The Friends of the Jacobus Vanderveer House will host Bedminster's Field of Honor[®] at River Road Park. The tribute will celebrate our nation's independence and honor those who have served our country and loved ones with a display of over 200 American flags in the north field of River Road Park along Route 202/206 in Bedminster beginning Saturday, May 14 through Saturday, July 9. On Saturday, May 21 the community is invited to stroll through the Field of Honor[®], picnic on the grounds, listen to live music by the White House Wind Symphony and enjoy historic demonstrations from 11 am to 3 pm.

Flags are \$60 to purchase or \$40 to adopt. Each will include a personalized dedication that will be included in our May 21st Field of Honor[®] Celebration program featuring our valued sponsors. Families of active-duty military personnel (including National Guard and Reserve) can dedicate a flag at no charge (compliments of The Friends of the Jacobus Vanderveer House) while supplies last. Pluckemin Cantonment Opening Night Reveal Party May 19, 2022 6 pm - 9 pm

Jacobus Vanderveer House in River Road Park, Bedminster

Join us to celebrate the Jacobus Vanderveer House's exciting new exhibition, an interactive model and video of The Pluckemin Cantonment, America's 1st Military Academy! Honor the Revolutionary War heroes trained right here in our own backyard by supporting an exhibit that will educate our community to their sacrifice. The model will be unveiled on May 19 at our JVH Opening Night Party. The Model will have interactive features and an informational video. In addition, the model maker, Stephen Schwab, will be available to answer questions you may have about the construction of the model. This permanent exhibition was made possible by a generous donation from our very own trustee and docent, Dr. Yolanda Cillo.

Proceeds from all events will support the general operations and maintenance of the Jacobus Vanderveer House, a Nationally important historic site and educational and community resource.

About the Jacobus Vanderveer House

The Jacobus Vanderveer House served as headquarters for General Henry Knox during the winter of 1778-79 and is the only known building still standing associated with the Pluckemin Artillery Cantonment, the first cantonment in America to train officers in engineering and artillery. The Jacobus Vanderveer House interprets Dutch colonial life in America as well as the stay by General Knox and his family during the 1778-79 encampment. A National and New Jersey Historic Site, the Jacobus Vanderveer House is a true landmark offering an inside look at United States history and the lives of those who defined the Revolution.
