You have dreamed about this day since you were little...picking out your wedding dress, choosing a cake, walking down the aisle. These dreams will become a reality when you plan your special day at "The Barn in Wellsville". The wedding package includes use of the Barn and the "Bed & Breakfast" for Friday, Saturday and Sunday, your choice of round or rectangular tables, chairs, outdoor games, a old fashion tractor & wagon ride and wedding decorations if you desire! There is a sporting clay venue on the property as an optional activity before the wedding.
