing in his faith and was baptized again in April of 2020, he was born again! Bruce always had the support from a life-long friend, Dustin Harrison. They had a special bond and did everything together while always motivating and encouraging one another along their journey and everyone they came in contact with. They enjoyed attending church together where Bruce met many more close friends. Bruce LIVED life fully for the whole extent of his 42 years here on Earth. He was very social, always enjoyed the large family gatherings and did his best to be a loving father to his 5 amazing children, a loving son, brother, uncle, cousin, grandson, nephew, and FRIEND TO ALL THAT KNEW HIM. He loved to talk on the phone while pacing through the whole house, watching movies, listening to music, cooking

out of this world special meals, and laughing every chance he got!

His life will be forever cherished in the lives of his children, Logan, Eternity, Olivia, Julien, Brysen and their mothers Robyn and Tammy. He is survived by his parents, Eric (Barb), Brenda (John), his brother Jay (Denise) and their children Joey, Macie, Sunny, Kit and Holly, his sister, Crystal (Keith) and their children Anthony, Devan and Kyler, his Grandparents Beryl & Patsy and Grandma Lucy, and many devoted Aunts, Uncles, Cousins and Friends.

He is preceded in death by his Grandpa, Harry Tiedemann & Grandma Beverly Humphrey Jensen and many loving family members that welcomed him with open arms in Heaven.

In lieu of flowers, donations can be made to any Pitbull Rescue or Celebrate Recovery of your choice.

The family is especially grateful to all of the gracious outpouring from Bruce's friends!

Leota Neigum Rites

Leota Neigum died Saturday, March 27, 2021 with her daughters and special niece, Dawn, by her side.

Leota Neigum was born

near Mott, ND on July 18, 1936 to Wendell and Zola Waddell. She grew up and attended school in Mott where she graduated from Mott High School.

From an early age she knew she wanted to be a nurse and help people, especially children. After she graduated from St. Alexius School of Nursing in 1957, she worked as a pediatric nurse at St. Alexius hospital for 43 years. She retired in 1996 but remained active in the community.

Leota married Frank Neigum on June 22, 1959 at St. Mary's Church in Bismarck and felt blessed to become part of the Neigum family. Frank and Leota had two daughters, Cindy and Nadine.

Leota always enjoyed planning family get-togethers "in the nest," and spending time with family and friends, especially the grand kids. You were never a stranger for very long with Leota. She also enjoyed camping

and playing pinochle. She was an active member of Ascension Catholic Church, Catholic Daughters, Serra Club as well as serving with the St. Alexius Auxiliary, Red Hats, Retired Nurses Group and Christian Women's Club and Circle of Friends.

Leota will be missed by many friends and family including her daughters; Cindy (Steve) Rausser, Bismarck, Nadine (James) Mittleider, Bismarck; grandchildren, Shawn Mittleider, Jordan (Amy) Moszer, Tyler Mittleider and Ashley (John) Duppong; great-grandchildren, Seth, Megan, Jase, Mason and Ember; brother, Bill (Charlene) Waddell, Worley, Ida.; sisters, Joyce Hovland, Watford City, Devonnie Waddell, Worley, Ida., Jennine Waddell, Spokane, Wash., Denise (Walter) Floch, Plumber, Ida., Sherri (George) Goody, Meirose, Mont. She will also be missed by all of her nieces and nephews who considered her to be their favorite aunt.

She was preceded in death by her parents; her husband, Frank, an infant son; sister, Kay Hovland and many brothers-in-law and sisters-in-law.

The family would like to extend their gratitude to St. Vincent's Care Center for the care they provided for their mother, with a special thank you to Miranda, Melissa and Betty and St. Alexius Hospice.

Memorials can go to Serra Club, Catholic Daughters, Church of Ascension.

Betty Herner Rites Held

Elizabeth Herner, "Betty" to all her friends and family, age 90 of Mott, ND passed away with family at her side on Thursday, April 1, 2021, at the Good Samaritan Society Nursing Home in Mott, ND.

The Rosary was said on Wednesday, April 7, 2021, at 10:00 am MT, followed by the Mass of Christian Burial at 10:30 am MT at St. Vincent's Catholic Church in Mott. Fr. Stephen Folorunso officiated with burial following at Sunnyslope Cemetery in Mott.

The Funeral Mass was live streamed and available for viewing on Betty's obituary on our website at www.evansonjensenfuneralhome.com

Betty was born in Regent, ND on April 30, 1930 to Arthur Helfrich, Sr. and Anna (Lindemann) Helfrich and was raised on the farm before moving to Mott. She worked at a local dry cleaner's as a young adult before her move back to a farm when she married Wilbert Herner on November 14, 1951 at St. Vincent's Church in Mott. There

Josephine "Jo" Marie Friedt Rites

Josephine was born on October 28, 1937 in Regent, North Dakota and she went to be with the Lord and Blessed Mother on March 17, 2021 in Grants, New Mexico. She married Victor Friedt on November 16, 1954 in Regent, North Dakota and moved to Grants, New Mexico on February 14, 1967 with her husband and family.

Rosary and Funeral Services for Josephine Marie Friedt 83, of Grants, New Mexico will be held on Friday April 23, 2021 - 9:30 AM at St. Teresa of Avila Catholic Church. Private burial will follow at the Grants Memorial Park. Rev. John Paul Sauter will be the celebrant.

Through the years, she worked in multiple capacities within the service industry and retired in 1999. Her greatest interests were faith, family, baking, plants, hummingbirds, and reading; with the greatest joy being her family. She was a devoted daughter, wife, sister, mom, and 'Nanny' to her family. She welcomed all with open arms and was a mother to everyone who entered her loving home, and no one ever left hungry. Her happiest days were spent surrounded by her family.

She is survived by Seven Children: Vicki Friedt of Grants, NM, Allan Friedt of Grants, NM, Pam Friedt of Grants, NM, Debbie Johnson and husband Steve of Albuquerque, NM, Cindy Aires and husband Gary of Grants, NM, Arnie Friedt and wife Joyce of Ute Park, NM and Arnell Friedt and wife Nicole of Rio Rancho, NM; Nine Grandchildren: Melissa, Eric and wife Jessica, Allan Edward, Justin, Jordan, Dylan, Joshua, Isabella and Alexander; Two Great-grandsons: Matthew and Maverick; Siblings: sister Lena (& John) White and brother David Greff and wife Jackie.

She is preceded in death by her husband, Victor Friedt; Son Arlan Friedt; Grandson Arlan Lee Friedt; Parents: Gabriel and Mary Greff; Sisters: Elizabeth Greff and Mary Reese; Brothers: Gabe Greff, Joseph Greff, Mike Greff, Clement Greff, Godfrey Greff, Tony Greff, Frank Greff, Adam Greff, Louie Greff, and Paul Greff.

In lieu of flowers, donations in Josephine's memory can be made to St. Joseph's Mission School in San Fidel, New Mexico (www.stjosephmission-school.com) or St. Joseph's Indian School in Chamberlain, South Dakota (www.stjo.org).

Arden C. Stafford Rites Held

Arden C. Stafford, 88, of Scranton, ND, passed away on Tuesday, March 16, 2021, in Scranton. Funeral Services for Arden were at 3:00 p.m. on Sunday, March 21, 2021 at the Pierce Congregational Church. Pastor Mary Wiggins officiated with a burial that followed in the Pierce Cemetery. Visitation for Arden was March 20, 2021 from 12:00 pm to 9:00 pm at the Krebsbach Funeral Home Chapel.

Arden Stafford was born in Hume township, Slope County, on October 5, 1932, son of Archie "Art" and Ellen (Powell) Stafford. He grew up on the family farm north of Scranton during the Depression. Arden received his high school education in New England. At the young age of 23, he took over the family farm when his father passed away in 1955.

Arden married the love of his life Virginia "Ginger" Brown on October 29, 1962. They resided in Scranton most of his farming years and would live on the farmstead during the summer months. God made a Farmer out of Arden; a wonderful caretaker with strong arms to cultivate the fields, work on machinery, and provide loving support for his family. He was also crazy enough to buy goats, rabbits, lambs, piglets, and calves for his daughters. At the end of every hungry day, he was lucky enough to come home to many wonderful meals always cooked with love by his wife, Ginger. In 1995, Arden responded with smiling eyes when his youngest daughter, Ann, and her husband, Keith "Fix" wanted to spend their life carrying on the farming tradition; so God made Another Farmer!

Arden enjoyed camping, hunting, fishing, puzzling, pulling all the kids behind his boat to water ski, and taking many family trips. He had a green thumb when it came to gardening too. His potato crops, carrots, and tomato plants would always yield a plentiful harvest. This past year with Covid, he was fortunate for technology and live streaming all the NightHawk sports; watching his grandkids

succeed in all of their events. Arden's greatest pleasures in life were the times spent with his family. Besides his three daughters, Arden thought of Frank and Dick Brown as sons; as they often went to Arden for advice and worked together on the farm.

Arden was preceded in death by his parents, his sister, Doris Teske and her husband, Lloyd Teske. Survivors include one sister, Idel Ruggles (Robert). His wife of 58 years, Ginger Stafford. Three daughters: Brenda Opitz (Derek "Opie"), Scranton, ND, Beverly Murray (John) Thornton, CO, Ann Marie Anderson (Keith "Fix") of Scranton, ND.

His Grandchildren: Skylar Lagro, Kayla Lagro, Kebira Murray, Callie Anderson, Jeran Anderson and Caden Anderson. Two Great Grandchildren: Hayven and Hudson.

Step Grandchildren: Carrie Yeager, Paul Murray, Jessica Murray, and Chad Murray. Stephanie Kunze, Sarah Croymans, and Kyndra Hosek. Including their children and families.

RECIPE OF THE DAY

EGG MCMUFFIN BREAKFAST CASSEROLE

- 8 English muffins, split and cut into bite sized pieces
- 12 oz. Canadian bacon, cut into bite sized pieces
- 2 cups shredded cheddar cheese
- 9 large eggs
- 1 3/4 cups milk
- Salt and pepper, as desired

Preheat oven to 350°. Grease a 9 x 13 glass baking dish. Layer the bottom of the baking dish with half of the English muffins, half of the Canadian bacon, and half of the cheese. Layer again with the remaining muffins, bacon and cheese. In a bowl, whisk together the eggs, milk, salt and pepper. Pour egg and milk mixture evenly over the casserole. Bake for 45 minutes. Serve drizzled with maple syrup.

THANK YOU

The Betty Herner Family would like to extend our sincere appreciation and thanks for the many condolences, kind words of sympathy, support, food, cards, and memorial donations we received after the passing of our Wife, Mother, Grandmother and Great Grandmother. Thank you to Evanson-Jensen Funeral home, Father Stephen Folorunso, St. Vincent's Altar Society for the rosary and serving lunch, and to Jodi and Rachael for the music. A special thank you to the Mott Good Samaritan Society and staff for caring for Betty. Your acts of kindness will always be remembered.

THANK YOU

I was overwhelmed by receiving so much attention on my birthday.

I want to thank each and every one of you for the cards, gifts, phone calls, visits and wishes received. It was truly amazing.
