Corporate Contributions to School Tuition Organizations

S-Corp and LLCs that file as S-Corps – Form 335 and/or 341

- Credits Passed Through to its Individual Shareholders.
- Used to support tuition costs for low-income and/or disabled/displaced students.
- The corporation must be pre-approved to make the donation through a school tuition organization (STO). The STO will provide the corporation with an approval number upon receiving approval.
- An S corporation elects to pass through the credits to its individual shareholders.
- The S corporation must provide its shareholders with AZ Form 335-S and/or 341-S. The shareholders then use AZ Form 335-1 and/or 341-1 to claim the credits on their personal tax returns.
- These credits may be claimed in addition to the two individual private school tuition credits and are not subject to limitations that apply to the individual private school tuition credits.
- Minimum Donation is \$5,000.
- Credit can be carried forward for up to 5 years.

C-Corps – Form 120 and/or 335

- Used to support tuition costs for low-income and/or disabled/displaced students.
- The corporation must be pre-approved to make the donation through a school tuition organization (STO). The STO will provide the corporation with an approval number upon receiving approval.
- Minimum Donation of \$5,000.
- Credit can be carried forward for up to 5 years.
