

Great O Plus Omega Supplements

What Our Producers Say

“Our 900 cows breed better and earlier, and cows and calves stay healthier. I’ve ordered a second semi of tubs.”

Dave Dutton
Sand Springs, MT

“Our 1,000 cows and bulls are doing better in breeding, fertility, and herd health. And, our customers are noticing the improved mouth feel of the Omega-3 enriched beef.”

Jim Butcher
Gateway Simmatal
Lewistown, MT

“We had a terrible Spring but with Great O, we had a good breed up and a health turnaround. It stopped the scouring in our calves.”

Talitha Ashcraft
XY Cattle Comany
Twin Bridges, MT

“Using Great O tubs for two years, our 60 heifers Al’d in the last year at 82%, the highest I ever got; and on the cow side (388) it was 95%.”

Alex Peterson
Haigler, NE

“We saw significant improvements in our overall herd health.”

Brooke Miller, MD
Washington, VA

“The ROI shows that it’s been well worth it.”
