

# SUMMIT STUDIO DANCE COMPANY

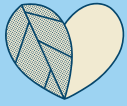

## Information Packet

Summit Studio Dance Company is a competitive program meant for dancers who want to get the most out of their dance journey. SSDC was founded on passion, growth, a love for dance, and the desire to create a “home away from home” for dancers. We believe pairing those values with the privilege of competition builds confident and motivated individuals.

Competing at the regional level (Denver area), our Company has been recognized with awards including Showmanship Specialty, Unmatched Energy Specialty, Highest Scoring Hip Hop, Hip Hop Excellence, Judges Choice, and Directors Choice.
