

2021 NACRW Meeting At A Glance

Draft *as of 4-16-21*

Monday, July 26, 2021

9:00-10:00 am **Exhibition hour**

11:00-12:30 pm NACRW Reference Materials Working Group

The Working Group will present the 1st Edition of "Reference Material Use in Trace Analysis" followed by an Open Forum discussion of a 2nd Edition, including chapters on inorganics and cannabis.

12:30 – 1:00 pm Technology Networking (sponsor)

Sponsored by SCIEX

1:15-3:15 pm NACRW Veterinary Drugs Working Group

Presentations and Open Forum will discuss the optimal MS-based analyte identification criteria. A collaborative study of multiple matrices and analytes is being planned to evaluate analyte identification criteria to minimize the rate of false positives and false negatives.

Tuesday, July 27, 2021
