

Swiss Club Tell

FEBRUARY 2025

Thanks to all who attended the Annual General Meeting on January 25th at San Rafael Joe's. Thirty-eight people attended, all in the mood to hear about the Club's news, to meet with friends, and to have a good meal.

Our Treasurer Michael Beusch was unable to attend but submitted his report which detailed that our finances are in good order, as confirmed by our Trustees. We recapped the events of 2024 - in April, a Jass Tournament & dinner, in June, the popular grilled Bratwurst, Potluck, and Cremeschnitte Picnic at McNear's Beach, in October, a very fun cheese making experience at The Epicurean Connection in Sonoma followed by a delicious dinner at The Plaza Bistro, and finally, the annual Christmas luncheon & dance with a visit from Samichlaus. View pictures of past events on our website (www.swissclubtell.com).

We detailed the events calendar of 2025. The list, with locations and dates, is shown on this newsletter. We hope you will attend all, or as many as you can, and your guests are always welcome to attend as well. The good news is that the Fall Event this year will once again be a San Francisco Bay Cruise and Luncheon onboard Luxe Cruises' Pinot Noir. Invitations to all events typically go out a month before the date, so mark the dates on your calendars, look for your invitations, and check the website for the latest information on all events.

Our Board members again offered to continue in their positions for the coming year and, without any dissension from the floor, were accepted by acclamation; so that concluded our meeting.

For Jassers, we'd like to mention that the Aelpler Gruppe in Newark hosts a monthly weekend Jass get-together in their hall. For information, contact Rick Steiner (201) 359-7604.

The Aelpler Gruppe in Newark has two events coming up soon - a Jass Tournament and Cheese Fondue Dinner on February 23rd, and the annual folklore event on April 13th. Please check their website for more information (www.aelplergruppe.com).

Welcome to our newest members!

Heidi Campini

Pat Schaffarczyk

If you haven't already done so - 2025 club dues are now payable.

If you have been a member for at least 10 years and are now over 65, you are exempt.
