(u) the Hobo Trophy

The idea of a Hobo run was put forward by Bob Wright in 1942. Unfortunately he was killed in a motorcycle accident so in 1943 a Hobo Run was organised by Sandy Sandford and has been held every year since on the nearest Sunday to 5th November convenient for the CHIEF HOBBO, who is elected by mutual consent at each meet for the following year, and has the responsibility for organising the following years run.

This trophy is a wooden shield provided by Doug Osmonde in 1945 with the names of the Chief Hobos burnt in and a crude holder for a photograph of the current holder.

In 1983 being no more room for names, Stan Bray got "Pat" Howard, (a Founder member of the Tricycle Association) then 80 years old, a retired theatrical carpenter, to re-vamp the trophy by sawing it in half so that no names were lost and mounting the two halves on a large board.

The Taylor Brothers supplied a photograph of each Chief Hobo every year, and many holders collected it at the Club Dinner in their Hobo clothes.

Presented in 1957 by G. E. M. Harris ("Goff") whose father won it outright in Blackheath Harriers Cross-Country Championship, beating the world famed Sidney Wooderson. "Goff" was an enthusiastic cyclist who as an under age volunteer in the First World War was gassed and suffered from emphysema of the lungs which finally killed him. Although confined to bed he never lost his enthusiasm for cycling and wrote under the nom-de-plume "Yabbergabber". He had a gift for versifying which made his contributions to AWHEEL very popular. He and his wife Laura put up riders at their homes in Eltham when riding in events in the London area.

He stipulated that the selection of the best article should be by a secret vote amongst all members if possible, on a points system 3 for 1st choice, 2 for 2nd, 1 for 3rd. Before this 1 guinea had been awarded by the Editor for the best article to encourage contributions.

(xi) MISCELLANEOUS TROPHIES

There are trophies for Table Tennis (presented by the Knowle Community Association), Darts (presented by Frank Wells), and would you believe it! - for the Free-Wheeling Contest (presented by Dick Bowes) if further proof were needed of the wide range of activities.

The "SOLIHULL SPIRIT" rises again, so success of the club is assured.

If the new ideas being proposed, have the GOOD of the CLUB as their AIM.

Deriving from circuit races promoted in Dartmouth Park, Handsworth Park and Sutton Park by the Club for example Bob Maitland won the 1951 race in Sutton Park, in 1952 the Olympic Year when the NCU first decided to allow massed-start racing on the open road, the Solihull CC not only ran its customary circuit race in Sutton Park at 6.00 am won by B. L. Langston (Birchfield CC) but jointly promoted the first Road Race under NCU Rules with the Birmingham and Midland Centre NCU at 11.00 am on a course at Bassets Pole over 90 miles, organised impeccably by Bernard Randle and won in most exciting fashion by the Club's own International star Dick Bowes.

(g) SHAW-BLAKELOCK TROPHY

In 1962 two most promising members, John Shaw and Eric Blakelock, sons of well-known cycling families, were killed while on holiday in Germany. The Club made a collection throughout the Midlands raising over £400, and four identical trophies specially commissioned from Birmingham's famous jewellery quarter, a top class silversmith making deep relief likenesses of the two boys racing which were mounted on oak plaques with silver side plates for inscriptions. These four trophies were presented for award in branches of the sport in which John and Eric had already shown outstanding promise (a) TOURING, so one to the Birmingham District Association of the CYCLISTS TOURING CLUB for its Map Reading Competition, (b) PURSUING - so one to the Midland Division of the BRITISH CYCLING FEDERATION for its Team Pursuit Championship, (c) TIME-TRIALING so a third to the MIDLAND COUNTIES CYCLING ASSOCIATION for its Open 100 miles event, and the fourth to the SOLIHULL CYCLING CLUB for its Open Junior Mass-Start event which had been organised in the Parks since the 1950's. In this way it was hoped that their memory would inspire young and upcoming cyclists throughout the Country.

(h) THE CANNON HILL PARK RACES

217

Circuit races in Dartmouth and Handsworth Parks had usually included events for Schoolboys as well as the Senior (or first Category), and Junior Events, then in 1975 Barry Moss organised a whole day's racing at Cannon Hill Park with full co-operation of the Birmingham Parks Department as one of their amenities. It proved to be a great success although hard work for loyal Clubmates and officials. The inclusion of Grand OLD ORDINARY events organised by John Pinkerton (Southern Veteran-Cycles Club) provided a fascinating novelty and only the sponsorship of CLARKES CABLES made it financially possible.

Those very deserving organisers are indicated by their initials:-

Barry Moss (BM), Harry Reynolds (HTR), Dennis Bolton (DB), Chris Moseley (CM) John Hartga (JH)

(iv) HALFORD'S GRAND OLD ORDINARY EVENTS

The 1 mile National Championship has been won by Douglas Pinkerton (Birmingham Mercury CC) every year, also the three lap Scratch and even the 500 yds. Handicap in spite of as many as 23 entries include odd ones from USA and New Zealand.

KEITH ATKINS MEMORIAL ROAD RACE

Keith a young new member was out walking with friends in Leamington in 1983 when a car mounted the pavement and ran them down, killing Keith. He was buried at Salter Street Church and his parents gave a Cup to his memory for this event. His younger brother rode in the 1985 race, organised by Dennis Bolton.
