

# **In Our Garden Activity Book**

**Artist - Explorers - Scientist**

**BY DIG TOGETHER**

**this book belongs to:**

-----

Find a spot in the garden you like. Be still and notice what is around.  
Write or draw your answer to you questions below.

**What do you SEE?**

**What do you SMELL?**

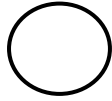

**What do you HEAR?**

Can you find these shapes in the garden? Draw or write down what you discover.

**Heart**

**Circle**

**Rectangle**

Write or draw plants or items you see in the garden that match the colors below!

**Green:**

**Blue:**

**Yellow:**

**Orange:**

Find a plant in the garden that you enjoy. It can be for any reason.

Now what do you notice about it?

What textures do you feel?

How does it smell?

Look what colors are on your plant?

Draw a picture of this plant below.

Close your eyes and imagine your own garden.

What would you grow? What colors would you want to see? Do you want flowers, herbs, fruits or vegetables? Birdhouse? Water fountain? pond?

**Below draw or describe the garden you imagined.**
