What We Do

There are six committees/areas of service in which GFWC specializes. These are called GFWC Community Service Programs. They are Arts, Conservation, Education, Home Life, International Outreach, and Public Issues. Each club member is asked to participate on one of these committees. Within each committee there will be different service projects working with the MC Hospital, Benton Public Library, Family Resource Center, Marcella's Kitchen and others. Our projects for the year include Paint the Runway Pink, Holiday Tour of Homes, Puttin' on the Mitz, Scholarships, and more.

General Federation of Women's Clubs

Since it was founded in 1890, the General Federation of Women's Clubs has been a unifying force, bringing together local women's clubs from around the country and throughout the world. Although there is considerable diversity in the ages, interests, and experiences of GFWC clubwomen, all are united by a dedication to community improvement through volunteer service.

Accomplishments during GFWC's first century include: establishing 75 percent of the country's public libraries, developing kindergartens in public schools, and working for food and drug regulation.

During its second century, the Federation has pledged to maintain its commitment to working for a better world. With **"Unit in Diversity"** as its motto and a strong umbrella of programs that clubs may adapt to suit the needs of their communities, GFWC encourages the flexibility that has enabled it to expand its reach in a rapidly changing society.

Strength in Numbers – GFWC's Accomplishments

One need look no further than their local woman's club to find the key to community improvement. The dedications of our more than 100,000 GFWC clubwomen have made it possible to achieve the following:

*Generously contributed \$180,000 for a fully-equipped ambulance to be used by the New York City Fire Department in response to the loss of equipment suffered as the result of 9/11.

*Fulfilled a commitment to America's Promise by raising and donating over \$13.5 million in books and materials to public libraries and public school libraries through its Libraries 2000 Programs.

*Partnered with the President's Commission on the Celebration of Women in American History in an effort to increase awareness of the important role women have played in local communities since our country was founded.

*Sponsored a nationwide discussion on the changing roles of women through "Which Way Forward for Women?" forums.

*Instituted Youth Suicide Prevention Programs and Safety for Older Americans Programs

*Founded the GFWC Women's History and Resource Center

These and many more accomplishments are the reward for the hard work and lifelong dedication of GFWC clubwomen.

GFWC Kentucky

The **Kentucky Federation of Women's Clubs** was founded in 1894 and is a member of the General Federation of Women's Clubs, an international organization dedicated to community improvement through volunteer service.

GFWC Kentucky is composed of over 1,097 members in 68 Clubs across the state. This diverse organization unites women of all ages and backgrounds to build better neighborhoods and improve their communities and themselves through various service programs.

Benton Woman's Club

The Benton Woman's Club was founded in 1910 as the Corona Literary Club, but became known as the Benton Woman's Club when it became federated in 1914 and joined the State and National Federations. Our club motto is **"not what I can get, but what I can give"** and we strive to honor that as we are involved in fundraising and volunteering in our community.

Our club is dedicated to serving the people of Marshall County through volunteer service. We strive to fulfill all the areas of service as set forth by GFWC while striving to help better the community in which we live. We have had many accomplishments throughout the years, one of our club's biggest endeavors was the establishment of the Marshall County Library in 1954. In recent years, we are known for the Paint the Town Pink Breast Cancer Awareness Walk (Paint the Runway Pink), Holiday Tour of Homes, and Puttin' on the Mitz. All of which raise funds for charitable organizations in our neighborhoods and our scholarship Fund. We also established and maintain the Ribbons of Love Garden in the Benton City Plaza, and volunteer in many capacities throughout the community.
