Judges: Judges will not be announced until the day of competition. At least three judges will be used to judge all categories. The scores from all judges will be totaled for each contestant each time they are judged.

—All decisions of the Judges are final.

—In the event of any dispute concerning the decision of the judges, such dispute shall be settled by the Pageant Committee and Marshfield Saddle Club President. The review of any dispute shall be limited to determining if the Judges acted in good faith, impartially and in accordance with the applicable rules. If any Judge is found to have acted in violation of these rules, the Committee and President, at their discretion, may remove such judge and may take any other remedial action they deem appropriate. All decisions of the Committee and President are final.

Candidates Speeches and Interviews

Each Candidate will prepare a speech on a topic about rodeo. It can be about an event, history, famous rodeo person or animal, safety or dangers of the sport, or anything related. Speeches must be a minimum of **2 minutes but no more than 4 minutes long**. The speech needs to have a beginning, 3 points, and an ending. Both the speech and personal interviews will be part of this portion of the competition and each contestant can earn up to 20 points towards their final 100 points. The speeches and interview may be done separately or at the same time. Should they be completed separately, contestants will be asked to take a seat after their speech is given until the personal interviews portion starts.

Sponsorships and Ticket Sales

Each candidate will be required to sell tickets(Vip Tickets, Single Day Tickets and/or Fair Passes) for the Marshfield Independence Day Fair and Rodeo and are also required to get at least one sponsor. They are encouraged to get more than one sponsor if they can. Ticket sales and sponsorships, will count towards the competition up to 20 points of their total 100 points. Top saleswoman for both categories will receive the 10 points, after that the points will be divided based on participate numbers into ranks of 2nd, 3rd, 4th, etc. If the candidate doesn't have sponsorship and at least 1 ticket sale they will receive 0 points for this part of the competition. Example below of scoring (E would be the winner overall in this category):

| E | \$750 | \$150 | 1 st (10pt) | 3 rd (6pt) | 16/20 |

Horsemanship

Each candidate will be judged on her horsemanship abilities. There will be a different pattern chosen for the Princess candidates versus the Queen and Teen candidates. This portion of the competition will make up to 50 points of the 100 point scoring system. You will not receive the pattern until orientation.

The candidate is judged on:

1. pattern being followed correctly and completely,
2. shows control of her horse,
3. show proper posture in the saddle,
4. following official dress code (jeans, button up shirt or horse show attire, cowboy hat, and boots. She may wear jewelry, belt, buckle, and make up, but is not required to),
5. horse is well groomed (decorations on horse doesn't count, but is not restricted) such as washed, combed/brushed,
6. tack is in good working condition and cleaned.

We use the AQHA Horsemanship rules as a guideline. We will not be following their requirements as strictly, but this will give contestants a general understanding of what we are looking for. The pattern will be provided to contestants prior to date of competition. In addition to guidelines listed below, pattern for Teen and Queen Divisions may include side-pass or other maneuvers to help showcase rider's horsemanship.

Note: Princess Candidates need to be able to walk/trot and Teen and Queen Candidates need to be able to walk/trot/canter. If a princess wins and cannot canter, then when we do the winning lap on the 4th she will simply trot to center of the arena, stand and wave as the teen and queen canter the outside.

From the 2024 AQHA Handbook

SHW430. WESTERN HORSEMANSHIP. Available only in the amateur and youth divisions, western horsemanship is designed to evaluate the rider's ability to execute, in concert with their horse, a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence and maintaining a balanced, functional and fundamentally correct body position. The ideal horsemanship pattern is extremely precise with the rider and horse working in complete unison, executing each maneuver with subtle aids and cues. The horse's head and neck should be carried in a relaxed, natural position, with the poll level with or slightly above the withers. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance.

SHW430.1 Pattern. It is mandatory that the judge post the initial pattern to be worked at least one hour prior to the commencement of the class; however, if the judge requires additional work of exhibitors for consideration of final placing, an additional pattern may be posted. All patterns must include a walk, jog, lope, and a back. Pattern(s) should be designed to test the horseman's ability. All ties will be broken at the judge's discretion.

Attendance

Each candidate will receive points for being timely and ready to go for practice. This portion of the competition makes up to 10 points of the 100-point scoring system.

To receive her points for that practice she must:

1. be on her horse.
2. in the practice arena awaiting instructions from her coach at 2pm.
3. If she is even a minute late, she will not receive her points for that day.

Reigning Royalty Duties

As the reigning royalty, you are required throughout the year to come in official dress, with crown and sash, to at least 2 Marshfield Saddle Club Equestrian Events. You may also be scheduled to do promotional events for sponsors or other community activities such as, but not limited to, reading to kids at the local libraries, going to community events, and so on. You will not be eligible to compete the following season, but after 1 year from passing your crown to another you may compete again.

You are also to be an example of a good and moral citizen throughout your reign to the community. If found to be otherwise, you will be removed from your reign and the runner up will complete your rule. At the end of your reign, you will be present on the first night of the rodeo to crown the next year's winning royalty.

Rodeo Night Presentations and Order

The contestants need to be at the fairgrounds by 5 pm on July 3rd. This will be our Pre Show with the last lap for our reigning royalty, presentation of this year's contestants and sponsors, and the crowning of this year's royalty.

The order for crowning will be announced as follows: Princess Runner up, Crowned Princess, Teen runner up, Crowned Teen, Miss Congeniality, Queen Runner Up, and finally Crowned Queen. As stated before depending on the number and ages of participants there may not be a teen category.

At the beginning of the rodeo the candidates and reigning royalty will be lined up and paired off for the opening ceremony. Instructions on the full presentation will come at a later date. Please note that our royalty may be asked to carry flags either in preshow or opening ceremonies of the rodeo.

On July 4th only the new royalty is required to come, but we would love to have all the contestants if they want to be there. The new royalty needs to be at the fairgrounds by 6 pm. They will ride 1 lap in opening ceremonies, then walk around until intermission signing autographs and taking pictures with spectators to promote rodeo.

It is important to note that this is not a clothing contest; however, contestants are expected, wherever noted to be in "official" western dress at all times. We encourage our contestants to dress in clothing that is flattering and fits well, that suits your style and personality and ultimately makes you feel confident; not who has the most expensive wardrobe.

Official dress: Will be jeans, long-sleeved button up shirt or horse show attire, cowboy hat and boots. You may wear makeup, jewelry, belt, buckle, decorate horse or anything else you want, but that is up to each contestant and won't gain you any extra points.

Provided Official Shirt(s): This is the long sleeved dress shirt provided by the Committee for you to wear during the parade and crowning ceremony. You may also wear this shirt on competition day. An official t-shirt may also be provided to be worn at the Committee's discretion to wear.

Jeans: Jeans for all events in official dress should be blue or black denim. Sponsor consideration is appreciated. Should the Committee receive a sponsorship from a clothing company contestants may be asked to wear that brand during official dress events.

Additional Requirements: At all events, including practices, contestants should be dressed modestly. Stomach and cleavage must be covered and undergarments should not be seen.

NOTE: This dress code is subject to change. Any changes will be noted and announced with the final orientation packet. This dress code is intended for Marshfield Independence Day Pageant contestants and does not pertain to the reigning royalty.
