Tony opened the Leadership meeting with a short devotional and prayer.

We were asked to work in small groups (groups of 3) to come up with objectives of Goal #2 using the examples that Tony had written out.

The following objectives were suggested for Goal #2.

- a. Intentional small groups – trying to accomplish
- b. Spontaneous groups- ability for people to speak, moments of testimony
- c. Culture of forgiveness – small group focusing on forgiveness
- d. Neighborhood families – offer opportunities – open gym night
- e. Grievance process forms
- f. Unique ways of getting points/message across – skits, videos
- g. Utilize the Coffee Café after church service

Carol suggested to the team that we all provide suggestions rather than just a few people responding when the draft statements are emailed.

Tony suggested that between now and the next time we meet we will have five or six objectives that are important to us, printed out and prioritized under the goal.

We then went on to Predictable Influence of Conflict on our behavior when we are in conflict. Responses and discussion was heard from various members.

Tony then proceeded to The Ministry of Listening:

- a. Feelings
- b. Intention
- c. Attitudes
- d. Thoughts

MINISTRY INITIATIVES – GOAL 6 & 7
