# THE NEED WE SERVE

*and why we humbly ask for your support.*

## OUR MISSION:

To cultivate community through compassion, cooperation, and connection to the land, animals, and each other.

### Community Partnerships

Our 2024-2025 season has been a year of incredible growth. To date, we have connected with over 10 partners to provide classes and programs to more than 950 children, teens, and adults. Many of the children we serve are visiting a farm for the very first time and are leaving with a new sense of wonder, curiosity, and appreciation for the environment and their role in caring for it.

We are proudly providing immersive education opportunities to children in our community through these partners:
