HELP SUPPORT HOMELESS YOUTH CLIMB CANADA’S TALLEST TOWER

IN SUPPORT OF WWF CANADA’S CLIMB FOR NATURE

CREATE LIFE LONG MEMORIES FOR HOMELESS YOUTH

Homeless youth are often neglected and miss out on a wide variety of positive, enriching and impactful opportunities. Help change this, while supporting WWF’s climb for nature! Through your support, instil attributes of commitment, determination, healthy living and care for the environment in homeless youth!

HOW IT WORKS

Climbers will be selected from local Toronto youth shelters and will be prepped and supervised by Youth Rising Above staff. Your entire donation of $155 will go towards WWF’s climb for nature, and will provide an opportunity for a young person to climb the CN Tower; have a professional group photo; a post climb breakfast and an opportunity to climb a rock wall.
