# Frequently Asked Questions:

## 🌿 What should I wear?

We recommend wearing closed-toe shoes and weather-appropriate clothing to ensure comfort while exploring the farm. Bug spray, sunscreen, and a hat are always a good idea for added protection.

## ☔ Will there be refunds for bad weather?

No, we cannot control the weather, and all ticket purchases are non-refundable. If you choose not to attend due to weather, we will consider your ticket purchase a donation to support our farm and educational programs.

## 🐾 Can I bring my dog?

No, pets are not allowed on the farm. This policy is in place to protect our farm animals and ensure the safety of all guests.

## 🧑 What is the terrain like?

Not all areas of the farm are paved. Expect uneven surfaces, grassy areas, and soft ground. This may make some areas challenging for strollers and wheelchairs, so please plan accordingly.

## 🎫 Can tickets be purchased at the door?

Yes! Tickets will be available for purchase at the door. However, tickets purchased in advance online will be at a lower price, so we encourage early registration

## 🍰 Will food and drinks be available?

Yes! Light snacks and refreshments will be available for purchase. Attendees are also welcome to bring their own water bottles, as we do not have a water fountain on the premises.
