

Option #12: “Wish it was up all night!”

\$125
per event

This option allows us, once we are done serving, to place the leftover food in wire disposable chafers and refill the buffet one last time before we leave. You and your guests can continue to enjoy your buffet until you are ready to quit. You will be responsible for refrigerating leftovers when you are done partying.

Option #13: “Bus Stop!”

We mean bus your tables! This option is a little more upscale where your guests visit the buffet line to get their food, but we then come around tableside and remove any plates, utensils and discarded materials so your guest can relax and socialize. We also will monitor all trash receptacles and keep them empty until we leave. In the case you are renting china, we collect, rinse and repack for return to rental location. If you need us to take along any trash from the event, we also offer this service for you!

Service	Price per person
Bus Tables—Paper & Plastic	\$3.00 per person
Bus Tables—China	\$5.00 per person
Remove Trash from Premises	\$3.00 per person
