

Student Athlete Academy - Fall 2020

August 17 – October 14, 2020

The Carolina Ice Zone is excited to announce the formation of a Student Athlete Academy to accommodate student athletes scheduled for Distant Learning for the 2020-21 school year. Limited spaces are available and will be filled first-come, first-served. The main focus will be on schooling, with a maximum teacher/student ratio of 7:1 for each learning group. Students will remain with their learning group for the day and teachers will be in constant communication with parents to keep each child on task with their Distant Learning, plus assist in tutoring students in any subjects needing extra help. If time allows daily, teachers will have additional learning plans ready to keep students challenged. Extra resource subjects will be added if time allows, such as art and music. *This is not a babysitting service, but a school environment for the entire school day.*

Students will also have daily ice skating or ice hockey, the amount of time and level of intensity will depend on the age and level of the student.

Fall Semester – Drop off between 7:30-7:50am and pick between 1:30-1:45pm

\$45/Distant Learning Day* x 21 days for Fall 2020

\$40/Distant Learning Day* for siblings x 21 days for Fall 2020

***Afterschool Care from 2-6pm will be \$10/daily (50% off and first consideration for Academy Students)**

***Academy students will also receive first consideration and 50% off School's Out Day Camps during the semester (more info to come).**

Accepting reservations for the first 21 students with a \$100 deposit, then a wait list will be formed. We can best accommodate a student in 2nd – 8th grade but will consider accepting a 1st grade sibling of another student. Unfortunately, we are not currently qualified to accommodate children with special needs or behavioral disorders at this time. After initial deposit, weekly balances will be paid each Monday morning of a student's Distant Learning week.

***Spaces are extremely limited and students must commit to the entire 9 weeks at a time.**

Questions – please contact Stephanie Bardykin, Academy Director at (252) 353-8888 or skatepairs@aol.com

****We look forward to the opportunity to help your child(ren) SOAR in the classroom and on the ice****
