

# Fair Forests Consulting

Consulting to improve diversity, equity, and inclusion in urban and community forestry.

## What is Fair Forests?

At Fair Forests we use an environmental justice lens to help organizations across the country create healthy urban forests that everyone can benefit from. We work closely with clients and the communities they serve, to understand their challenges and goals and develop solutions that are tailored to their unique needs. Our approach is transparent, honest, results-driven, and designed to help organizations and communities thrive.

## Services

- Evaluate current processes and documents
- Create and conduct survey and/or interview questions with partner organizations and/or individuals
- Host virtual webinars/training sessions/presentations for the Client's Board of Directors and Staff.
- Host in-person training and/or facilitation
- Analyze qualitative data to guide new trainings

## Cost for Services

The price for the delivery of the selected services will be billed at a rate of \$250 per hour. This includes time for two Fair Forests staff members and any materials needed. Travel will be billed at standard per diem rates per day and current air fare rates. Fair Forests Consulting, LLC will submit an invoice for these services upon completion of each task.
