

Items/rooms/projects needed to be sponsored...so many great options!

Giving the Cost of item(s) will be more efficient than actual items in most cases, so we can purchase in bulk if applicable and as needed. If you desire to make a direct purchase, call first, as that item may have already been sponsored or purchased. You can reach Angelique at 610-428-5721 for more information.

GREAT NEWS! Someone from the Advisory Panel has offered to match gifts/donations/investments given in the months of July and August up to \$10,000! What an awesome opportunity to further the giving and get the word out!
