Pesticide Residue Conference

4th annual

JULY 18,19,20 PERRINE, FLA.

1967

Tuesday, July 18

8:00 - 9:30 a.m. Registration

9:30 a.m. Purpose of Conference and Introductions - Doyle Golden

9:45 a.m. Tour of Laboratories - Dr. Robert Owens

11:00 a.m. Micro Modification of Mills Technique Dr. Henry Enos

11:30 a.m. Rento-rule-Sample Data Retriever Devi Mr. Jack Thompson

12:00 Noon Discussion

Lunch

2:00 p.m. Review of Epidemiologic Research of the Community Studies - Dr. George A. Reich

2:30 p.m. Methodology Utilized in the 1966 Regional Research Project S-58 - Dr. W. B. Wheeler

3:00 p.m. Discussion

3:15 p.m. Break

3:30 p.m. Field Experiences with Carbamates in Central America - Mr. J. J. Freal

4:00 p.m. Poisoning Problems with Pesticides in Florida - Dr. John Davies

Wednesday, July 19

8:30 a.m. Analytical Methods used in Bureau of Commercial Fisheries Monitoring Program - Mr. Alfred J. Wilson, Jr.

9:00 a.m. The Structural Determination of a Choli estrase Inhibiting Substance Causing a Fish Kill - Mr. John I. Teasley

10:00 a.m. Discussion

10:15 a.m. Break

10:30 a.m. Trend in Pesticide Residue Levels in Meat Inspection - Mr. A. J. Malonoski

11:00 a.m. Chlorinated Hydrocarbon Levels in Blood Dr. Walter Edmundson

11:30 a.m. Pesticide Residue Program of FDA - Mr. Dave Williams

Discussion

Lunch

2:00 p.m. Residue Analysis of Phenyl-substituted Ureas - Dr. V. Frank Boyd

2:30 p.m. Panel Discussion on Cross Contamination Bob Schenley, Harvey Grey and Bill Axson

3:00 p.m. Field Trip to Mobile Laboratory No. 2 and State Board of Health Laboratory

Thursday, July 20

8:30 a.m. Pesticide Residue Problems in Georgia-Mr Joe W. Dendinger

9:00 a.m. The Alabama Pesticide Residue Program-Mr Rex Richburg

9:30 a.m. Resume of Activities in Pesticide Residue Work in Mississippi - Mr. Edwin Jackson

10:00 a.m. Discussion

Thursday, July 20

10:15 a.m. Break

10:30 a.m. The Use of Internal Standards on Residue Analysis of Vegetables - Mr. William B. Buffaloe

11:00 a.m. Some Comments on Analytical Work in the Tennessee Laboratory - Mr. Lee McClaran

11:30 a.m. A Discussion of Insecticide Screening Methods as used in Virginia - Mr. F. D. Griffith

Lunch

2:00 p.m. The Texas Pesticide Residue Monitoring Program - Mr. Charlie Chapman

2:30 p.m. Inspection Techniques and Follow-up Procedures - Burke Chester, Bill Taylor, and Bob Jones

3:00 p.m. Discussion

3:15 p.m. Break

3:30 p.m. New Methods and Equipment used in Florida Residue Laboratories - George Fong, Warren Keene, Scott Brady, and Bob Adams

4:00 p.m. Acetonitrile Extraction of Feed Samples - Donna Jernigan, Cynthia Schenley, and Hubert Hines
