Date: 02/18/2025  
To: Prospective Respondents  
Subject: Addendum No. 1 - East Exterior RFQ & RFP  
Issued by: Iola Theatre Association

Below are responses to questions received:

**Q: On the pricing proposal for the east facade, are you looking for a lump sum amount or a fee amount?**

A: There should be fee amounts by categories, not a lump sum.

**Q: There is a Fee Schedule requested, should there be line items such as facade, windows/doors, and ticketing booth?**

A: The categories such as facade, windows/doors, and ticketing booth are appropriate. One could break it out differently as well.

We realize that there will be options and decisions especially in regards to the facade restoration and preservation. Thus, those options could be included.
