

The Science Academy

Facilities Covid19 SAFETY RULES AND PROCEDURES

We take the health of our students and staff very seriously. For this reason, we will be implementing certain Safety Procedures utilizing the recommendations of the CDC to remain as safe and healthy as possible. Our Safety Rules and Procedures are as follows.

- All students and staff members will have their temperatures checked periodically.
- All staff members will be wearing face masks and at times face shields.
- **Classrooms are “Sanitized Zones” and restricted. ONLY Science Academy staff and Students are allowed.**
- **Before entering the facility, the CDC guidelines are,** students and parents must be wearing their **masks.**
- To enter the facilities, parents should get in line outside the front doors **maintaining social distance** and waiting to be let in.
- ONLY ***one Set of “Parent and student(s)” can come into the lobby, one set at a time.***
- All students **before entering our facilities** and throughout the day will have their temperature taken. If their temperature is at 99 degrees or more, they will be asked to stay at home.
- Students will be Social Distancing throughout the day in their labs.
- Students will be having fun while being engaged in science labs and taking Health Breaks throughout the day (Health Breaks are: A walk outside, a chance to safely remove masks, a temperature check, wash hands, restroom breaks, recreation, etc.)
- For the safety of students and staff, students that show any symptoms of illness will be required to go home.
- For the safety of the students and staff, parents acknowledged and agreed that if your child has encountered anyone showing any symptoms of illness that you will communicate this information to us and that your child will stay at home.
- Students will have their own set of supplies and will not be sharing supplies with other students.
- We will use disposable materials when applicable.
- All student spaces, supplies, tables, chairs, door knobs etc. will undergo frequent sanitation throughout the day.
- Hand washing and sanitation will be enforced upon entry, prior to lunch and snacks, also throughout the day.
