### **A Little Bit About Four Winds Farm:**

Four Winds Farm is situated on 43 acres, located on Vint Hill Rd in Nokesville, VA. The 50+ stall barn is home to wide variety of horses and ponies. Some are privately owned and the rest of them are owned by the farm and used in lessons, are in training to be sold or are permanent residents. We do have rules about feeding treats as well other barn rules that we will go over with everyone, campers are allowed to bring a couple carrots or apples for their horse. We have a huge 160' by 200' all weather sand outdoor arena with a course of jumps and a 140' by 180' indoor arena available if the weather is rainy. The riding stable specializes in hunters and jumpers with strong basics in groundwork and equitation. We also teach the basics of Western Pleasure riding and Western Dressage. We are a busy barn that holds schooling shows, teaches lessons, board horses, train, lease and sell horses and ponies. We offer weekly lessons year round.

### **Our Day Summer Riding Camps:**

We are offering nine - day camp sessions offered for boys and girls ages 4 and up. Programmed group activity is adjusted to each camper's ability. Each camp consists of a week long program lasting Monday to Friday. Day campers are to arrive no earlier than 9:00am Monday – Friday and are to be picked up each day no later than 2:00pm unless before/after camp care has been pre arranged.

Each weekly session is limited to a maximum of 14 campers; with instructors, counselors, and aids adjusted accordingly to the number of campers. This is a small intensive program designed to give quality riding time to each student as they also learn the practical and fun side of horses. Mounted lessons will be given one to two times daily.

The lessons will typically consist of ring work where emphasis will be placed on equitation and forward seat. Riding lessons may also involve trail riding, riding in the field, bareback or horse games depending on the level.

Arts and crafts, instruction and demonstrations; as well as lectures on horse care, pulling manes, clipping, bandaging, horse management, feeding, grooming, and equine theory will also be provided for campers of the appropriate age or skill level. Riders will be responsible for taking care of their horse and its equipment before and after each ride.

\*\*Friday of each camp week the campers will do a demonstration for their parents/relatives/friends to show all they have learned at camp. The time will be coordinated with the parents each week, typically 1:00ish.
