\$180/month if billed monthly

Plans can be billed monthly or yearly, as noted above. Yearly plans will be billed at time of order, then again on the same date the following year. Monthly plans will be billed at time of order then on the 1st of each month. Signs must have 4G connectivity for us to update them remotely. If your sign does not have this feature, we can still provide you the service, but we will need to send you the files for you upload on your own. Files will be in the proper format for you to quickly and easily upload to your sign. We are also available to come on-site to update your sign. This option is quoted on a case by case basis depending on the type of sign and your location. We reserve the right to refuse content requests that we deem to be vulgar or offensive. If you have any questions, please email us at KennySignCo@gmail.com
