Jr. Firefighter Academy Camp FAQs

If you have a question that is not answered below or need more information, please contact our Education and Outreach Coordinator at educator@denverfirefightersmuseum.org.

Frequently Asked Questions:

- What do I need to do to register my child for this camp?
 - Please thoroughly read this FAQ document and fill out the Registration Form that is linked on the camp page. Send the completed Registration Form to the Education and Outreach Coordinator at educator@denverfirefightersmuseum.org or drop it off at the museum during our open hours (Tuesdays - Saturdays 10 am - 4 pm). You will also need to pay the camp fee of \$60.00 per child in order for your registration to be complete. We can take payment via debit or credit card over the phone at (303) 892-1436 or in person at the museum during our open hours.
- Will I receive a confirmation of my registration?
 - Yes, the Denver Firefighters Museum will send you an email confirming your registration once you have returned the completed Registration Form and paid the fee.
- What will drop-off and pick-up look like?
 - You may either drop off and pick up your camper off curbside in front of the Denver Firefighters Museum building or you can park and bring them inside.
 - We require that an adult must drop-off and pick-up each camper each day of camp and that they sign that camper in and out of camp.
 - As your child's safety is of paramount importance to us, we require that only those adults who have been designated to sign out a camper may do so. Campers may not leave until a designated adult signs them out and provides ID that matches their stated name. (You can list designed drop-off/pick-up adults on the Registration Form).
 - Please plan to drop off your camper no later than 2 pm for camp so they do not miss out on any camp experiences. You may drop off your camper as early as 1:50 pm for camp. You can also bring your camper early to explore the museum together before camp begins at 2 pm.
- What will campers do at the Jr. Firefighters Academy Camp?
 - Campers will get to learn about firefighters, fire science, and fire safety and prevention by exploring the museum galleries as well as participating in hands-on activities in a classroom setting.

- Who will be with my child during Jr. Firefighters Academy Camp?
 - Campers will be with our Education and Outreach Coordinator, who has previous experience working with children, during the entirety of each camp session. Throughout the week, your child may also work with other Denver Firefighters Museum staff and volunteers.
- Should I send my camper with anything?
 - Please send your child to camp each day with a water bottle labeled with their first and last name.
 - Please leave any and all valuables (ex: electronics, expensive outerwear, money, etc.) at home as the Denver Firefighters Museum is not responsible for lost or missing items.
- How should my camper dress for Jr. Firefighters Academy Camp?
 - We recommend that your child dress for a fun and active afternoon.
- Who can attend the Jr. Firefighters Academy Camp?
 - This camp is for children in 1st-3rd grades.
 - Jr. Firefighters Academy Camp is a drop-off program. In order to foster a cohesive experience, this camp is for registered participants only; therefore, adult guardians and non-registered siblings and friends cannot attend.
- What if I need to contact the Denver Firefighters Museum or my child during a camp session?
 - Please call the Denver Firefighters Museum's main phone line at (303) 892-1436 and the staff member who answers will be able to assist you and/or locate your child.
- What if I need to cancel my camp registration?
 - If you need to cancel your camper registration, please contact our Education and Outreach Coordinator at educator@denverfirefightersmuseum.org.
